15 February 2007

Dear Mr. Secretary-General,

The members of the Security Council have carefully considered your letter dated 13 February 2007 regarding the request of the Government of Lebanon for technical assistance from the International Independent Investigation Commission (IIIC) in the effort to investigate the bombing near the town of Bikfaya on 13 February 2007 which, according to reports, killed 3 people and injured 22. Determined to continue to assist the Government of Lebanon in the search for the truth and to bring to justice perpetrators, organizers and sponsors of this terrorist attack, as well as of other terrorist attacks and assassinations committed in Lebanon since October 2004 (SC/8954), they refer to resolutions 1644 (2005) and 1686 (2006), and therefore invite the Commission to extend its technical assistance as appropriate to the Lebanese authorities in this investigation and invite the Secretary-General to so inform the Government of Lebanon and the Commissioner of the IIIC.

Please accept, Mr. Secretary-General, the assurances of my highest consideration.
