Monsieur le Président de la

Pasteur Bizimungu

Tél./Fax : (32-2)3530076

Aux bons soins du Général R. DALIAIRE (UNAMIR-MINUAR)

Monsieur le Président,

CONCERNE : Disparition de Monsieur Sylvestre KAMALI

Nous avons appris avec fierté et émotion votre nomination  
hautelement méritée à la Présidence de la République.  
Nous sommes heureux de vous présenter notre plus sincère soutien  
ainsi que nos plus vives félicitations.

Nous prenons la respectueuse liberté de porter à votre  
connaissance les faits inquiétants suivants :

Le 14 juillet 1994, notre père, Sylvestre KAMALI, a disparu à  
Kigali, à hauteur d'une barrière située devant les portes de  
l'église Saint-Joseph à Nyamirambo.

Monsieur KAMALI a quitté son domicile aux environs de 17H30 pour  
reconduire un ami, Monsieur Athanase SEMUHUNGU, que Monsieur  
Kamali a par ailleurs caché chez lui depuis le mois d'avril 94  
afin de le faire échapper ainsi que sa famille aux massacres qui  
endeuillent le Rwanda depuis avril 94.

Il circulait à bord de sa voiture, une Audi 80 de couleur bleue.  
Arrivé à Nyamirambo, il fut arrêté à un barrage de contrôle.

Son ami Athanase fut prié de quitter les lieux, et notre père  
Sylvestre KAMALI a été emmené vers une destination inconnue.  
Son véhicule a également disparu.

Depuis lors, sa famille, son épouse Philomène Mukabarali, et ses  
enfants Monique et Michel sont toujours sans nouvelles.

Ces faits nous ont été rapportés de source sûre par les officiers  
de la MINUAR-UNAMIR, qui enquêtent sur place.

Nous sommes très inquiets quant à la vie de Monsieur Sylvestre KAMALI et de sa famille déjà très éprouvée par la perte de nombreuses personnes massacrées par les milices.

Nous tenons à vous rappeler que dès 1984, M. KAMALI fut mis à l'écart en raison de son opposition notoire au régime dictatorial de Habyarimana.

Lors de l'instauration du multipartisme, il ne ménagea pas ses efforts en faveur de l'établissement de la démocratie et d'un Etat de droit assurant l'égalité des droits entre tous les rwandais.

Ceci lui valut diverses menaces et intimidations ( Voy. "Action urgente" d'Amnesty International en mai 1993 et "Amnesty International Report 1994", p.252, ci annexés).

Ainsi, lorsqu'il dénonça publiquement les massacres perpétrés à Gisenyi par le régime Habyarimana en janvier 1993, sa maison fut détruite sur ordre du colonel Anatole Nsengiyumva.

Il subit par la suite diverses tentatives d'assassinat.

Nous tenons également à souligner que Monsieur KAMALI n'a aucunement été solidaire du gouvernement intérimaire, commanditaire d'un génocide effroyable.

Monsieur Kamali a catégoriquement refusé de suivre les appels qui lui ont été lancés par ces assassins via l'ignoble "radio des mille collines", démontrant bien que ses convictions profondes de respect des Droits de l'Homme et d'un Etat de Droit s'opposaient à ces criminels.

Nous vous sommes reconnaissants de bien vouloir accorder toute votre attention aux faits relatés dans la présente et de mener les actions appropriées afin que lumière soit faite sur l'enlèvement et la disparition de notre père.

En vous remerciant, nous vous prions de prendre en gré, Monsieur le Président de la République, notre plus vive gratitude et notre très profond respect.

Pour ses enfants,

Jean-Marie, Marie-Claire, Jacqueline, Françoise, KAMALI;

Ses beaux enfants,

Dalila SABEG et Charles Edward VAN TIGHELEN;

SUBJECT: PROTECTION OF DISPLACED PERSONS CAMPS - ROE

Ref: A. FRAGO No. 02 to OPORD 20 dated 22 oct 94  
B. UN Security Council Resolution 925 dated 8 June 94  
C. OPDIR No. 2 - ROE dated 6 Oct 94

1. Reference A directs all commanders to increase UN presence in refugee camps within RWANDA. Contingency plans have been developed to reinforce certain sectors in the event that displaced persons (DPS) are forcibly removed from their camps.

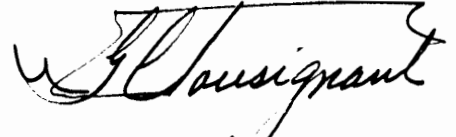

2. Clearly, if this situation arises, the potential for confrontation will emerge. Under these circumstances, a sound understanding of the applicable Rules of Engagement is fundamental.

3. Reference B mandates UNAMIR to "contribute to the security and protection of displaced persons, refugees and civilians at risk in RWANDA" and "Recognizes that UNAMIR may be required to take action in self-defence against persons or groups who threaten protected sites and populations, United Nations and other humanitarian personnel or the means of delivery and distribution of humanitarian relief".

4. Reference C provides clear guidance for the application of Resolution 925. The following provisions should be specifically noted:

- a. Authority to use force. The use of force is authorized to protect the above designated individuals against forcible removal from the camps which they occupy (Ref C, para 8).
- b. The principles for the use of force must be adhered to (Ref C, para 7).
- c. Challenge and escalation procedures are to be followed (Ref C, paras 14 and 15).

- d. Units involved in the protection of DP camps are to remain on State GREEN (Annex A to Ref C) until ordered otherwise.

OP HOMEWARD

MOVEMENT OF DISPLACED PERSONS FROM SECTOR 4

1. The problems associated with the movement of DPs from sector 4 are well documented but there are several points which should be actioned if the plan is to succeed. This letter is written to amplify BRITCON observations which have been passed to this HQ from our med assets within sector 4.

2. At a meeting in GIKONGORU on 29 Sep 94, the NGOs present requested that UNAMIR confirm or deny the rumours of human rights violations by the RPA. Without an authoritative answer, the NGOs working within the DPs camps stated that there were not prepared to assist in OP HOMEWARD. Representatives from ICRC and UNHCR stated that it was not their responsibility to persuade DPs to return home; a point which is closely linked to the subject of reassurance about human rights violations.

3. It is suggested that a joint operation with UNAMIR and the NGOs be established which is coordinated with the RPA to reassure these Dps. It is suggested that:

a. UNAMIR should brief the NGOs on the facts concerning human rights violations.

b. Satisfied returnees be identified to visit camps and confirm conditions.

c. Community leaders be allowed to recce their home communes.

d. Initiate a psychological operations campaign to counter the RGF radio broadcasts from ZAIRE and BURUNDI.

e. Confirm the government's position regarding the DP problem and attempt to involve the RPA as part of the overall plan. This should include reassuring speeches within the camps and better treatment of the returnees at the registration points. It is also suggested that the RPA policy of burning out the DPs is sending the wrong message.

4. If OP HOMEWARD is to be resumed, then it should be noted that attempts to move DPs on market days or food distribution days will result in a poor response. It is suggested that the

plan ties together the issue of food distribution and the transportation of DPs to their home communes. It is hoped that these points are useful so that OP HOMEWARD can be successfully resumed.

DATE: 22 SEP 94

SUBJ: TRANSFER OF DISPLACED TO KIGALI

① REF: FAX TOUSSIGNANT / SEC 5 21 SEP 94

1. I HAVE RECEIVED YOUR FAX CONCERNING TRANSFER OF MRS MUHAWAMARIYA CATHERINE.

2. PLEASE NOTE THAT THIS PERSON AND THREE OTHERS ARRIVED IN GISENYI WITH THE LAST SUPPLY CONVOY WITHOUT PRIOR NOTIFICATION. I PROVIDED SHELTER, RATIONS AND WATER, BEDDING AND ABLUTIONS TO THIS GROUP FOR WHICH NO ARRANGEMENTS HAD BEEN COORDINATED. THE GROUP ARRIVED IN MY LOCATION IN THE LATE EVENING, AND COORD WITH THE LOCAL BN COMD WAS NOT POSSIBLE. THIS CREATED CONSIDERABLE PROBLEMS WITH THE RPA EARLY NEXT MORNING WHO HAD BEEN BRIEFED IN ADVANCE THAT THERE WOULD BE NO TRANSPORT OF REFUGEES ON THE FERRY ON THAT DAY. AFTER MUCH DISCUSSION THE RPA DECISION WAS TO ALLOW THE PERSONS TO PROCEED TO KIBUYE BUT NOT TO RETURN TO GISENYI. THERE IS NO QUESTION THAT RPA IS UNDER THE IMPRESSION THAT UNAMIR "TRIED TO PULL A FAST ONE" IN THIS INSTANCE. FUTURE TRANSFER OF REFUGEES ON THE FERRY MAY BE AFFECTED BY THIS INCIDENT. I AM NEGOTIATING IN THIS REGARD NOW.

3. MRS MUHAWAMARIYA WAS BRIEFED BY UNHCR BEFORE BOARDING THE FERRY AS TO THE IMPOSSIBILITY OF HER RETURNING TO GISENYI. SHE CHOSE TO GO REGARDLESS. LATER IN THE SAME DAY I WAS NOTIFIED BY SECTOR 4B THAT SHE HAD APPROACHED THEM FOR ASSISTANCE IN RETURNING TO GISENYI ON THE AFTERNOON FERRY RUN.

4. I AM PREPARED TO RAISE THIS CASE AGAIN WITH THE RPA IN MY SECTOR BUT HESITATE TO DO SO WHEN I AM CURRENTLY MAKING THE ARRANGEMENTS FOR THE MOVE OF 200 PERSONS ON THE NEXT FERRY RUN.

UNAMIR - MINUAR

TO: Distribution List

FROM: LCol P. Desnoyers *[Signature]*

DATE: 16 September 1994

SUBJECT: REFUGEES/DISPLACED PERSONS  
RETURN HOME

### BACKGROUND

1. Numerous quantities have been mentioned with regard to the amount of refugees/displaced Rwandans within and outside Rwanda. Suffice it to say that the exact number is well above one million persons or the equivalent of more than 25,000 vehicle-load of 40 persons per vehicle. Very little movement is currently observed coming from the refugee/displaced persons camps. The camps are themselves contributing to the instability of the country. Many UNAMIR vehicle resources are now available pending the arrival of the main bodies of contingents and the now routine weekly resupply concept adopted for the Force.

### AIM

2. To propose a military option to assist the relief agencies in the relocation of the refugees/displaced Rwandans.

### FACTORS

3. The following factors are considered in the assessment of options:
- a. Will to Return Home. The will to return home depends on the following aspects:
    - (1) Security. Will it be safe for them to return home?
    - (2) Humanitarian Assistance Dependency. The humanitarian effort has been very successful so far; over one hundred camps have been established and are being resupplied and supported by various relief agencies. Are the refugees/displaced persons becoming dependant on the relief effort itself? Will the rain season permit the continuation of the uninterrupted provisioning of support/relief?
    - (3) **A propaganda campaign to reassure and encourage people to return to their home is essential to the success of this task;**

*(2) Staff A  
For Col Yaache and  
copy to displaced person  
file [Signature] -*

- b. Health Conditions. The health conditions in these camps are not ideal and, in some cases, contagious diseases could be spread in non-afflicted areas if the sick are not contained and treated first. **A medical screening is required prior to moving any refugees/displaced persons;**
- c. RPA Verifications. Currently, verifications are conducted at check points which slows down the movement process because of the offloading and loading of personnel on the vehicles. **These verifications should be done with the full participation of the authorities, including the receiving prefects, at the initial loading points (at the camps themselves);**
- d. Final Destinations. Because almost 90% of the Rwandan population were rural-based, it must be assumed that most of the refugees/displaced persons should not be returned to cities/villages. **Close coordination is required with the selected receiving prefectures to ensure that correct moves are made;**
- e. Road Conditions. The conditions of the roads are very difficult, either because of hills or dirt surfaces, which limits the selection of the vehicles that are capable of performing the task of moving people. This situation will worsen shortly with the arrival of the rain season. **Movement and use of military-type vehicles should be restricted to those areas not accessible to other types;**
- f. UNHCR/IOM Staging. Staging is an important step of the return home of refugees/displaced persons. It ensures that they are provided with the essential ingredients to start up in their home as well as ensuring that they arrive at their final destinations during daylight hours. **Close coordination is required with the UNHCR/IOM staging areas;**
- g. Mass Population Effect. This factor cannot be underestimated following its effect during the war. **The more concentrated the relocation effort for refugees/displaced persons the more chances are that all those in the targeted areas will want to return home;**
- h. Location of Camps. Camps are located throughout the country but most are concentrated in sector 4 (for those within Rwanda), estimated at well over half a million persons;
- i. Available UNHCR/IOM Resources. These agencies have mainly hard surface resources including 50 passenger buses; and
- j. Available UNAMIR Resources. Until the arrival of ZAMBATT and TUNBATT and while BRITCON is available, the following assets are available:
  - (1) 50 x Bedford 4T trucks (British and Brown and Root drivers) - 3 have been allocated to sector 5 for the movement of refugees/displaced persons,
  - (2) 50 x DAF trucks (Zambian drivers),

- (3) 10 x ISUZU/MAN trucks (Brown and Root drivers), and
- (4) a transport company/squadron command and control element (BRITCON).

### OPTIONS

4. Considering the factors, all the options considered must have the following criteria:

- a. A propaganda campaign sponsored by the government in cooperation with UNAMIR;
- b. The presence of prefecture, RPA and medical authorities at loading points;
- c. Staging at a UNHCR/IOM base; and
- d. Coordination with NGOs bringing relief aid to camp to ensure the transfer of the aid is done concurrently with the transfer of persons.

5. Option A - Split the UNAMIR Vehicle Resources under Sector Control.

This option ensures that all sectors get a proportionate quantity of vehicles in accordance with the number of refugees/displaced persons in their sectors. The coordination is difficult as most refugees/displaced persons will have to cross between sectors.

6. Option B - Retain Centralized Control in KIGALI. This option ensures the broadest view of the situation but enhances the coordination problem of Option A with the involvement of all sectors (5) and prefectures (12).

7. Option C - Focus on One Area which has a High Contration of Persons.

This option favours one area over the others but provides the following advantages:

- a. Simplifies coordination;
- b. Accelerates the planned movements; and
- c. Provides the potential generator for mass population movement within that area.

### CONCLUSION

8. Though UNAMIR has resources available to assist in the relocation of refugees/displaced persons, its number is relatively small compared to the total requirements. Nevertheless, there is a potential impact that a concentrated effort on a selected area could have on the remainder of the population.

## RECOMMENDATION

9. Option C in sector 4 A with the following details:
  - a. task each sector (1, 4B and 4C) to provide 3 x trucks with drivers for the movement of refugees/displaced persons;
  - b. provide sector 2 with 3 x trucks with drivers for the movement of refugees/displaced persons (sector 5 already has 3 x trucks);
  - c. provide all other available trucks (up to 100) for the movement of refugees/displaced persons from sector 4A - the GIKONGORO Prefecture (350,000 in 28 camps) - to sector 3 - the BUTARE and GITARAMA prefectures;
  - d. locate these transport assets in the BUTARE area to be in proximity to the UNHCR/IOM staging base and one of the prefects involved (30 minutes from GIKONGORO and 60 minutes from GITARAMA);
  - e. task BRITCON with the coordination requirements of all parties involved; and
  - f. locate the command and control element of this task in the current TAC HQ location for ease of communication and liaison.
10. This task should be assigned as soon as possible as the rain season is already starting and the main bodies of new contingents are scheduled to arrive shortly.

INTER OFFICE MEMORANDUM

To: Kristen Scott Political Affairs Officer

From: HAC

Date: 31 Aug 1994

Subject: STATISTICS ON THE MOVEMENT OF DISPLACED PERSONS

Ref: Your memo dated 27 Aug 94

1. Complete statistics of all movement of displaced persons in Rwanda is attached.

2. Answers to your specific questions are as follows:

a. UNAMIR only transports displaced persons from KIBUYE in conjunction with a logistic resupply operation for the forces in place or in conjunction with a food convoy for people in camps. Statistics over a seven day period are as follows:

(1) CYANGUGU ( 21 Aug - 28 Aug ) - 630

(2) KIBUYE ( 21 Aug - 28 Aug ) - 818

(3) GIKONGORO - 0

b. Returnees for the month of July - 6,499

c. Returnees for the month of Aug - 6,879

d. Total returnees noted to date - 13,378

3. Some problems noted with this operation are as follows:

a. The Rwandese Government and Prefecture of Kigali have not assisted in any way in this operation.

b. Displaced who returned to Kigali from Kibuye following the visit of the Minister of the Interior have approached HAC with reports that several have been taken by the authorities and have disappeared. The Rwandese man who returned to Kibuye to bring his family was arrested and thrown in prison yesterday. He was released when neighbours went to speak on his behalf. He also reported that the authorities refused to register his name when they arrested him.

c. Aid agencies operating in Kigali to meet the displaced are prepared only to assist them for one day.

d. There are no centers for the homeless who return.

e. Some returnees who return find that someone else is in their dwelling and consequently they are homeless.

- f. UNAMIR vehicles returning with displaced are unable to feed and shelter them upon arrival in Kigali. An aid agency must be identified to provide this service for UNAMIR if the Force is to continue the exercise.
- g. Some transport resources are still committed to the Goma and Bukavu areas.
- h. UNHCR is moving displaced from the Cyangugu area and the Gisenyi area however their offices are not informing UNAMIR.

4. While the necessity to move displaced persons quickly from the Sector Four area to the RPA controlled area was necessary to limit a possible exodus to Bukavu, it is questionable whether this same type of fast paced operation is still necessary. The control of the return of displaced persons should be the responsibility of the Government whereby they register who leaves and enters an area. They should also be ready to provide for the returnees both with food, shelter and protection. They should also decide what aid they want from the Humanitarian Community to assist them in this operation.

5. If the operation continues as at present, HAC predicts that ex-INTERAHAMWE will return to the city, displaced persons will request UNAMIR to provide protection from the local authorities and displaced persons who are destitute will ask to be transported back to their camp location in CYANGUGU or KIBUYE where humanitarian assistance was available.

6. For your consideration.

D.J. MacNeil  
Major

FURTHER TGELECON EDONGO/KIMBIMBI AND MOUSSA/KIMBIMBI RE UNHCR'S  
POSITION VIS A VIS REPATRIATION OF UMS TO RWANDA

AAA. PROVIDED THAT UM'S PHYSICAL SECURITY ASSURED AND THEIR  
BASIC MATERIAL NEEDS SATISFACTORILY MET IN ASYLUM  
COUNTRIES, WE DO NOT REPEAT NOT ADVOCATE, AT PRESENT,  
REPATRIATION OF UMS TO RWANDA.

BBB. PRIMARY REASON FOR ABOVE POSITION IS THAT ACCORDING TO ALL  
AVAILABLE INFOR MAJOR REHABILITATION WORKS (WATER,  
ELECTRICITY...) NECESSARY IN KIGALI AND ELSEWHERE. THESE  
SHOULD BE SEEN AS PRE-CONDITION FOR SUCCESSFUL  
REINTEGRATION OF VULNERABLE GROUPS SUCH AS UMS. MOREOVER,  
TRAUMATIC EXPERIENCE UNDERWENT BY UMS CALLS FOR CAUTION IN  
ORGANISING THEIR REPATRIATION AT THE TIME WHEN RETURN  
MOVEMENT OF ADULT REFUGEES HAS NOT YET GAINED MOMENTUM.  
IDEALLY JMS AND OTHER VULNERABLE GROUPS REQUIRING SUPPORT  
SYSTEM IN RWANDA SHOULD BE AMONG THE LAST PEOPLE TO RETURN  
AND NOT THE FIRST. IN SHORT, BEST INTEREST OF UMS IS THAT  
THEY RETURN TO RWANDA WHEN CURRENT UNCERTAINTIES RE.  
MATERIAL AND, ALSO TO A CERTAIN EXTENT, SECURITY CONDITIONS  
ARE SETTLED.

#### overview

The ICRC reports 500,000 displaced persons in Butare Prefecture. ICRC received authorization from Bujumbura to collect 200 MT (2 days' ration for the 500,000 displaced) from WFP in Bujumbura.

The Director of Operations for WFP Burundi, who was in Butare yesterday, would not accept an authorization from UNAHT Kigali to remove WFP stocks from the WFP warehouse in Butare. (The authorization had been made with the knowledge of Mrs. Bertini's agreement with ICRC Geneva that ICRC could use WFP stocks in Rwanda as required. It was written in the presence of WFP's sole representative in Rwanda, Mr. Pierre Honnorat.) Given the emergency situation in Rwanda, a dispute over authority to move and distribute much needed food items is not appropriate. We need improved communication between Bujumbura and Kigali in this regard for which UNAHT asks UNREO Nairobi for assistance. Given the utmost urgency of the situation in Rwanda, bureaucratic procedures must be streamlined or we will risk the consequences of unnecessary suffering among a population that has already suffered far too much.

The UNAHT Kigali team leader wishes to stress once again the need for prudence when dealing with the RPF. The fact the international community has not condemned the RPF shelling of the Kigali Central Hospital (eight direct hits) and its blatant attack on an ICRC relief convoy is worrisome. The apparently blind willingness of NGOs and the UN agencies to initiate programs in the north of Rwanda without an agreement on humanitarian principles proposed by the UN has raised serious concerns in Kigali where humanitarian assistance teams have been fired upon with guns and rockets from

The emergency program in Rwanda must take a united stand and deal equally and from strength with all sides. It is the poor who suffer and it is all of them whom we are supposed to help.

Heavy fighting prevailed in parts of the city today and the UNAHF spent a quiet day working on its proposal increasing activities.

Therefore, all comments for yesterday remain the same for today.

RAPPORT REFUGIES PROBLEMS LIVING AT GASENYI  
CAMP IN KIBUYE, COMMUNE MWENSO. Asked by  
UN army (MINUAR) on August 1st 1994.

First of all, we refugees at Gasenyi Camp we thank France army for they told us to remain here until they tell us to go back home. We had been under their protection until now, we thank them for they achieved their aim "to stop massacres".

As you, UN army are present here, we are so glad to be also with you also. When you arrived here you promised us to feed us, give us medicines and to help us to go back home. We thank you for that promise at advance.

All of us need to go back home and be safely in our houses as before we left our home. We ran away because of fighting, I mean "the war". Now, when the war is not there we can go home but on the assurance of being safely when we will be at home.

We wanted go back home long time ago, but there are different reasons pushed to stay here and some of us went on into Lake direction, we whom remained here is that we are under France army protection.

There are some of reasons to remain here:

- People going back home are killed by RPF force that is in our origin areas.
- R.P.F is purchasing everyone that worked for last State, that's to say: Prefet, bourgmester, counselor, soldier, Police, prisoners keeper, everyone who studied high school and University that are Hutu.
- Some of our houses destroyed by RPF army. These are affirmed by persons that escaped among people that gone back home and escaped from RPF threatings and returned here to tell us how is the situation.

So our will is:

- R.P.F army be placed in known camps.
- Authority stage be established so our return home be known by them and when anyone'll be kidnapped or killed be known by authorities.
- Burundi's people, majority Tutsi that are in Bugesera area at Kibumba and other areas of Bugesera killing Hutu going back home be out of that region.
- People that are going back home now, it's because of famine (being hungry) and decide to go to be killed or to escape instead of starving. Then our will is to be fed meanwhile problems quoted upward to be solved are still to be solved.

Health problems are so many here that's why medicines are necessary. In our will: sheetings, blankets, soaps, food, medicines, pans are first aids we need meanwhile we wait to go back home.

In this area it's very cold, that's why comfortable clothes and blankets are needed in order to prevent some diseases as run-nose, cough, flu, pneumonia, mouth wounding. Some skin-diseases that having bath without soap is cause, malaria and so on.

We have good water in this camp but we don't have anything in it we can fetch water.

As I hold talk last time with you I asked me to tell you what number are we in this camp. I counted and found following numbers of refugees here as far as their areas are different:

|                     |                |               |

**URGENT**

Cher Monsieur,

Concerne : disparition de Monsieur Sylvestre KAMALI

Nous prenons la liberté de porter à votre connaissance les faits alarmants suivants et sollicitons l'intervention la plus urgente d'AMNESTY INTERNATIONAL.

Le 4 juillet 1994, lorsque le "Front Patriotique Rwandais" conquiert la ville de KIGALI, la famille KAMALI, tout comme les autres habitants qui étaient restés dans la ville, fut conduite dans un camp situé à l'Eglise de la Sainte Famille à Kigali.

Pendant leur séjour dans ce camp, M. S. Kamali, son épouse Mukabarali Philomène leurs deux enfants, Monique et Michel ainsi que les nombreuses personnes qui avaient trouvé refuge chez Monsieur Kamali furent interrogés par les militaires qui les questionnèrent sur leur adhésion aux idéaux du F.P.R.

Après une semaine, la famille fut autorisée à regagner son domicile.

Le 14 juillet 1994, notre père Sylvestre Kamali quitta son domicile aux environs de 17h.30 afin de reconduire à son domicile un ami tutsi, Monsieur Athanase SEMUHUNGU, que M. Kamali a par ailleurs caché chez lui dès le mois d'avril 1994, afin de le faire échapper ainsi que sa famille aux massacres qui endeuillent le Rwanda depuis plus de trois mois.

Monsieur Kamali circulait à bord de sa voiture, une Audi 80 de couleur bleue (immatriculée AC 01 50).

Arrivé à NYAMIRAMBO, il fut arrêté à un barrage de contrôle tenu par des soldats du FPR.

Son ami, ATHANASE SEMUHUNGU fut prié de quitter les lieux et notre père fut emmené vers une destination inconnue.

Son véhicule disparut également. Il devait être aperçu une semaine plus tard dans le quartier KIVOVU avec des militaires du F.P.R. à son bord.

La famille avartit la MINUAR/UNAMIR (Mission des Nations Unies d'assistance au Rwanda) qui mena des investigations (en interrogeant notamment M. Semuhungu - mais ainsi que des officiers de liaison du F.P.R.) sans résultat.

Les enfants de S. Kamali résident en Belgique adressèrent plusieurs courriers au représentant du F.P.R. à Bruxelles, M. James KWEJU, aux Président et Vice-Président de la République Rwandaise ainsi qu'au ministre de la Justice.

A ce jour aucune suite n'a été réservée à ces demandes d'explication.

La famille décida alors d'alerter la presse (V. "La libre Belgique" du 26/7/94, "Le soir", "26/7", "Le Figaro" 25/7, "Libération" 25/7, ...), différents gouvernements (Belgique, France, Grande-Bretagne, Etats-Unis) et instances internationales.

Le 28 juillet 1994, dans la matinée, plusieurs militaires en tenue se présentèrent au domicile de la famille Kamali à Kigali et demandèrent à voir la fille de Monsieur Sylvestre Kamali dénommée Monique.

Ils prétendirent vouloir l'interroger sur ce qu'elle avait déclaré à la presse (Voir "Le Figaro" du 25/07/94 qui cite Kamali Monique).

Il leur fut rétorqué qu'elle était absente et, non convaincus, ces soldats procédèrent à une fouille minutieuse de la maison et questionnèrent le voisinage.

Employée de la MINUAR, Monique Kamali était sans doute soupçonnée d'être à l'origine de la diffusion dans la presse des faits relatant l'enlèvement de son père.

Lorsqu'elle regagna le domicile familial en fin de journée, les membres de la famille présents lui conseillèrent de s'en aller sur le champ; ce qu'elle fit aussitôt accompagnée de militaires de la MINUAR.

Le Premier Ministre Faustin Twagiramungu a déclaré sur les antennes de la RTBF (Interrogé par François Rijkmans) le 2.08.94 que Monsieur Kamali était bien vivant et qu'il était détenu pour interrogatoire.

Nous constatons avec indignation que :

A ce jour aucune personne n'a été autorisé à voir Monsieur Kamali et effectivement constater qu'il est encore en vie. Et d'ailleurs, nul ne sait où il serait détenu.

D'après certaines sources non officielles, il serait détenu au camp de MASAKA situé non loin de l'aéroport de Kigali.

En outre, il aurait été exigé de Monsieur Kamali de signer une déclaration et vu son refus catégorique, il aurait été torturé.

Des mesures d'intimidation sont exercées contre des membres de la famille Kamali. Ils subissent en effet à domicile des interrogatoires menés par des militaires qui régulièrement viennent demander où se trouve Monsieur Kamali.

La détention, si elle est vérifiée, de Monsieur Kamali est totalement injustifiée et

Cet enlèvement et cette détention arbitraire sont profondément choquantes puisqu'elles démontrent la volonté de certains d'écarter les opposants modérés et défenseurs de la paix.

Ces pratiques, si elles devaient se répandre au Rwanda compromettraient très sérieusement le retour à un climat de confiance recherché par les autorités rwandaises.

Toutes ces informations nous font sérieusement craindre que ces pratiques échappent au pouvoir légal et s'apparentent à de sombres règlements de compte.

Il faut rappeler que dès 1984, Monsieur Kamali a été mis à l'écart de la politique rwandaise en raison de son opposition notoire au régime dictatorial de Monsieur Habyarimana.

Ambassadeur du Rwanda au Burundi de 1976 à 1979, il ne ménagea pas ses efforts pour sensibiliser le Président rwandais de l'époque aux problèmes des exilés rwandais installés au Burundi. Il proposa ainsi d'adopter une loi leur accordant la double nationalité. Il ne fut malheureusement pas écouté.

Dès la légalisation du multipartisme, Monsieur Sylvestre Kamali, en homme politique modéré, milita au sein même de son parti, le M.D.R. (Mouvement Démocratique Républicain), en faveur de la démocratisation et de l'égalité des droits de tous les Rwandais.

Ses prises de position en faveur de la justice et de la paix lui valurent l'estime et la confiance de la population de Gisenyi, dont il était le représentant démocratiquement élu.

Elles lui valurent aussi d'être victime ainsi que sa famille de mesures d'intimidation et tentatives d'assassinat de la part des extrémistes de l'ancien régime du Président Habyarimana ( voir Action Urgente (AU 152/93 AFR 47/07/93) d'Amnesty International 1993 et Amnesty International Report 1994 )

Il faut rappeler qu'après le 6 avril 1994, ayant toujours recherché la voie de la paix, Monsieur Kamali est resté sourd aux appels du gouvernement intérimaire commanditaire du génocide et des massacres qui ont ensanglantés le Rwanda, car ses convictions profondes de respect des droits de l'Homme et de l'Etat de droit s'opposaient à ces criminels.

Nous demandons l'intervention la plus urgente d'Amnesty International et de toutes autres instances habilitées afin que :

- une mission du C.I.C.R. et d'Amnesty International, ainsi qu'un avocat librement choisi puissent rendre visite à Monsieur Kamali et accomplir sans entraves leurs devoirs
- toute la lumière soit faite sur les conditions et les motifs de sa détention.
- exiger la libération immédiate de Sylvestre KAMALI.
- faire cesser les mesures d'intimidation contre sa famille vivant à Kigali.

Jean-Marie, Marie-Claire, Jacqueline, Françoise Kamali, ses enfants résidents en Belgique;  
Charles Edward Van Tiggelen, son beau-fils.

She is wondering if there is anything that the Canadian Armed Forces can do for her as she is really worried about him. All she is asking is that this information be made available for the Canadian Armed Forces in case something comes up that may have to do with Chris. Is there anything we can do for her? Her address is: 25 Mergl Dr., Port Dover, Ontario N0A 1N0. Her phone number is 519-683-2658. If you could let her know what is going to happen, she would greatly appreciate it.

Thanks,

**Press Release****British National 43 Year Old Marist Brother  
Chris Mannion Missing in Rwanda**

Forty-three year old Marist Brother Christopher Mannion, FMS has been reported missing in Rwanda. A member of the Marist Brothers, a Roman Catholic religious congregation of almost 6000 members serving in 72 countries, Mannion is a member of the Order's General Governing Council based in Rome, Italy.

Marist Vicar General, Brother Sean Sammon, FMS reported that Mannion traveled to Bujumbura, Burundi on June 29th and entered Rwanda on Wednesday, June 29th, 1994 with a Caritas convoy. He was responding to a request on the part of the then existing Rwandan government for a member of the Marist General Government to negotiate the release of two Tutsi members of the Order who were in government custody; the Order had already suffered the loss of at least three of its members, all Rwandan nationals, during the massacres of the fourteen weeks. Sammon stated that, "We know that Brother Chris resided Butare where he stayed in the Caritas camp; during his time there he was interviewed by a reporter for a Scottish paper. Further reports indicate that he traveled subsequently to Gave where we have a Marist community."

On the weekend of July 2nd and 3rd Butare/Gave fell to the Patriotic Front. The Caritas convoy was ordered back to Bujumbura; Mannion now in Gave was not with the convoy when it left Butare.

On July 3rd the Marist General House in Rome received a call from the White Fathers in Bujumbura telling them that Brother Chris had not returned with the convoy but that he was safe in Gave; Caritas Rwanda confirmed this situation. In the intervening weeks, the Order has been trying to confirm his presence and safety in Gave; the area, however, has not been open to non-Rwandans and it has been hard to obtain definite confirmation. Sammon reports that recent rumors indicate that Mannion may not be in Gave after all. The Order now considers him missing and is extending its appeal for help in locating him.

"When we received word that Chris was missing on July 3rd we went right to work to try to locate him," Sammon reported. The Order quickly enlisted the aid of Caritas Rwanda, Catholic Relief Services - Rwanda, the French Consulate in Rome, the Brussels Office of the Patriotic Front, and the British Embassy in Rome and the Foreign Office in London. Sammon, a US citizen, commented that he was

surprised at how unresponsive the British Embassy and Foreign Office were to his requests for assistance. "I was shocked and saddened by their response," he said, "I know that the situation is difficult in Rwanda but I was stunned when they told me that there was nothing they could do really."

The Order has also contacted the US Conference of Religious and, through them, the US Bishops' Conference who have begun to get involved in the case. Several members of Parliament have also taken an interest in the disappearance of Brother Chris Mannion. Efforts are underway to enlist international support for the effort to find him.

Mannion served in Cameroon for ten years as a missionary teacher and has been active for many years in the Order's formation programs. For several years he served as Provincial of the Marist Order in England and Scotland before being elected as a member of the Order's General Council in October 1993. His family lives in Darlington, Co. Durham.

"This is a very painful time for Chris' family and for our Marist family," Sammon commented. "We're looking for all the help we can get in locating him - he's a very special person whose simple courage and generous heart took him on this important humanitarian mission. It will be just wonderful to have him back home."

EVALUATION DES RESSOURCES EN EAU LE LONG DE L'AXE GISENYI-RUHENGERI. Première partie.

Les centres de réception et les postes de santé le long de l'axe routier Gisenyi-Ruhengeri ont besoins d'eau pour fonctionner. Nous décrivons ici les ressources en eau utilisables le long de cet axe pour ces centres et celles qui sont déjà utilisées par les déplacés qui marchent en direction de Ruhengeri.

METHODE.

En partant de Gisenyi nous avons repéré tous les points d'eau disponibles le long de la route, c'est à dire:

|                              |     |
|------------------------------|-----|
| Bornes fontaines             | BF  |
| Réservoirs                   | R   |
| Stations de production d'eau | SPE |

L'emplacement est indiqué en Km à partir de Gisenyi (check point juste avant la montée). Chaque fois que c'est possible nous indiquerons le débit de chaque borne (en litres/sec ou en litres minutes), la capacité de stockage des réservoirs (en mètres cubes m3) et aussi, si nécessaire, les possibilités d'exploiter ces ressources ou de les améliorer.

RESULTATS

Pour le moment nous décrivons les points d'eau principaux jusqu'à un peu avant Mutura, sur les premiers 25-30 km de route à partir de Gisenyi. Les autres figureront dans un prochain rapport.
