Dear Mr. Secretary-General:

28-06756

I am writing to follow up on my June 9, 2008 letter to you suggesting we find a time to meet to discuss the opportunities in the U.S. I am hoping we might find a time this fall. I will be in New York September 22-25 for the activities surrounding the High Level Event on the MDGs, and could arrive a day early (a Sunday) if you have time over brunch or that afternoon. I understand that is a very busy week but please let me know if it might be possible to see you.

In addition to discussing the overall approach to the U.S. Administration, I also wanted to see how the UN Foundation might assist your efforts around the negotiation of the next climate treaty. We have a number of efforts underway linked to this year's UN Climate Change Conference in Poznan, and we want to make sure they reinforce all of the strong leadership you are demonstrating on this issue.

My office will follow up with your scheduling office to see if we can find a time in September or during my next visit to New York. In the meantime please let us know if there is anything we can do to support your work.

With best wishes,

Sincerely yours,

Timothy E. Wirth
