Dear Secretary General,

I would like to express my sincere gratitude for your visit to Abu Dhabi and for your contribution to the World Future Energy Summit and the Zayed Future Energy Prize. It was an honour and pleasure to host you.

Your presence and participation at the events has helped further elevate their prominence and I hope you found them to be valuable platforms for addressing the challenges of energy and climate change.

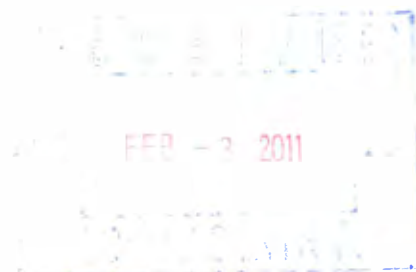

I also hope you enjoyed your visit to the Masdar Institute and were able to better understand and appreciate our vision. The Institute can add significant value to the work the United Nations is conducting and I hope we can identify joint activities that both entities can benefit from.

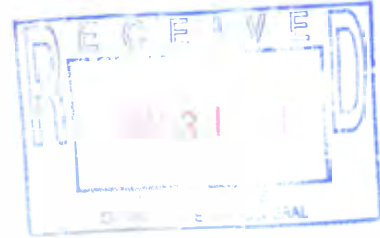

Now that you have had the opportunity to see firsthand what we are striving to achieve, I am confident you will help in communicating across our ambitions as you meet various governments and businesses.

Thank you again for your visit to Abu Dhabi and for your moving speech at the opening ceremony of the World Future Energy Summit.

Yours sincerely,

Dr. Sultan Ahmed Al Jaber
Special Envoy for Energy and Climate Change
and Chief Executive Officer of Masdar
