Is what your Mother must  
 have said, Dear Kati -  
 and how right she would  
 have been -  
 The heart's express our  
 heart full good wishes on  
 this your day as well as  
 every other day of this  
 special name year -  
 May God Bless you  
 love -

David  
 A full-hearted by second the  
 motion; however I propose  
 an amendment whereby the  
 wishes are not limited to  
 one year but go for  
 the decade.

The little thought (small parcel) is for  
 Nane.

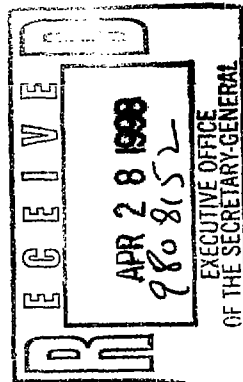

Whenever one of our grandchildren has  
 a birthday each of the others receives  
 a small gift too - no jealousy!  
 Be love you both!

Claude

P.S. Don't know Nane's birthday!
