FROM FORCE COMMANDER FOR GARDINER/JACOB (.) I HAVE HAD A DISCUSSION TODAY WITH MOBUTU AND LUNDULA (.) THERE SEEMS TO BE LITTLE OR NO FOUNDATION FOR THE HUMOUR TO THE EFFECT THAT MOBUTU'S LIFE WAS IN DANGER (.) I SHALL ELABORATE IN DETAIL ON THIS MATTER ON RETURN TO LEO (.) AT THE MOMENT THE SITUATION IN AVILA IS COMPLETELY CALM (.) MOBUTU AND LUNDULA ARE CLOSEST OF FRIENDS AND THERE IS LITTLE EVIDENCE OF HOSTILITY AS BETWEEN THEIR RESPECTIVE TROOPS (.) WE HAVE DISCUSSED THEIR IMMEDIATE PROBLEMS IN NORTH KATANGA AND WHAT I STATED ON MONDAY IN MY MEMORANDUM TO YOU HAS BEEN STRONGLY REINFORCED IN THE COURSE OF THE MEETING (.) THEY HAVE VIRTUALLY NO PLANS AS TO WHAT THEY ARE LIKELY TO DO AT THE TACTICAL LEVEL AND EVEN ON THE LOGISTICAL LEVEL THEY HAVE ONLY A VERY VAGUE IDEA AS TO HOW THEIR TROOPS ARE TO BE SUPPLIED (.) THIS AGAIN REINFORCES WHAT I HAVE STATED TO YOU ON MONDAY LAST (.) IT IS MY INTENTION TO RETURN TO LEO TOMORROW MORNING UNLESS ADOULA IS ABLE TO COME HERE ON THE SAME DATE WHEN AS A MATTER OF COURTESY I THINK I SHOULD MEET HIM (.) THERE IS NO DOUBT BUT THAT WE SHALL HAVE TO TAKE SOME PART IN THE SUPPLY AND MAINTENANCE OF THE ANG TROOPS IN NORTH KATANGA (.)

Mr. R.K. Gardiner, Officer-in-Charge ONUC

Lt. Gen. S. Mac Eoin, Force Commander

Reference your questions on Kongolo of this date, I append hereunder the following replies:

Question 1

We have little indication that there was, in fact, any fighting between ANC and Gendarmerie at Kongolo. We have reports of Kongolo being attacked by mortar fire and attacked from the air, neither of which has been substantiated so far. We do not, as yet, have positive information as to whether the ANC have actually withdrawn from Kongolo or that the Gendarmerie have entered it. Our reports are based on what we can see from the air and those being made available to us from ANC sources. These latter are invariably totally unreliable.

Question 2

What I have said in reply to Question 1 covers this question to some extent. If the ANC did withdraw, I can only assume that they withdrew for the following reasons:

- They are having difficulties in the matter of pay and rations.
- They do not have the will nor are they organised to fight.
- Their leadership is virtually non-existent.

If some mortar bombs were fired on their positions by the Gendarmerie, they probably anticipated that this was the preliminary to a large scale attack, and they took to the bush with all possible speed.

.../...

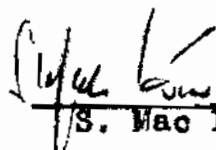

Question 3

We are not certain that the Gendarmerie have as yet entered Kongolo. The information available on this point is most conflicting and of a completely useless character.

Question 4

It is not yet confirmed that Gendarmerie are being supplied by air transport. (Please see Air Recce Report of yesterday). A close aerial watch is being kept on Kongolo, Kolwezi and Jadotville in an effort to detect activity which might provide an answer to this question. The latter part of Question 4 has been dealt with by separate cable of this date, of which you are aware.

I am sorry that the replies to these questions are so vague and inconclusive. We do not have observers on the ground at Kongolo and are consequently dependant on our aerial observation and very unreliable reports from ANC and civilian sources. We are continuing with our efforts to establish if, and in what strength the Gendarmerie are in Kongolo and what has become of the ANC who were, at least until some two or three days ago, stationed there.

Answers to the following questions are required by New York urgently.

Kongolo

1. Has there been any fighting between ANC and Gendarmerie or did ANC simply withdraw as some press reports indicate ?
2. Why exactly did they withdraw ?
3. How and when did Gendarmerie enter Kongolo ?
4. Is it confirmed that Gendarmerie is being supplied by Air Transport, and, if so, what action is contemplated by ONUC in view of standing instructions to react against any offensive military activity by Katanga based aircraft ?

Pakasa

5. Last paragraph of quoted report seems to be inconsistent with order given by Colonel Tashome as indicated in para. 8(b). Did Colonel Tashome receive any word from Léopoldville impressing upon him the importance of holding Pakasa securely?

KONGOLO

①

1. If at all, the ANC may have put up a token resistance before withdrawing, for, reports indicated an exchange of mortar fire on 18/19 Feb. *in attack*
2. There were only four ~~ill~~^{poor} trained lieutenants commanding a seven company strong, disjointed ANC garrison, which was NOT capable of putting up a fight against a better trained force. The Katangese gendarmerie have proved to be forceful fighters.
3. The gendarmerie battalion which was forced to withdraw from KONGOLO in December, owing to lack of ammunition and supplies, never did go very far. It was entrenched in MBULULA area, about 70 kms away by road. Once they received the ammunition and supplies, they must have simply marched back to KONGOLO.
4. It is confirmed that gendarmerie is being supplied by air transport. A DC-4 aircraft was seen off-loading at the airfield on 20 Feb and tracking its movement, it was established as having come from KOLWEZI. Besides, since the gendarmerie battalion was completely cut off, it could only have been supplied by air.

②

This Branch has NO confirmation of the exact date but it appears ^{it may} that, 18/19 Feb.

KONGOLO

1. On 18th night, I received reports from DC and Assistant DC Albertville that Kongolo had been attacked on 16th evening, and had fallen to Gendarmerie by 1130 hours 17th morning.
2. Mr. Sendwe left Kabalo by ship for Myumba on 16th, from where he reached Manono 16th evening.
3. I reached Manono 17th morning, when Mr. Sendwe was addressing a public meeting.
4. Since at that time there was no news at all of the attack on Kongolo, it is difficult to believe that the attack was actually launched on the 16th.
5. The report made by the DC Albertville on 18th night struck me as being based on rumours. I therefore asked for the actual signals he had received, which were given to me on 19th morning. There was a big difference in the information given at night and what was contained in the signals. For example, on 18th night it was reported that over 1500 Gendarmes had attacked Kongolo. The signal, however, mentioned unspecified number.
6. The major in command of ANC at Albertville, when asked by me on 19th morning, stated that he had no news, that Kabalo was very quiet, and he had heard rumours about Gendarme attack on Kongolo. He again confirmed that Kongolo and Kabalo were still in ANC hands.
7. I also checked up through the CFL, who gave me an independent report that Kabalo and Kongolo were safe and in ANC hands on the 19th morning.
8. This same source again confirmed that Kongolo and Kabalo both were in ANC hands on 20th morning. Kabalo had never been threatened ~~xxxxx~~ and in fact, the CFL train for Kabalo was ready to leave Albertville.
9. On 20th at about 1400 hours, Major Lawson came to my Headquarters after having flown over Kongolo. He reported that he had seen no Gendarme activity in Kongolo, and the respective ground dispositions of ANC and Gendarmes around Kongolo were the same as he had been noticing for over a month now. Before leaving for his flight over Kongolo, he had arranged with a priest in Kongolo to fire off a signal rocket to indicate to him if things were all right and quiet, and the priest had done so as he flew over yesterday (20th).

.../...

10. Major Lawson reported that Gendarmerie position was at Mbulula, approximately 16/17 kms east of Kongolo, with an advance post about 30 kms from Kongolo on the road Kongolo/Kabiya/Maje. Another post was in area east of Kitule, south of Kongolo.
11. In view of the above, I find it difficult to believe that Kongolo had fallen to the Gendarmerie, at least until yesterday evening.
12. Yesterday we contacted an ANC soldier who had reached Albertville from Kabalo. According to him, there has been no fighting in Kabalo and everything is quiet. He stated that on 16th, 12 ANC soldiers from Kabalo deserted and moved off to the north. They ran into a Gendarmerie position east of Kitule and were told to sit down, as Gendarmes had taken them prisoners. After some time, they tried to escape, when the Gendarmes fired at them, killing 2 and injuring 4. The remaining 6 escaped, out of which one or two did not get back to Kabalo. According to this ANC soldier, this is the only fighting reported around Kongolo.

ANC Desertions

13. From reports received in Albertville, I have reasons to believe that large-scale desertions have taken place from the ANC in North Katanga. Main reasons for this are non-payment to the ANC troops and the hardships which their families in Stanleyville are suffering. As an example, out of the 100 odd ANC (Stan) troops that were in Albertville, today there are barely 2 sections left. When I enquired from the officer in command where the rest had gone, he merely shrugged his shoulders and would not give me any definite answer. Similar reports of ANC desertions from Kabalo and Kongolo also keep on trickling in to my Headquarters in Albertville. On 18th night, 150 ANC troops from Kapona area were supposed to arrive in Albertville by road, and move off to Kabalo by train. The train has been waiting there for the last two days, but no ANC troops have come from Kapona. On 19th morning, the ANC major in Albertville told me that these troops had refused to leave from Kapona because they had not been paid.
14. In Albertville, the DC and Mr. Sendwe have recruited 400 men for local ANC, who do not come under command of Stanleyville ANC. Even these are not being paid and about a week ago, they staged a demonstration in Albertville which the police tried to put down, and in the event there was hand to hand fighting. We have conveyed to the DC and Ilunga Prosper that this untrained and disgruntled lot of ~~xxx~~ recruits will create no end of trouble unless they are paid

.../...

quickly and kept contented. It is possible that at some future date, there might be a clash between the Stanleyville ANC and this local ANC.

15. It was reported to me that an unconfirmed report indicated that Gendarmes were within 10 kms of Albertville. Detailed air recon was carried out yesterday (20th) all around Albertville on all the approaches, to a distance of 15/20 kms. Except for the known ANC dispositions, no sign was visible of any Gendarmerie activity. I have ordered a recon up to Kapona for today (21st) and the report will arrive in due course.

CONCERNING MY TELEGRAM OF 7 FEB ADDRESSED TO YOU EYE REGRET THE MISUNDERSTANDINGS CAUSED BY MISINTERPRETATION OF THIS TELEGRAM. MY REQUEST NOT TO CONTACT MR SENDWE DIRECTLY RESULTED FROM THE FACT THAT MR SENDWE RECEIVED A TELEGRAM FROM YOU INVITING HIM TO COME TO MANONO AS SOON AS POSSIBLE AND EYE HAD RECEIVED A TELEGRAM FROM FORCE COMMANDER IN LEO FC/397 DATED 5 FEB STATING THAT MR SENDWE WAS NOT AUTHORIZED TO LEAVE AND THAT ONLY MR SHABANI WAS AUTHORIZED TO GO TO MANONO. EYE SENT TO MR SENDWE TO EXPLAIN THE CASE AND HE SHOWED ME YOUR TELEGRAM AND IT WAS VERY DIFFICULT TO CONVINCE HIM THAT HE COULD NOT LEAVE FOR THE MOMENT. CONCERNING MY SECOND REQUEST TO ENSURE THAT NO ONE OPEN THE GEOMINES MAIL WAS BASED ON THE FACT THAT THE LOCAL CONGOLESE AUTHORITIES CENSURED ALL MAIL IN ALBERTVILLE AND EYE WANTED TO AVOID THE TERRITORIAL AUTHORITIES ON THE SPOT FROM DOING THE SAME THING. CONSEQUENTLY IT NEVER ENTERED MY MIND TO GIVE YOU ORDERS IN ANY SENSE THE FACT BEING THAT IT IS NOT MY JOB. CONCERNING THE CASE OF MY LEOPARDI EYE EXAMINED IT AND HE WILL SEND YOU A LETTER OF APOLOGY BY THE FIRST POUCH

In further reference Linner AV28 we would be grateful if you will advise Mwamba that Headquarters of Kasengo Niembo is not situated outside Kamina Base and is not accessible from Base. Mwamba would therefore have to make his own arrangements for his transport from Kamina Base to Kaminaville as Unations is unable to provide either transport facilities or protection. If Mwamba still wishes to travel to Kamina please arrange to obtain advance confirmation of Base Administrator and Base Commande , Kamina, before ONUC transport is provided for Mwamba's travel to the Base.

Following note verbale dispatched today to Belgian Permanent Representative: Quote

The Acting Secretary-General of the United Nations presents his compliments to the Permanent Representative of Belgium to the United Nations and has the honour to refer to note verbale D.412 A-S.249 which the latter sent to him on 5 February 1962, and on the subject matter of which detailed information has been obtained from the official in charge of the United Nations Operation in the Congo on the basis of reports submitted to him on the spot. The Acting Secretary-General therefore - with reference to note verbale of 29 January 1962 - wishes to bring to the knowledge of the Permanent Representative that according to a report from Major Lawson of the Nigerian ONUC Contingent all the non-Congolese priests and nuns have been evacuated from North Katanga and are now in safety. The main places evacuated are Kongolo, Sola, and Lupunda. The Congolese nuns and priests at Kongolo are not considered to be in immediate danger, but those who wanted to leave were evacuated by Major Lawson during one of his missions to the region. The ONUC authorities are in contact with the Bishop of Kongolo and have rendered him assistance by permitting him to send a clergyman and a nun to Albertville by ONUC aircraft pending a decision as to the possible evacuation of the 20 nuns and 30 seminarians still at Kongolo. It is reported that the Congolese priests at Kasongo do not by any means consider themselves to be in danger. ONUC has sent patrols to Kasongo from Kindu and to Senterly from Luluebourg. At Kindu, ONUC and ANC have organized mixed patrols and, as the Acting Secretary-General informed the Permanent Representative in a previous note verbale of today's date, it appears from reports received that the situation is satisfactory from a security point of view. The Permanent Representative has likewise been informed of other cases in which the United Nations forces have been carrying out regular patrols in the course of their duties in connection with the maintenance of public order. The Permanent Representative is undoubtedly aware that whenever persons believe themselves to be in danger, in any part of the country, and ask ONUC for help, the latter spares no effort, within the limits of its resources, to bring these persons to safety or to help them in every other way. The Permanent Representative may rest assured that the ONUC authorities will continue to do all in their power to give protection to all, Congolese and non-Congolese alike, throughout the territory of the republic and that due note has been taken of the information furnished by him concerning the places near Kindu where certain missionaries are stationed.

 STOP MACEOIN HAS TODAY DISCUSSED WITH THE GREEK CONSUL GENERAL IN
 LEO THE PROBLEM OF THE EVACUATION FROM MANONO TO ELISABETHVILLE OF
 THE GREEK NATIONALS REFERRED TO IN YOUR CABLE ELLEO 203 STOP
 THE GREEK CONSUL GENERAL INTIMATED THAT THE GREEKS IN MANONO
 WERE CONCERNED FIRSTLY ABOUT THEIR SECURITY AND SECONDLY ABOUT
 THE FACT THAT THE ECONOMIC LIFE OF THE TOWN HAD COME TO AN END
 STOP ON THE FIRST ISSUE WE DO NOT UNDERSTAND HOW THEY CAN BE
 CONCERNED ABOUT THEIR SECURITY IN VIEW OF THE FACT THAT A COMPLETE
 UNITED NATIONS BATTALION IS NOW STATIONED THERE STOP ON THE SECOND
 ISSUE THERE ARE INDICATIONS THAT THE ECONOMIC LIFE OF MANONO MAY
 BE RESTORED IN THE NOT TOO DISTANT FUTURE STOP THESE PEOPLE HAVE
 A PART TO PLAY IN THAT RESTORATION AND THEIR LEAVING SHOULD BE
 DISCOURAGED AT THIS JUNCTURE STOP HOWEVER CMA THE GREEK CONSUL
 GENERAL HAS DECIDED TO SEEK ADVICE FROM ATHENS CONCERNING THIS
 MATTER AND WE SHALL CABLE YOU AGAIN IN THE COURSE OF A COUPLE

à Monsieur le Commandant en Chef de 1^{re} ONU ✓
à LEOPOLDVILLE

à Monsieur le Colonel des Troupes Ethiopiennes
à MANONO

à Monsieur le Colonel de 1^{re} ONU à LUBUDI,

Monsieur le Colonel, *Commandant*

Me trouvant dans l'impossibilité de me voir avec ma famille restée à Lubudi lors des événements du mois de novembre 1960, j'ai l'honneur de vous demander de bien vouloir évacuer ma femme avec l'enfant qui souffrent à Lubudi. Cette femme s'appelle MWEHU VICTORINE, fille de Ngoi Armand et de Ilunga Suzanne, travaillant comme boy chez Mr. MATTON à Lubudi le père de la femme ou elle habite actuellement. La dite femme est marié à moi-même Nkombe Gervais réfugié à Malemba Nkulu, originaire du village de Makabwe, chefferie Nkulu, territoire de Malemba-Nkulu.

Je vous saurais infiniment gré de vouloir bien évacuer ma famille de Lubudi à Manono.

Espérant une bonne oeuvre à ce sujet, je vous prie de croire, Monsieur le Colonel de 1^{re} ONU à Lubudi, l'expression de ma plus parfaite considération.

Commandant l'ONU à Leop.

FURTHER AV 14 ALTHOUGH WE STILL HAVE NO CONFIRMATION OF IT, THERE IS GROWING TENDENCY TO BELIEVE MASSACRE REALLY OCCURRED. PRIME MINISTER HAS SENT SPECIFIC INSTRUCTIONS TO LUNDULA FOR THE DESPATCH FROM STANLEYVILLE OF A COMMISSION COMPOSED OF ANC OFFICERS LOYAL TO HIM TO INVESTIGATE THIS SOONEST.

IN THE MEANTIME YOU WILL RECALL IT HAD BEEN ARRANGED FOR SHABANI TO TRAVEL TO KONGOLO WITH A PARTY OF UN MILITARY MEDICAL OFFICERS AS WELL AS SEEN.

SEEN AND DUMONTET ARE NOW IN ALBERTVILLE. YOU SHOULD DISCUSS THE KONGOLO INCIDENT WITH THEM. IT WOULD BE MOST OPPORTUNE FOR THE TRIP ORIGINALLY ENVISAGED WITH SHABANI TO KONGOLO TO TAKE PLACE AS RAPIDLY AS POSSIBLE.

PLEASE ADVISE.

SUBJECT : Leave - Mr. V. Jerkovic.

Before going on leave, Mr. Khiary had agreed that Mr. Jerkovic¹ could also take a fortnight leave away from Albertville. Mr. Jerkovic¹ indicated he would like to spend this time in Ethiopia. After consultation with the Deputy Chief of Civilian Operations, I have cabled Mr. Jerkovic¹ confirming his original plan, as agreed by Mr. Khiary.

During his absence from Albertville, Mr. Jerkovic¹ has indicated that he considered Mr. A. Gany would be able to replace him.

Mr. Jerkovic¹ is planning to leave Albertville within the next few days.

Reference your 8650. we agree that there is a likelihood that the Gendarmerie in Kongo may move southward when we evacuate Kabale, but situation in Manono and the possibility of gendarmerie reinforcements reaching Manono is such that we have no option but to give priority to Manono. We have received information from Albertville that General Lundula arrived Kabale evening of 8 December with 22 ANC soldiers. We have also received information from Stanleyville that it is General Lundula's intention to move a battalion by air into Kabale as soon as possible. If this is put into effect it will help in filling the Kabale vacuum. We have no UN troops available for Kabale. At this stage we must be very firm in our assessment of priorities which mean that Eville, Manono and Aville must get precedence over all other tasks. It is also considered unsound to leave the two Irish Companies at Nyunzu and Niamba, and it may be necessary for security reasons to withdraw them to Aville.

Reports from MANONO indicate that the Gendarmerie is counter-attacked this morning. At the request of the local Commander an air strike of the surrounding area was ordered. The report of this attack states that the road South of MANONO was strafed and two trucks were destroyed. Last reports received just after midday state our own troops are retaliating. We have suffered one Ethiopian killed and one Ethiopian and one Indian wounded.

LATER Reports just received state the situation is now serious. The gendarmerie have been reinforced from Mitwaba and ammunition expenditure by Un troops has been so heavy as to cause anxiety. We propose to fly in early tomorrow 9 December the Ethiopian battalion from Kabale. This may be a difficult operation as one DC 3 has already been hit today flying in to Manene and is at the moment grounded there. Full air support will be given by the Jets during the operation.
