UNITED NATIONS ASSOCIATION
of the United States of America
AND THE BUSINESS COUNCIL FOR THE UNITED NATIONS

January 13, 2009

Dr. Asha-Rose Migiro
Deputy Secretary-General
United Nations, S-3810
New York, NY 10017

Dear Dr. Migiro,

I am writing to thank you for your attendance of the United Nations Association of the USA's second annual Leo Nevas Human Rights Luncheon, and for your gracious remarks to our guests. We were truly honored to have you share your thoughts with all of us, as they strongly represented the spirit of the luncheon's honoree, the late Representative Tom Lantos, and helped foster a stronger relationship between the United Nations and American civil society and human rights community leaders.

As you are aware, UNA-USA is dedicated to inspiring Americans to support the work of the United Nations and its leadership in addressing global challenges. The Leo Nevas Human Rights Program was established in support of this mission, with a focus on promoting international human rights through education, policy recommendations and outreach. Your participation at the Leo Nevas Human Rights Luncheon supports our efforts to further educate and engage Americans in support of a leading UN role in advancing and protecting human rights.

Thank you very much, and my best wishes to you and your family in the New Year.

Sincerely,

William H. Luers
President
