RADIO CONVERSATION FLAD SCHELLER

Nothing to report on Luluabourg;

Flad noted following from a special emission from
Radio Stanleyville yesterday 19 .00 GMT:

"President of the People Republic Christophe Gbenye,
Minister of Defense Gaston Soumaliot and General
Administrator of the "Surete" met Red Cross Delegation
at the Airport.

4 Med. officers would be left in Stan, medical situation
and supply of medicaments are being discussed as well as
the eventual evacuation of non congolese (specially sick)
President Gbenye made a speech to thank the International
Red Cross for helping the Congo in this difficult time,
but pointed that with the actual political situation evacuation
of non congolese is extremely unlikely to be autorised
except in exceptionnel cases.

Anyway creation of commissions to study cases of persons
wishing to leave definitely the Congo is on the way.

FLAD also mentionned various news from Stan Radio:

Price of beer fixed at 35 CFR

Following sec. schools opened on 23.9.64 : Institut

Sainte Marie, Institut Sacre Coeur, Ecole Normale,

Ecole moyenne pedagogique , Athenes) Temporary moniteurs
were engaged to replace those missing.

A "Commissaire Extraordinaire" has been appointed for UEL

A reunion of all "Administrateurs de la Surete" has been
called.

(All this seems to indicate some administrative organisation)

BAT 675/64

19 September 1964

Dear Raymond,

As you know, a good many foreigners are held by the de facto authorities in Stanleyville and have not yet been permitted to leave. Our negotiations, aimed at securing permission to evacuate them by plane, have been fruitless. The International Red Cross have continued negotiations alone, and we have just had the excellent news that they have secured permission to send a plane to Stanleyville for the purpose of taking doctors and medical supplies. Whether they will have the possibility of bringing out any foreigners is not yet known, but I shall be glad if you will give immediately to International Red Cross Headquarters in Geneva the enclosed three sets of lists showing names of foreigners in Stanleyville and area.

The lists were given to us by the various ambassadors here when we were planning our own mission to Stanleyville, and I hope the International Red Cross will find them helpful in tracing people.

The lists do not pretend to be complete, since most embassies here do not know with certainty the numbers and names of all their nationals in Stanleyville, but where possible, we have obtained the name of a consul or other key figure who would be the best guide to the whereabouts of his compatriots.

Please cable to me confirmation of your receipt of the attached papers and their delivery to the International Red Cross.

With best wishes,

Yours sincerely,

After reflection I suggest that for the time being we do not send any reply.

Attached is a copy of Dr. Nussbaumer's further cable to Olenga, of today.

I believe that if we go on with our exchanges at this point, we may easily prejudice the CICR initiative, & thus the possibility of getting some people out of Stan.

Au Général Olenga, du Dr. Naussbaumer, représentant de la Croix-Rouge internationale à Léopoldville.

Je suis prêt à venir en personne à Stanleyville en compagnie du Dr. Strasser (Suisse) également de la Croix-Rouge internationale (Suisse) plus des fournitures médicales, en mission uniquement de la Croix-Rouge internationale. J'espère pouvoir affréter un avion d'Air Congo qui porterait les insignes de la Croix-Rouge et ne transporterait, outre l'équipage, que des membres de la Croix-Rouge internationale (Suisse). Dès que l'avion sera disponible, je vous en ferai la description et vous communiquerai l'horaire proposé du vol, et je vous saurais gré de me faire savoir si cette mission vous agréée. L'avion demeurerait plusieurs heures à Stanleyville et retournerait le même jour

Please transmit to General Olenga, Stanleyville, the following message from the "Chargé de la Mission des Nations Unies."

Message to be transmitted, first directly to Stanleyville and then through Luluabourg.

QUOTE Je vous remercie pour avoir donné votre accord pour l'atterrissage à Stanleyville d'un avion transportant les membres de la mission purement humanitaire, ayant la composition suivante:

- 1 fonctionnaire des Nations Unies, Chef de la mission
- 2 docteurs en médecine de l'OMS avec des médicaments
- 2 représentants de la Croix Rouge internationale et
- 1 représentant des missions diplomatiques accréditées à Leopoldville, qui sera désigné par le Révérendissime, Mgr Vito Roberti, Doyen du Corps Diplomatique

L'avion portera les initiales des Nations Unies, c'est-à-dire ONU, peintes en bleu et aussi l'emblème de la Croix Rouge internationale. Votre accord est aussi demandé pour que le même avion, à son retour à Léopoldville puisse évacuer les fonctionnaires des Nations Unies qui désirent quitter Stanleyville, ainsi que le personnel du Consulat des Etats Unis qui a reçu l'ordre d'expulsion, et dans les limites de la capacité de l'avion, d'autres citoyens étrangers auxquels leur sera permis de quitter Stanleyville.

Si vous êtes d'accord avec notre demande, nous pouvons vous transmettre immédiatement le plan de vol de l'avion ainsi que les noms de l'équipage et du personnel.

Message transmis par la tour de contrôle de N'Djili le

pour qu'ils puissent venir après bombarder le peuple nationaliste

"Nécessaire fait mais décision finale viendra de la Sûreté

la complicité des organisations internationales au Congo pour
du compte gouvernement fantôme Tshombé. Maintenons notre
position aucun avion ne peut atterrir dans les zones libérées.
Car ONU, Croix-Rouge, OMS Congo ne deviennent que les organisations

Des notes verbales demandant la radiodiffusion de l'appel du Secrétaire Général des Nations Unies ont été remises aux représentants permanents du Burundi, du Congo-Brazzaville et du Ghana dans la soirée du 31 août. Elles ont été communiquées à la presse à New-York le 1er septembre à 18 heures (heure de Léopoldville).

Texte de l'appel :

"En ma qualité de Secrétaire Général des Nations Unies, j'adresse cet appel des plus urgents aux autorités ayant le contrôle de Stanleyville. Il existe en ce moment à Stanleyville un certain nombre de fonctionnaires des Nations Unies et du Gouvernement des Etats-Unis, ainsi que d'autres personnes non congolaises, qui désirent quitter la ville mais ne peuvent le faire. J'espère fervemment que vous autoriserez une mission exclusivement humanitaire, de quelque importance et composition que vous jugiez le plus souhaitable, à se rendre à Stanleyville à seule fin d'évacuer ces personnes. Un tel geste de votre part serait certainement apprécié dans le monde entier".

The Belgian Embassy has received information that a new revolutionary government has been formed in Stanleyville in the form of a commission made up of 37 members. At its head is Francois Sabiti. Sabiti is an old line Lumumbist who is not considered anti-European, although he has extremist tendencies. Other members of the commission are:

Albert Bushiri
Francois Aradjabu
Ifefeko (first name unknown)

Aradjabu was of course the President of Haute Congo Province immediately before its fall to the rebels. He is considered a moderate Lumumbist.

Bushiri was the District Commissioner in Paulis in 1961 and he is credited with saving the lives of many Europeans during that time.

Ifefeko was the Minister of the Civil Service in the Aradjabu original government.
