SUBJECT : **USE OF HELICOPTERS BY MILOBs**

1. It has been noticed that MILOBs are quite hesitant to demand for helicopters even for extremely useful purposes like recce. Possibly this hesitancy is due to the apprehensions that the request may not get accepted. The Force Commander has consented to more use of helicopters by MILOBs for recce/ patrolling. Hence you are advised to make use of this wonderful resource more effectively. However it should be remembered that heli resources are expensive,thus their usage should be most judicious and useful.

2. It is desirable that the Ops Offr at Sect HQs plan out a weekly helicopter recce/ patrolling plan and send it to Air Ops well in time. A copy of the same should be endorsed to this HQ . Heli effort should be utilised to cover more difficult/ inaccessible areas of the Sect. This would also increase our patrolling cover and enhance our monitoring.

FC's VISITS TO UNITS

1. The attached calendar provides a schedule for the Force Commander's visits to UNAMIR Units during the month of October 1995. The Force Commander remains very interested in getting a "hands-on" perspective of what the soldier does daily.

2. The duration for the FC's Wednesday visit will be a minimum of one and a half hours, and will normally start with his arrival at the Unit location at 10:00 hrs. The Friday visits tend to be less formal and each unit should anticipate that the FC will want to spend about 60 minutes at your location. The first unit will be visited at approximately 14:00 hrs. Security details will be finalized in advance but in most cases, one of the FC's vehicles with his Close Protection party will be dispatched to provide local transport. Space limitations within the vehicle will preclude all local dignitaries.

3. Unit photographers are encouraged to record, in a tasteful manner, the visit of the Force Commander on film and/or on video tape. If possible, key photographs of the visit should be passed back to UNAMIR HQ for inclusion in a commemorative album.

4. Your co-operation in preparing for the Commander's next visit to your location is appreciated. Detailed itineraries for each visit should be co-ordinated between the Unit Visits Officer and the ADC to the FC no later than 48 hours in advance.

PRESS RELEASE

UNAMIR NR 95-41 **27 July 1995**

SECRETARY-GENERAL TELLS PEOPLE OF BURUNDI TO OVERCOME FEAR AND END MISTRUST BETWEEN COMMUNITIES FOR PEACE AND DEVELOPMENT

The following is Secretary-General Boutros Boutros-Ghali's address to the authorities and public officials of Burundi in Bujumbura on Sunday, 16 July:

"It has been my fervent hope to address you all here today in person, in your country, first of all as Secretary-General of the United Nations. To bring you the support of the international community. To assure you that you are not alone, that you have not been abandoned. To tell you that a feeling of solidarity exists, for which I should like to be the grantor.

But I have also come to you as an African, to make an appeal to all my sisters and brothers of Burundi. A solemn appeal for peace, tolerance and reconciliation. We are all aware that the African continent - - and your region in particular - - is today witnessing one of the most difficult periods in its history. The politic, economic, social, and I might add human, future of millions of men and women is at stake. And each of you here must fully accept all of your responsibilities.

In a very deep sense, all peoples have the right to protection of their life, liberty and security. The people of Burundi also have a right to justice and peace. And we all have the duty to offer them these things.

Today, you are living under a transitional democratic regime in which power is being shared. You therefore have the obligation to restore confidence and stability in order to reinforce this regime and promote peace. For without peace, nothing lasting can be built. Only peace will enable your communities to be reconciled.

With your Constitution, adopted in 1992, and with the Government Convention that was approved on 10 September 1994, you have acquired instruments that will allow you to function until June 1998. This Convention provides for a sharing of power to which everyone must become accustomed. These juridical and conventional frameworks, which were approved by the vast majority of the people of Burundi and supported by the international community, should give you the time you need to prepare for a national debate. In other words, for everyone to come to an agreement on setting up institutions that will be reassuring to both sides and that will put an end to the tragic confrontation which has too long devastated your country and your people.

You must, therefore, attach priority importance to the plight of the displaced persons and refugees of Burundi. Their eyes are turned to you with hope. The hope of returning home, to their land, to be with their families and neighbours. The hope of again taking up a normal life.

As leaders you have a duty to your people. You have a duty to Africa as a whole. You have a duty to the international community. You also have a duty to history, which is the implacable judge of every action.

As you can see, I came to talk to you this evening from my heart, as a friend, as a brother, as your elder. I wish to address you as an African speaking to other Africans. I am more aware than anyone that Africa is often perturbing to the world, for it is constantly giving the international community cause to vacillate between hope and discouragement. The list of factors impeding Africa's development includes, as we all know, a lack of infrastructure, institutional weakness, under-utilization of human resources, unfavourable terms of trade and the debt burden.

For years now, the United Nations system has been trying to overcome these difficulties and promote the development of Africa. Its agencies and programmes are all increasing their action in this area. The United Nations Development Programme (UNDP), United Nations High Commissioner for Refugees (UNHCR), United Nations Children's Fund (UNICEF), World Food Programme (WFP), Economic Commission for Africa and most of the specialized agencies are working tirelessly to provide technical, financial and humanitarian assistance to the continent.

Ever since I was elected Secretary-General of the United Nations, I have considered Africa one of my top priorities. Only a few weeks ago in Geneva, I strongly reaffirmed before the Economic and Social Council, which was meeting on issues concerning African development, that Africa is a priority objective for the United Nations. And at a time when the international community's attention is largely focused on the conflict in the former Yugoslavia, I want to demonstrate, by my presence among you, how much your problems and suffering remain my constant concern and deep preoccupation.

But we should be aware that the development of Africa is being severely hampered by its political instability. The African continent is still too often the scene of ethnic confrontations and civil wars which exacerbate its poverty and underdevelopment. At the end of last year, there were nearly 7 million refugees and 2 million displaced persons in Africa; these numbers are the highest of anywhere in the world.

We are all aware that institutional and political instability, persistent tensions and unending confrontations are major obstacles to development. Indeed, if there can be no peace without development, there can likewise be no sustainable development without peace. Conflicts are among the causes of poverty and poverty, in turn, is an undeniable factor in conflicts. It is absolutely necessary to break this vicious circle.

Nothing therefore will be possible unless African men and women take their destiny into their own hands. In that connection, I attach considerable importance to the role which the Organization of African Unity must play and which regional institutions can play in fostering security in Africa.

Indeed, Africans must learn to find within themselves, in their ancient civilization, in their deep-rooted culture, and in the wisdom that comes down to them through the ages, the means of taking control of their collective destiny.

It is incumbent upon all of you to be faithful to the genuine African tradition, a tradition that is diametrically opposed to all of the violence which we have witnessed and which we are still witnessing. Africa is not really Africa unless it is guided by the long tradition of tolerance and dialogue which lies at its innermost core.

Let us therefore be worthy of Africa; let us be worthy of being Africans. This means that we must confront reality with courage and with a clear head. Each and every one must succeed in conquering his own demons. Each and everyone must subdue the evil powers of darkness so that the forces of light may triumph.

This battle must be waged by each Burundian within himself. For the chief enemy of Burundians today is fear. The enemy of the Tutsi is not the Hutu, but rather fear; the enemy of the Hutu is not the Tutsi, it is fear. You must all come to believe that the security of the one depends on the security of the other.

The time has come to put an end to the mistrust that divides leaders and communities. The time has come to banish the spirit of confrontation which has already inflicted such harm upon the country. May Burundi realize at last that no one wins through confrontation, no one wins through violence. For violence only begets more violence in a vicious circle of vengeance and repression. This has, alas, already been tragically demonstrated for us by this subregion of our African continent.

In the name of these ancestral traditions of Africa, Burundi must embark upon the path of the future. In the name of Africa's genuine values, we must reject the exploitation for political purposes of fear and ethnic and clan identifications. We have no right to exploit gullible people or the enthusiasm of youth for reprehensible purposes that are suicidal for everyone.

This year in which we are celebrating the fiftieth anniversary of the Charter of the United Nations, in which we want to highlight the imperative of peace, the imperative of development and the imperative of democratization, we must have the courage to say no to intolerance, no to confrontation, no to exclusion. No to violence.

I have come this evening to tell you that I believe in you, that I have faith in you.

My special representative Mr. Ould Abdalah witness among you to my constant concern to ensure your security and to foster national reconciliation. I should like at this time to pay a tribute to all that he is doing. I should also like to tell you that I place my hopes in the boundless qualities of your people and in the responsibility of its leaders.

Africa is a great continent endowed with wealth, culture and values. We have no right to dishonour the legacy of our ancestors. On the contrary, we are duty bound to ensure the happiness of our children.

I should like, therefore, to assure you of my personal support, and of the support of the international community, to encourage your efforts and at last to lead Burundi to the path of peace and development."

COMMUNIQUE DE PRESSE

UNAMIR NR 95-41 **27 juillet 1995**

LE SECRETAIRE GENERAL A BUJUMBURA, LANCE UN APPEL SOLENNEL A LA RECONCILIATION

L'ennemi du Tutsi n'est pas le Hutu
l'ennemi du Hutu n'est pas le Tutsi, l'ennemi numéro un est la peur

Ci-après le texte du discours prononcé par le Secrétaire général, le 16 juillet 1995, devant les autorités et corps constitués de la République du Burundi :

"Si j'ai tenu à venir aujourd'hui, dans votre pays, m'adresser directement à vous toutes et à vous tous, c'est d'abord en tant que Secrétaire général des Nations Unies!

Pour vous apporter le soutien de la Communauté internationale!

Pour vous dire que vous n'êtes pas seuls, que vous n'êtes pas abandonnés!

Pour vous dire qu'il existe une solidarité dont je veux être, pour vous, le garant!

Mais je suis venu aussi en tant qu'Africain, pour lancer un appel à toutes mes soeurs et à tous mes frères du Burundi! Un appel solennel à la paix, à la tolérance et à la réconciliation!

Nous sommes tous conscients, en effet, que le Continent africain - - et singulièrement la région qui est la vôtre - - vit aujourd'hui l'une des périodes les plus difficiles, les plus tristes et les plus tragiques de son histoire.

C'est tout l'avenir politique, économique, social - - et je dirais humain - - de millions d'hommes et de femmes et d'enfants qui est en cause. Et chacun, ici, doit prendre pleinement toutes ses responsabilités!

Profondément, tous les peuples ont droit à ce que leur vie, leur liberté, leur sécurité, soient garanties. Le peuple du Burundi, lui aussi, a droit à la justice et à la paix. Nous avons, tous ensemble, le devoir de les lui offrir.

Aujourd'hui, vous vivez un régime démocratique en transition où le pouvoir est partagé. Vous avez donc l'impérieuse obligation de rétablir la confiance et la stabilité pour renforcer ce régime et pour encourager la paix. Car, sans la paix, rien de durable ne pourra être construit. Seule la paix facilitera la coexistence et la réconciliation entre les communautés.

Avec votre Constitution adoptée en 1992, avec la Convention de gouvernement approuvée le 10 septembre 1994, vous avez acquis des instruments qui vous permettent de travailler jusqu'en juin 1998. Cette Convention consacre un partage du pouvoir auquel chacun doit s'habituer. Ces cadres juridiques

et conventionnels, approuvés par une vaste majorité de Burundais, appuyés par la Communauté internationale, doivent vous donner le temps nécessaire à la préparation du Débat national, c'est-à-dire à la rencontre de tous pour mettre en place des institutions qui rassureront les uns et les autres et qui mettront fin à la confrontation tragique qui a trop longtemps meurtri votre pays et vos populations.

Il faut donc que vous attachiez une importance prioritaire à la situation des déplacés et des réfugiés burundais. Ils attendent de vous un espoir. L'espoir de rentrer chez eux, sur leurs terres, avec leurs familles et leurs voisins. L'espoir de reprendre le cours d'une vie normale.

En tant que responsables, vous avez un devoir vis-à-vis de votre peuple! Vous avez un devoir vis-à-vis de l'Afrique dans son ensemble! Vous avez un devoir devant la Communauté internationale! Vous avez aussi un devoir devant l'Histoire qui est le juge implacable de tout acte!

Vous le voyez, je veux vous parler avec mon coeur, comme un ami, comme un frère, comme un aîné. Je veux vous parler comme un Africain qui parle à d'autres Africains.

Je sais mieux que personne que l'Afrique est aujourd'hui un Continent qui souvent déconcerte le monde. Car il donne sans cesse à la Communauté internationale des raisons d'osciller entre espoir et désespoir et découragement et encouragement.

Parmi les facteurs qui entravent le développement de l'Afrique, il y a - - nous le savons tous - - l'insuffisance des infrastructures, la faiblesse des institutions, la mauvaise utilisation des ressources humaines, les fluctuations défavorables des termes de l'échange, le poids de la dette.

Depuis des années, le système des Nations Unies tente de surmonter ces difficultés et de favoriser le développement de l'Afrique. L'ensemble de ces institutions et programmes multiplie les actions en ce sens. Le PNUD, le HCR, l'UNICEF, le Programme alimentaire mondial, la Commission économique pour l'Afrique et la plupart des institutions spécialisées s'emploient inlassablement à apporter une assistance technique, financière et humanitaire en faveur du Continent.

Depuis que j'ai été élu à la tête de l'Organisation des Nations Unies, j'ai toujours considéré l'Afrique comme l'une de mes priorités absolues.

Il y a seulement quelques semaines encore, à Genève, devant le Conseil économique et social réuni pour aborder les questions du développement pour l'Afrique, en présence des chefs de la Banque mondiale et du FMI, j'ai tenu à rappeler fermement que l'Afrique est un objectif prioritaire pour l'ONU.

Et, au moment même où la Communauté internationale a principalement les yeux tournés vers le conflit de l'ex-Yougoslavie ou en Amérique centrale, j'ai voulu, par ma présence parmi vous, vous montrer combien vos difficultés et vos souffrances constituent mon souci constant et ma profonde préoccupation.

Mais nous devons être conscients que le développement de l'Afrique est fortement entravé par son instabilité politique.

Le Continent africain est encore trop souvent le terrain d'affrontements ethniques et de guerres civiles qui ajoutent à la misère économique et au sous-développement.

A la fin de l'an dernier, l'Afrique comptait près de 7 millions de réfugiés et environ de 2 millions de personnes déplacées, ce qui est le chiffre le plus considérable du monde.

Or nous savons tous que l'instabilité institutionnelle et politique, les tensions persistantes, les affrontements incessants sont des obstacles majeurs au développement.

En effet, s'il ne peut y avoir de paix sans développement, il ne saurait y avoir non plus de développement durable sans paix. Les conflits contribuent à engendrer la pauvreté et, de son côté, la pauvreté est un incontestable facteur de conflit. Il faut absolument rompre ce cycle infernal.

Rien ne sera donc possible si les Africaines et les Africains ne prennent pas en charge eux-mêmes leur destin. A cet égard, j'attache une importance considérable au rôle que doit jouer l'Organisation pour l'Unité Africaine et que peuvent jouer les institutions régionales pour favoriser la sécurité de l'Afrique et j'entends renforcer la coopération entre les Nations Unies et ces institutions africaines.

En effet, il est essentiel que les Africains apprennent à tirer d'eux-mêmes, de leur civilisation ancienne, de leur culture profonde, de leur sagesse ancestrale, les moyens d'assumer leur destin collectif.

C'est à vous tous d'être fidèles à la véritable tradition africaine qui est à l'opposé de toutes les violences dont nous avons été - - et dont nous sommes encore - - les témoins.

L'Afrique n'est vraiment elle-même que lorsqu'elle se nourrit de cette longue tradition de tolérance et de dialogue qu'elle porte au plus profond d'elle-même.

Soyons donc dignes de l'Afrique! Dignes d'être des Africains!

Pour cela, il faut affronter la réalité avec courage, avec lucidité et imagination politique!

Il faut que chacun arrive à vaincre ses propres démons!

Il faut que chacun terrasse les puissances maléfiques de l'ombre afin de faire triompher les forces de la lumière!

Ce combat, c'est d'abord au fond de lui-même que chaque Burundais doit le mener. Car aujourd'hui, l'ennemi numéro un des Burundais est la peur! L'ennemi du Tutsi n'est pas le Hutu, mais la peur! L'ennemi du Tutu n'est pas le Tutsi, c'est la peur! Il faut que chacun puisse désormais se convaincre que la sécurité de l'un dépend de la sécurité de l'autre!

Il est donc temps de mettre fin à la méfiance entre dirigeants et entre communautés!

Il est temps d'abandonner cet esprit de confrontation qui a fait tant de mal au pays.

Que le Burundi prenne enfin conscience que personne ne gagnera par la confrontation, que personne ne gagnera par la violence! Car la violence ne peut que perpétuer la violence à travers le cycle infernal de la vengeance, de la répression, puis à nouveau de la vengeance. Cette sous-région de notre Continent africain nous l'a, hélas, déjà tragiquement démontré!

C'est au nom des traditions ancestrales de l'Afrique que le Burundi doit prendre le chemin de l'avenir.

C'est au nom des véritables valeurs de l'Afrique qu'il nous faut refuser l'exploitation à des fins politiques de la peur, de l'ethnocentrisme et du clanisme.

Nous n'avons pas le droit d'exploiter des populations crédules ou l'enthousiasme de la jeunesse dans des buts coupables et qui s'avèrent suicidaires pour tous.

En cette année où nous célébrons le Cinquantième anniversaire de la Charte des Nations Unies et où nous voulons exalter l'impératif de paix, l'impératif de développement et l'impératif de démocratisation, il faut que vous ayez le courage de dire : Non à l'intolérance! Non à l'affrontement! Non à l'exclusion! Non à la violence!

Je suis venu vous dire aujourd'hui que je crois en vous, que j'ai confiance en vous.

Mon Représentant spécial, l'Ambassadeur Ould Abdalah, témoigne auprès de vous de mon souci constant d'assurer votre sécurité et de favoriser la réconciliation nationale. Et je veux ici rendre hommage à son action.

Je veux aussi vous dire que je mets mon espoir dans les qualités immenses de votre peuple et dans la responsabilité de ses dirigeants. Je vous annonce la formation de la Commission d'enquête internationale qui est demandée par la Convention de gouvernement.

L'Afrique est un grand continent porteur de richesses, porteur de culture, porteur de valeurs. Nous n'avons pas le droit de flétrir l'héritage de nos ancêtres. Nous avons, au contraire, l'impérieuse obligation d'assurer le bonheur de nos enfants.

Je veux donc vous assurer de mon appui personnel, de l'appui de la Communauté internationale pour encourager vos efforts et amener enfin le Burundi sur la voie de la paix et du développement!"

SUBJECT: BROADCAST BY RADIO AMAHORO

1. Kindly refer to your SITREP 06 Sep 95 regarding broadcast by Radio Amahoro spreading disinformation among the refugees in Zaire.

2. It has been reported that ' Radio Amahoro' has become active in spreading disinformation among the refugee camps in Zaire in order to discourage them from returning back to Rwanda.This is highly detrimental to our efforts. However Radio Amahoro is a registered broadcasting company formed by some NGOs ,HR and some other agencies. Hence such an allegation against Radio Amahoro is serious matter. Hence it is important to ascertain whether the broadcast involved is Radio Amahoro or some other scrupulous agency operating it.

3. Radio Amahoro operates as follows:

(a) Africa 1 between 1900-2000 hrs on 31 m band on SW at 9.790 KHz.
(b) Voice of Peace between 1600-1700 hrs on 31 m band on SW at 9.560 KHz.

4. The reported broadcast seems to be more active on Sat and Sun.

5. In light of above please find out the following:-

(a) Is it being broadcast by Radio Amahoro?
(b) Who is transmitting it?
(c) What is being broadcast? Tape recording could be very useful.
(d) When is it being broadcasted?
(e) Likely location of broadcast.

THE REPORT SHOULD TRY TO ANSWER THE "5WH" QUESTIONS (WHO, WHAT, WHERE, WHEN, WHY AND HOW) ALTHOUGH TIMELINESS IS MORE IMPORTANT IN THIS REPORT THAN COMPLETENESS. WHEN FURTHER DETAILS AND ANSWERS ARE LEARNED, TRANSMIT THOSE THROUGH A SUPLEMENTARY INFORMATION REPORT. PLEASE USE A CONTROL NUMBER FOR EACH REPORT TO AVOID CONFUSION BETWEEN DIFFERENT OR SIMILAR EVENTS.

D. UPON LEARNING MORE ABOUT A SPECIFIC INCIDENT. SUPPLEMENTARY INFORMATION REPORT. THIS REPORT WILL FOLLOW YOUR INFOREP WITH GREATER DETAIL AND AN ASSESSMENT, IF POSSIBLE. YOU MAY SUBMIT ANY NUMBER OF SUPINFOREPS FOR A GIVEN INFOREP. REMEMBER TO BALANCE TIMELINESS WITH COMPLETENESS.

REPORT OF MEETING HELD IN KAMEMBE REGARDING INCIDENTS CONCERNING MALAWI COMPANY AND THE RPA

REFERENCE: SPECIAL SITREP NO 1 OF 04 AUG 95

GENERAL

1. A Meeting was organised in the office of Maj Wilson, the Local RPA Battalion Commander, to discuss the various issues regarding the subject incident. The meeting was held from 0930 to 1230 hours on 06 Aug 95 and was attended by :-

(a) MILOBS Sector Commander.

(b) Incoming Company Commander of the MALAWI Company and the outgoing Officiating Company Commander, who was officiating during the events of 04 Aug 95;

(c) The Préfet of Cyangugu;

(d) RPA Battalion Commander;

(e) The Local Chief of the Gendarmerie;

(f) RPA representative from RPA HQ Kigali; and

(g) RPA Liaison Officer.

2. Points put forward by the RPA Battalion Commander. The RPA Battalion Commander felt that the shooting incident of 04 August 95 was not isolated but the result of a built up of a

Acting Sector Commander

series of other incidents. These are given below, as described by the RPA Battalion Commander:-

(a) 23 July 95. In Kagano Commune, a MALAWI Company vehicle apparently had an accident with the driver and other soldiers drunk.

(b) 03 Aug 95.

(1) At about 0900 hours, a Land Rover of the MALAWI Company, commanded by a Lieutenant, created a disturbance in Kamembe Market with a drunken driver refusing to pay for his liquor. The local RPA Battalion Commander himself intervened and escorted the vehicle upto the RPA permanent Check post. The vehicle apparently almost crashed into the road block. On the RPA Battalion Commanders instructions, the driver was physically removed from the wheel by the MALAWIANS and the vehicle despatched to Shagasha Camp.

(2) Subsequently the RPA Liaison Officer came to the MALAWI Company and spoke to one of the officers regarding the behaviour of the soldiers due to the non availability of the Company Commander.

(c) 04 Aug 95. Reference this HQ Special Sitrep mentioned above, in addition the RPA Battalion Commander said that his office and residence had been surrounded by two APCs and troops with weapons deployed. Subsequently the troops left on learning that he was not available. He went on to describe exactly how the troops and weapons were deployed.

(d) 05 Aug 95. After the incidents of 04 Aug 95, a group of MALAWI Company soldiers apparently moved by taxi to Kamembe market in civilian clothes and proceeded to a local bar. At about 2030 hours they allegedly stole 1500 Rwandan Francs from the bar owner. and tried to forcibly smuggle a girl back to Shagasha camp in MALAWI Army uniform. It is also alleged that they were claiming that they would burn Kamembe, beat up the RPA so that the FRGF returns and seriously engages the RPA.

3. The RPA Battalion Commander claimed that he could relieve the MALAWI Company of their weapons any time after 2000 hours as they are all drunk by then. He insisted repeatedly that :-

(a) The Officiating Company Commander responsible for command of the company from 03 to 05 August 95 explain why he ordered his troops to surround his office and and residence.

(b) He also explain his intentions and orders to his officers and men.

(c) Explanations or clarifications from any concerned repatriated personnel could be obtained in writing if need be.

Points put forward by the Prefét

4. The Préfet opined that as Cyangugu is an unstable border Prefecture, there could easily be an accident of mistaken identity wherein MALAWI Company soldiers creating a disturbance in the town in civilian clothes could be shot at/ hurt thinking them to be bandits. He requested the new Company Commander to exercise control over the behaviour of his troops.

Points Brought out by Outgoing Company Commander of the MALAWI Company.

5. In response to the insistence of the RPA Battalion Commander for an explanation of events of 04 Aug 95, he explained that :-

(a) He sent one APC with 4-5 soldiers under a Lieutenant to meet the RPA Liaison Officer to try and sort out the situation.

(b) Another APC with 4-5 soldiers under the Medical Officer was sent to look up the soldiers in the hospital.

(c) He did not clarify how these troops and vehicles had arrived at the residence/ office of the RPA Battalion Commander.

(d) He stated that he reacted to the unspecific information that two of his men had been shot in the town by the RPA and was not sure of the exact details of what had happened in the town.

(e) As to events of 23 Jul, 03 Aug and 05 Aug, he did not comment.

Points Brought out by the MILOBS Sector Commander.

6. The Sector Commander highlighted the following aspects:-

(a) The matter had been reported in detail to the DFC and the Force HQ.

(b) The individuals guilty of escalating the situation of 04 Aug had been identified and reported to the Force HQ.

(c) The reaction of the RPA for firing on the Malawi soldiers for a traffic offence was soldiers was unwarranted. The RPA claims that only one soldier was responsible for the firing and that the wounds were from ricochets off the ground did not match the investigations conducted on 04 Aug 95. He advised the RPA Battalion Commander to carry out a thorough investigation on the matter.

(d) The situation was escalated unnecessarily by both the RPA and the MALAWI Company. The RPA have been responsible for escalating the situation initially by the shooting of the soldier. The MALAWI Company also contributed to the escalation by sending armed troops to the town and the RPA Battalion Commander's office.

(e) The new MALAWI Company Commander should start afresh. He advised the new

Company Commander to take strict measures to ensure no further incidents arose. He recommended that if need be, the town should be placed "Out of Bounds"" for the troops.

Conclusion.

7. The RPA Battalion Commander concluded that as there was a command failure in the MALAWI Company, strict action must be taken by UNAMIR against the commanders responsible for taking no action on all events building up to the shooting and the wrong order passed in ordering troops to surround his office/residence.He however appreciated the role of the MILOBS in difussing the tense situation on the 04 Aug.

8. The MILOB Sector Commander thanked all present in the meeting for revieing the situation arising after the incidents of 04 Aug and strive to continue to work in cordial manner as hithertofore.

SUBJECT : COMMENDATION HELICOPTER PILOT- MR ALYING HAUKENESS

DATE: 9 Aug 95

1. The Sector Commander and all Milobs of Sector 5C Kibuye would like to recognize the excellent helicopter support provided by Mr Alying Haukeness and Canadian Helicopters Inc.

2. On Friday 4 Aug 95, Mr Haukeness piloted a helicopter to Kibuye on a routine trip to transport Milobs to Kigali. At the pickup zone the Milobs asked the pilot if he would take them to an investigation site were 13 people had recently been killed. This site was north of the normal flight route in the Kivumu commune near the Mukura Forest. The pilot flew to the investigation site and was very helpful and cooperative in placing Milobs on the ground where the investigation and photos could be completed. It was important to gain evidence quickly before this site could be disturbed. Mr Haukeness was concerned about the safety of the Milobs on the ground and he maintained areal observation over the site while the Milobs were deployed. After the investigation was completed Mr Haukeness used the helicopters positioning system to determine the exact location of this site. He then flew the Milobs to Kigali.

3. Mr Haukeness displayed excellent flexibility, cooperation and dedication to duty. He acted in a calm, professional manner throughout the mission despite some concerns over fuel consumption and an unknown threat from FOD and people on the ground.

4. Mr Haukeness and Canadian Helicopters Inc are to be commended for the excellent professional service and outstanding dedication to duty. Thank You.

SUBJECT: CONVERSION OF STAFF OFFICERS TO OBSERVERS	
ATTN: DCOS, CMPO	**ROOM NO:** 3650 **EXT:** 3721
TOTAL NUMBER OF PAGES TRANSMITTED INCLUDING THIS ONE: 1	

1. IN REFERENCE TO YOUR FAX NO. 5643 OF 08 AUGUST 95, THE IDEA TO CONVERT STAFF OFFICERS TO MILITARY OBSERVERS WAS TO MAKE UP FOR THE SHORTFALL IN THE NUMBER OF MILOBS IN THE MISSION.

2. HOWEVER, WE HAVE SINCE INDUCTED 17 OBSERVERS FROM UNOMIL, AND THIS BRINGS THE STRENGTH OF MILOBS IN THE MISSION TO 323, 3 ABOVE AUTHORIZED STRENGTH. 14 CANADIAN OBSERVERS WILL BE DEPARTING NEXT WEEK AFTER COMPLETION OF THEIR TOUR OF DUTY WITH UNAMIR, THE GOVERNMENT OF CANADA HAS ALREADY INDICTED THAT THESE OBSERVERS WILL NOT BE REPLACED. THE NUMBER OF OBSERVERS WILL THEN FALL TO 313, 7 BELOW STRENGTH.

3. THERE IS A POSSIBILITY OF REDEPLOYING TWO MORE OBSERVERS FROM UNOMIL TO UNAMIR, AND ETHIOPIA HAS BEEN OFFERED 5 SLOTS FOR MILOBS IN UNAMIR. IF THEY ACCEPT THE OFFER, AND TWO OBSERVERS ARE REDEPLOYED FROM UNOMIL TO UNAMIR, THE NUMBER OF OBSERVERS WILL BE 320, WHICH IS THE AUTHORIZED STRENGTH.

4. IN VIEW OF THE ABOVE, IT IS NOT POSSIBLE TO CONVERT THE STAFF OFFICERS TO OBSERVERS AT THE MOMENT.

BEST REGARDS.

1. It has been noticed that some soldiers from all ranks, do not hesitate to invite local girls to their compounds. This practice has reached such a high level, that the security of troops is threatened and the image of UNAMIR is being tarnished. As it may be known, the behaviour of a peacekeeping force particularly the respect of local customs and culture and the compliance of the host nation, is a prerequisite to achieve the objectives of the mission.

Office of the Spokesman

PRESS RELEASE

UNAMIR NR 95-42 **1 August 1995**

AUSTRALIAN UNAMIR PERSONNEL ASSAULTED

A group of five UNAMIR personnel from the Australian Medical Corps garrison (AUSMED) was today at 09:20 a.m. assaulted by RPA soldiers, on the apparent suspicion that the UNAMIR landrover carrying the group had tried to cut into an RPA escort of the presidential motorcade. The AUSMED vehicle was en route from its garrison to Kigali International Airport. The Australians were arrested and subjected to verbal and physical abuse. Two of them sustained injuries.

Thanks to the intervention of an RPA Major, the Australians were set free and their impounded vehicles as well as weapons released. The unfortunate incident was a serious violation of the Status of Mission Agreement (SOMA) signed between the United Nations and the Rwanda Government. However, according to initial findings, the incident arose from the over-zealousness of some RPA soldiers and was not a case of pre-meditated assault.

For more information, please contact the Office of the Spokesman in Kigali: phone: 84266 ext.: # 11075 or 11124 or 11066.

Subject: FC VISITS TO UNITS

---

1. The attached calendar provides a schedule for the Force Commander's visits to UNAMIR Units during the month of August. The Force Commander remains very interested in getting a "hands-on" perspective of what the soldier does daily. Please note that UNAMIR Medals Parades which are known at the time of publishing, now appear on this schedule as well.

2. For the Wednesday visits, the duration of the stay will be two to five hours, and will normally start with his arrival at the Unit location at 10.00 hrs. The Friday visits tend to be less formal and each unit should anticipate that the FC will want to spend about 60 minutes at your location. The first unit will be visited at approximately 14.00 hrs. Security details will be finalized in advance but in most cases, one of the FC's vehicles with his Close Protection party will be dispatched to provide local transport. Space limitations within the vehicle will preclude all local dignitaries. Thank you for your cooperation in ensuring that each visit is well arranged between the ADC/FC at UNAMIR extension number 11008 and your Visit Coordinator.

3. Unit Photographers are encouraged to record, in a tasteful manner, the visit of the Force Commander on film and/or on video tape. If possible, key photographs of the visit should be passed back to UNAMIR HQ for inclusion in a commemorative album.

4. Your help and cooperation in preparing for the Commander's next visit to your loction is appreciated. Detailed itineraries for each visit should be coordinated between the Unit Visits Officer and the ADC to the FC no later than 48 hours in advance. We are looking forward to our next "rendez-vous".

SUBJECT: **FUNERAL DONATION**

1. It has been the practice of Ghanaian MILOBS to present cash donations to their counterparts who are bereaved while serving in the mission area. In Feb and Apr 95 the death was reported of the fathers of Flt Lt Essuman and Maj Nyaka respectively. May their souls rest in peace.

2. Even though the officers did not travel home for the burial, it is believed a portion of their dollars were "repatriated" to represent them. Thirty-three Ghanaian MILOBS including Brig-Gen Anyidoho have contributed an amount of $ 660.00 to be shared equally among the bereaved officers. Maj Nyaka and Flt Lt Essuman are by a copy of this letter informed to contact the undersigned for an amount of $ 330.00 each as our funeral donation.

3. On behalf of the CONTICO, I wish to thank all Ghanaian MILOBS for their generous contribution. We pray that, the Almighty God will protect us and our families from death's icy hands.

1. Refuelling Point. After Malawi Coy departure there will be no refuelling point available to refuel Milobs vehicles. There is an area near our future office at Golf Eden Roc Hotel where we can store drums of fuel and use a hand pump.

Weekly fuel consumption for a generator set is about 100 lts and for Milobs vehicles is about 100 lts per each and no more than 6 vehicles are present in the Sector. For vehicles' 2 weeks emergency and non-touchable stores we need 6 drums of fuel. I suggest fuel to be delivered to Kibuye every other week.

Also we have for emergency two small Robin generator sets and need 1 drum of gasoline for them.

2. Tyres repair. There is a small workshop in Kibuye town where flat tyres of Milobs vehicles can be repaired. It belongs to the Ministry of Public Services. Detailed description of this workshop will be sent later.

3. Communications. One INMARSAT link is established and we have one fax machine and one telephone line, 1 radio base station and 6 handhold Motorola sets. Sector needs 8 more Hand held MOTOROLA sets and 4 chargers.

We'll face a problem with Comm equipment after Malawi Coy leave Kibuye. INMARSAT line will be available but we prefer to have here if possible the equipment to speak to and send facsimile messages to Kigali. Especially we are interested in fax machine.

Also we would like Signal Det to be in Kibuye town to maintain communications.

4. Interpreters. Presently we have three interpreters working in Sector 5C, two of them are hired by B & R and one by UNAMIR. Unfortunately this UNAMIR hired lady-interpreter doesn't speak French good enough to communicate with Francophone Milobs.

You are requested if possible to replace her for English-French-KenyaRwanda speaking interpreter.

5. Office accomodation. On 3 July 95 the contract between UNAMIR and Kibuye prefecture concerning Milob HQ office accomodation at Golf Eden Roc Hotel was supposed to be signed in Kigali. But now we have no neccessary information.
