1. Reference my cable number 2879 of 5 August 1995 on the above subject, I would like to thank General Tousignant for the comprehensive information sent immediately after my request and the additional information from UNREO which were very useful and much appreciated.

2. Attached please find a working paper which will serve as a basis for discussions in Geneva on Monday, 14 August 1995 at an agency and donor meeting. The meeting in Geneva will seek to identify requirements for the establishment of an urgent plan of action to deal with the immediate problems relating to the prison situation, secure commitment for the necessary resources and to find an agreement on the coordination mechanism. Particular attention will be given to the possible use of military and civil defence assets (MCDA) for providing immediate assistance.

3. Shaukat Fareed, Director of my Department, will chair the meeting in Geneva and will then proceed to Rwanda to assist you in finalizing a plan of action which includes both assistance to improve the prison conditions as well as for enhancing the capacity of the Government to expeditiously process judicial cases against the prison population. I would greatly appreciate your organizing the necessary consultations with the Government and all concerned humanitarian partners. Shaukat Fareed will arrive in Kigali on Thursday, 17 August 1995 by Sabena from Brussels. I would appreciate appropriate security clearance for his mission.

Regards,
