Excellency

I would like to express my great pleasure and gratitude to Your Excellency for the historic and landmark joint trips to Lebanon and Iraq on 24-26 March, 2016. I would also like to congratulate you for the success of your visit to Jordan and Tunisia.

Our visit was indeed very successful and timely and achieved its objectives to support the affected countries in the MENA region in order to enhance their resilience and lay down ground for reconstruction and recovery.

I would like to assure Your Excellency that the IDB will spare no effort to enhance its cooperation with the UN institutions and the World Bank to follow up on the positive outcomes and the commitments made during this mission.

In this regard, the IDB and the World Bank agreed to send joint missions to Lebanon and Iraq in order to develop a joint plan of action to help these countries to overcome the challenges and difficulties caused by the recent events.

While looking forward to closer cooperation between our two institutions, please accept, Excellency, the assurances of my highest consideration.

Yours sincerely,

Dr. Ahmad Mohamed Ali
