H.E. Mr. Ban Ki-moon
Secretary-General of the United Nations

Dear Mr. Ban Ki-moon

I'm writing this letter to bring to your kind attention that The Arab Women Organization was surprised to the news indicating that Rabbi Col. Eyal Karim, has been chosen as the Israeli military's new chief rabbi.

Rabbi Karim, earlier stated the following outrageous declaration "soldiers were permitted to commit acts of rape to Arab women during wartime to boost the soldiers' morale".

The Arab Women Organization is totally outraged with such thinking and belief of rabbi Karim against women, which constitutes a defiance to all the UN treaties and the humanitarian law particularly security council resolution 1325.

I hope that you can take the proper action against this case with the responsible authority in Israel

We appreciate to receive an answer to this letter.

Sincerely,
Ambassador Mervat Tallawy
M. Tallawy
Director General of
Arab Women Organization
