My Government will provide additional information relating to the theme through the Forum Secretariat in due course.

Dear Jessica,

I hope this message finds you well.

Below please find the suggested names of representatives that could participate in this meeting on behalf of the Secretary-General:

- Ms. Helen Clark, UNDP Administrator
- Ms. Christiana Figueres, Executive Secretary, United Nations Framework Convention on Climate Change
- Ms. Margareta Wahlstrom, SRSG for Disaster Risk Reduction

Please note that we have been informally advised that Ms. Clark may not be available at this time. However, we think important to discuss with UNDP on her availability for this meeting.

With regards to the messaging, given the meeting's focus on climate change, we would suggest that our UNFCCC colleagues take the lead on the contents of the speech, and include other UN agencies/departments, such as UNDP, DESA, UNISDR, and DPA, among others, for additional inputs.

Many thanks and best regards,
