Figure 1 shows a schematic diagram of the experimental setup. A subject is seated at a table, viewing a video screen. A camera is positioned above the screen. A target is placed on the table. A ruler is used to measure the distance from the subject's eye to the target. The distance is labeled as 100 cm. The target is labeled as 'Target'.

Figure 1 is a schematic representation of the experimental design. It shows a sequence of five panels labeled 'a' through 'e'. Panel 'a' shows a car. Panel 'b' shows a car with a driver. Panel 'c' shows a car with a driver and a passenger. Panel 'd' shows a car with a driver and a passenger. Panel 'e' shows a car with a driver and a passenger. The sequence is labeled with 'a', 'b', 'c', 'd', and 'e'.
