Dear Mr. Secretary-General,

CONDOLENCE & COUNTER-TERRORISM SUPPORT OFFER

It is with heavy hearts that we all at El-Yah-Agla Nigeria Limited and our partners condole H. E. Ban Ki-Moon and the families of those who lost loved ones and those wounded at the unfortunate Abuja bomb incidence of Friday August 26, 2011. May the gentle souls of the departed rest in perfect peace.

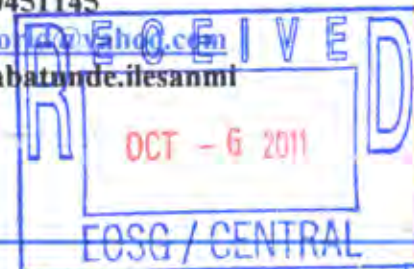

2. We hereby suggest to H. E. thus: (i) the UNODC should be empowered to recruit experienced ex-servicemen/ex-servicewomen and young men and women worldwide; train and arm them in counter-terrorism protection training; for the effectively protection of all UN facilities worldwide. They should replace the current lousy and un-armed contract private security outfits hired by the UN. El-Yah-Agla Nigeria Limited offers to help the UN to mobilize adequate funding for this from stakeholders worldwide; (ii) Access to all UN facilities worldwide should be reinforced; (iii) Our French partners: Boislandry Consulting, URL: www.boislandryconsulting.com and Conseils Securite Services, (Please see second attachment), who have an in-depth knowledge of decoding Al-Qaeda and other terrorists groups worldwide, can help the UN in the areas of terrorists decoding, deciphering of terrorists local networks, intelligence, security analysis, auditing vulnerabilities regarding UN properties and staff worldwide, facilities access security reinforcement, and close protection training for UN security operatives. We shall be very proud to help keep the United Nations facilities and staff absolutely safe worldwide, so as to, prevent the repeat of attacks similar to the Abuja suicide bomb attack elsewhere in the world in future.

Yours sincerely,

Samson Babatunde Ilesanmi
