SECRET

Have just received personal letter from Julia Henderson referring to her recommendation to Amachree that my Congo assignment be not extended further as she attach great importance to my return to Unations Beirut Office immediately after homeleave. Please advise soonest whether any decision taken by ONUC in this respect and whether HQ decision regarding 6 months extension already reversed. Have made to Henderson counter proposal to put off homeleave indefinitely and return directly to Beirut Office in March if this agreeable to ONUC.
