1. I refer to your code cable 3076 of 30 August 1995 in which you proposed that Conde accompanies and assists Ambassador Jose Luis Jesus on the above mission.

2. I should like, however, to revert to your earlier conversation with Riza regarding Mr. Ismail Diallo. Diallo has now confirmed his readiness to interrupt his leave to join the mission of Jesus. The mission will accordingly start in Addis Ababa where Jesus is expected to arrive on 6 September. Arrangements for Diallo's travel will be made in New York.

3. I am very grateful to you for the cooperation you have shown in this matter. Your recommendation that Jesus puts Rwanda towards the end of his tour has been noted and he has accordingly amended his itinerary.

With best wishes.
