TERMS OF DISENGAGEMENT ACCEPTED BY FAYSAL AND NASSER

1. Termination by the SAG on a date to be determined of its support and aid to the royalists and of prohibition of the use of its territory by royalist leaders to carry on the struggle in Yemen.
2. The UAR to begin withdrawal of its troops simultaneously with suspension of Saudi aid to the royalists. A phased withdrawal of UAR forces would take place as soon as possible, in the course of which these forces would be withdrawn from field activities to their bases pending their departure from Yemen. The UAR would refrain from taking punitive action against the Yemeni royalists on the basis of resistance mounted by the royalists prior to commencement of disengagement.
3. Cessation of United Arab Republic attacks on Saudi territory.
4. Establishment of a demilitarized zone extending for a distance of 20 kilometers on either side of the demarcated Saudi Arabian-Yemeni border from which military forces and military equipment would be excluded.
5. Stationing of impartial observers on both sides of the border in the demilitarized zone; one of whose responsibilities would be to travel outside the demilitarized zone as the occasion requires to certify the suspension of Saudi support activities and the outward movement of UAR forces and equipment from Yemeni airports and seaports.
6. Cooperation of the United Arab Republic and Saudi Arabia with the United Nations Secretary General's representative or other mutually acceptable ~~mediator~~ in reaching agreement on process and verification of disengagement. (*intermediary*)
7. Agreement by the UAR to exercise its good offices with the YAR to desist from further inflammatory speeches against neighboring countries and to reaffirm his desire to live at peace with his neighbors.
