26 October 1945

TO: Richard R. Brown

FROM: Leonard L. Henninger

SUBJECT: Situation with reference to the Jewish organizations sending representatives to the U.S. Control Zone Germany under the UNRRA-Military agreement.

All three of the organizations now have representatives in Germany or enroute thereto. The following shows the status of each of the 12 individuals nominated by the agencies:

American Jewish Committee

Louis Neilkrug	Sailed week ago.
Herman A. Gray	Sailed week ago.
Max Gottschalk	Belgian national, now in Paris
Ernest C. Steifel	To be released from Army in few days

Jewish Labor Committee

Paul L. Goldman	Sailed 24 Oct.
William Wolpert	Sailed 24 Oct.

American Jewish Conference

Alfred Fleishman	Left U.S. about 2 weeks ago.
Samuel L. Sar	Left U.S. about 2 weeks ago.
Hans Lamm	Advice several days ago indicated passport not yet issued.
Hershel Schacter	Awaiting passport.
Horace Marston	Awaiting passport.
Sylvia Neulander	Awaiting passport.

The latter three persons were recently proposed by the American Jewish Conference to complete their representation, the three individuals not having been available at the time the initial three were proposed. ERO was advised of the designation of the latter individuals in our cable 5866, 18 October. The War Department notified Military authorities at or about the same time. The American Jewish Conference is naturally anxious that these three individuals be cleared as quickly as possible in order that they may join their colleagues with as little lapse of time as possible.

About two weeks ago, the Jewish Labor Committee approached me with a proposal to add another representative to their delegation. I suggested that they give careful consideration to this matter in view of the representation which they already have, the difficulties of providing transportation and facilities in Germany, and other considerations. To date we have had no formal request for an addition to their delegation, and I believe that they may have reconsidered their informal proposal.
