Dear Mr. Nambiar,

I am pleased to enclose a summary report on the work of the Office of the Special Envoy for Haiti. We have made a special effort to provide a detailed description of the activities of the Special Envoy, the Deputy Special Envoy and their office. The report also explains the guiding principles under which the office operates, including the concept of accompaniment. We strongly believe that working alongside Haitian institutions is the only way that long-term change will come to Haiti, and that the Office of the Special Envoy's advocacy in this regard has been an essential part of progress thus far.

I hope that you find our report enlightening, and I welcome the opportunity to discuss its content with you further.

Sincerely,

Garry Conille
