INTEGRATED OPERATIONS CENTRE (IOC)

HUMANITARIAN SITUATION IN SOUTHERN RWANDA

OPERATIONAL UPDATE

MAY 2, 1995 --- 1600 HRS

The following update is a compilation of reports from representatives of the IOC: the Government of Rwanda, NGOs, IOs, UNAMIR and UN agencies, that have been corroborated as of 1400 hrs on 02 May 1995.

Summary

Majority of IDPs at the Ndera Transit centre are transported to their home communes.

More IDPs leave Kibeho camp.

Government of Rwanda, UN agencies and NGOs continue to provide assistance to returnees and vulnerable groups in the home communes.

COMMUNES

As part of follow-up of the returnees in the home communes, UNREO staff and representatives of MINIREISO visited, on 28 April, 105 former IDPs reported to have arrived from Kibeho and who had been hiding in a house in Gishamvu since their arrival. The returnees

were provided with water, food and clothing. Initial reports from bourgmestres indicate that 5,700 former IDPs recently returned to the Ntongwe, Kigoma, Tambwe, Masango and Murama communes of Gitarama Prefecture. In Huye commune of Butare Prefecture, 1,000 persons arrived on 2 May. In Runyinya commune (Butare Prefecture) 10,836 former IDPs are reported to have been received in the commune.

Kibeho Camp

All former IDP camps remain closed. However, there are thought to be over 1,800 or so IDPs still holed up in Kibeho camp whose break-down is reported by UNREO Gikongoro to be as follows:

men-----311

women-----581

children----954

UNREO/Butare reports that approximately 125 IDPs left the building in Kibeho camp on Saturday 29 April. Approximately 66 left the building on Sunday 30 April and approximately 109 left on Monday 1 May. As at 1500 hours today (2 May), 86 IDPs were reported to have left the camp. UNREO Field Office reports that 12 casualties were transported to Butare for treatment. UNREO Butare also reported that ICRC was allowed access to the IDPs in the camp on Monday 1 May and that ICRC tried to negotiate for

IN.612

the release of unaccompanied minors who are reportedly in the building. Meetings are scheduled to take place between humanitarian organisations involved in the Kibeho issue to draw up a detailed plan for the delivery of basic humanitarian assistance. This plan will then be presented to the RPA officials. In the meantime, further meetings are scheduled to take place between RPA, UNAMIR and ICRC to negotiate a new location for the IDPs, so as to allow for the cleaning up of the present compound.

Population Movements

As of 1 May 1995, UNHCR/IOM had transported a total of 59,164 IDPs from Butare and Gikongoro Prefectures since the onset of camp closures. Furthermore, some 10,249 were transported to their home areas from the Ndera Transit Centre outside Kigali, bringing the total of people transported by IOM during the IDP emergency to 69,413. In Runyinya commune, nine IDPs who arrived in the commune are awaiting transportation out of the commune as they are believed not to originate from the commune.

Waystations/Transit Centres

Over the weekend (29-30 April), IOM and UNHCR successfully transported to their home communes the majority of the IDPs that had been at the Ndera Transit Centre.

As of 1600 hours today (2 May), UNHCR and IOM reported that Ndera Transit Centre had only about 200 people left. They are expected to leave shortly.

JUSTICE AND HUMAN RIGHTS

Human Rights report that they have visited all communes of Butare Prefecture and have transported 20 Inspecteurs de la Police Judiciaire (IPJs) to the Butare area. Three Human Rights teams are investigating the alleged killing of 14 returnees in Huye. A total of 51 prisoners held in the Runyinya Commune cachot have been released. This leaves 366 prisoners still held in the cachot. More were expected to be released today (2 May) in the presence of the IPJ.

SECTORAL UPDATES

Unaccompanied Children

There is an urgent need for baby formula and for diapers (nappies) for unaccompanied children.

CARE Australia has 328 unaccompanied children in Butare and 96 in Kanombe. Feed the Children is taking care of 684 children in Butare. About 30 children were expected from Kibeho today (2 May). ICRC informs that there is a list of unaccompanied children nationwide. This list, however, has not yet been updated.

MINITRASO-MINIREISO-UNICEF-SCF/UK mission will be going to Bugesera tomorrow 3 May to sensitize bourgmestres and caregivers in centres likely to receive children from the southwest.

The next meeting for Unaccompanied Children will be held at UNICEF on Friday, 5 May, at 0900 hours.

Health/Medical

WHO reports that the Health cell meeting will be held on Monday 8 May 1995 at 1400 hours. WHO and MINISANTE are carrying out a health/medical evaluation in Butare Prefecture.

Food

WFP started to transport food to Runyinya commune today (2 May) and will continue food transportation tomorrow. Food transportation to Huye commune had ended, but given the arrival today (2 May) of 1,000 persons, WFP intends to transport 6.3 MT of supplementary food to the commune. There was already enough food in stock in Ndora and Nyaruhengeri communes. WFP reports that CRS and Caritas will distribute food in Mbazi, Mugusa, Ruhashya, Nyabisindu, Rusatira and Shyanda communes of Butare Prefecture. ICRC reports that it will distribute food to Ntongwe, Goma, Tambwe, Masango and Murama communes of Gitarama Prefecture. ICRC food distribution will be both to recent returnees and to other vulnerable groups identified by the bourgmestres.

Shelter

Oxfam-UK has in stock 495 rolls of plastic sheeting (for roughly 50,000 people) which Oxfam-UK is ready to provide to meet the shelter needs in the home communes.

GOVERNMENT OF RWANDA

Yesterday 1 May 1995, demonstrations were held in Kigali against some UN agencies, NGOs and against Radio France Internationale

who had grossly exaggerated the tragic events in Kibeho camp. In spite of the demonstrations, the Government of Rwanda has reiterated its wish to work with the international community in an atmosphere of transparency in which there is respect for the sovereignty of the State.

COORDINATION

The IOC in Kigali continues to serve as the focal point for the coordination of humanitarian operations.

NREO reports that a meeting for decision makers over the Kibeho issue will be held in Butare at UNAMIR Tac HQ on Wednesday, 3 May 1995 at 1000 hours. A meeting for Food and non-food items will be held at the Butare Prefecture on Thursday, 4 May 1995 at 1400 hours.
