30 April 1964

To : Mr A. W. Cooper, Chief, Purchasing and Supply Section

From : Roger Polgar, Acting Chief Administrative Officer

Subject : Disposals - Elisabethville

Kindly refer to your memorandum 520/2/5 dated 30 April 1964.

You are hereby authorized to dispose of general stores, supplies and scrap in the Base Ordnance Sub Depot and Supply Depot, Elisabethville, in the way mentioned in the above memorandum.

I am also in agreement with your action regarding armoured fighting vehicles.

As for vehicles, the general policy has been stated in a letter to the Prime Minister from the Officer-in-Charge, No. C/ADM/520/2/5 of 29 April 1964, so you are authorized to dispose immediately of non-runner vehicles by public tender. However, I would like to draw your attention to a confidential memorandum dated 29 April 1964 to Mr Nashashibi, a copy of which is attached, which states that preference should be given to Provincial Authorities over private buyers and would appreciate your acting accordingly.

Subject : Disposal of surpluses

Attached to one of the recent ARs from New York was a copy of Headquarters Property Survey Board Meeting minutes. One item was the possibility to sell to staff members surplus typewriters at a given price.

I should like you to investigate the possibility for ONUC staff members to buy surplus vehicles at assessed values in hard currency, thus helping the staff members to solve their transport problems and also facilitating the disposal of surpluses.
