Note to Mr. Nambiar

Re: Request for meeting with SRSG Jean Arnault (UNOMIG)

1. Mr. Jean Arnault, your Special Representative for Georgia, plans to travel to New York from 9 to 11 April. He intends to introduce the Secretary-General's report on the situation in Abkhazia, Georgia, and brief the Security Council on 10 April.
2. SRSG Arnault requests a meeting with the Secretary-General. We support his request. It would be a good opportunity for the Secretary-General to meet Mr. Arnault and hear his assessment of the situation in the Georgian-Abkhaz conflict. We would, therefore, be grateful if such a meeting could be arranged.
