Dear Mr. Secretary-General,

I have the honor to heartily congratulate you on your 60th anniversary on behalf of the Association of Former International Civil Servants (AFICS, Moscow). We are watching with a great appreciation your meritorious activities and outstanding achievements as the UN Secretary-General and we wish you inexhaustible vigor and inspiration for the benefit of the world community.

Sincerely yours,

Viacheslav Ustinov
President of AFICS

MESSAGE TO THE SECRETARY-GENERAL

If a man's achievements are measured by what he gives back to his fellow human beings, two lifetimes would not be enough for most people to match what you have already done. What gives us joy is knowing that there are so many more years to come, in which so much more will be achieved. As we send you our warmest wishes on this day, it is in gratitude at having had the opportunity to share part of an extraordinary life. Happy birthday, Secretary-General. Our very best wishes also to Mrs. Annan and the children.
