Subject: Potential Keynote Paid Speaking Opportunity - Hong Kong - Jan 2017

Dear Secretary General Ban Ki Moon and staff,

My name is Leah House and I am Vice President of Business Development at SAGE Worldwide, a speakers' bureau based in Beijing, China and Washington, D.C.

Our co-founders, Elizabeth and Paul Haenle worked in the White House under President Bush and President Obama. Now they run SAGE and bring expert voices to companies and institutions in Asia. We work with top speakers such as The Honorable Kevin M. Rudd - former prime minister of Australia and Dr. Evan Medeiros, President Obama's former top advisor on Asian affairs.

We are working with a global financial institution to secure a keynote speaker for their conference in January 2017 in Hong Kong. They are interested in inviting you to be their keynote speaker.

After your term as UN Secretary General ends in December, do you have any plans to pursue speaking engagements? If so, may I know your fee and travel requirements?

If you have any questions, please feel free to ask me here. You may also visit our [website](#).

I look forward to hearing from you!

Best,

Leah
