THE DEPUTY SECRETARY-GENERAL

17 July 2013

Dear Mr. Hodes,

On behalf of the Secretary-General, I would like to thank you for your letter dated 27 June 2013, inviting him to participate in the youth event organized by the United Nations Alliance of Civilizations (UNAOC), to be held in Tarrytown from 26 to 30 August 2013. We also take note of your request for the Secretary-General to address the participants of the UNAOC-Education First (EF) Summer School program during their visit to United Nations Headquarters on 28 August 2013.

The Secretary-General appreciates your kind invitation. I regret to inform you that he will be unable to attend the youth event nor address the participants of the UNAOC-EF, owing to prior commitments and pressing demands already on his schedule in August during the said period. Nevertheless, allow me to take this opportunity to convey his best wishes for the success of these events.

With warm regards,

Yours sincerely,

Jan Eliasson

Dear Ms. Malcorra,

I am writing to inquire about the availability of the Secretary-General to participate in the youth event organized by the United Nations Alliance of Civilizations on August 26-30 in Tarrytown, New York. Our official letter of invitation, addressing the Secretary-General will follow, following your feedback on his calendar.

We are aware that the Secretary-General has made working with young people a priority of his Five-year Action Agenda and it is a core element of UNAOC programming. To increase our capacity to promote cultures of peace through education, we have entered into a public-private partnership with the Swiss company, EF Education First to organize the UNAOC-EF Summer School. This week-long event will bring together 100 youth from across the globe, representing a diverse group of young people from North America, Latin America, Africa, Europe and Asia. This is the fourth Summer School that the UNAOC has organized and the first delivered in New York.

We would be delighted if the Secretary-General could briefly address (5-10 minutes) the participants during the week of the Summer School. On 28 August they will be visiting the United Nations Headquarters between 13:00 and 17:00 and could be available at any point that afternoon. If Secretary-General has other commitments on August 28, we will gladly propose alternatives during the week to accommodate the Secretary-General's schedule. Per the established practice, our office will provide inputs to his statement and any background information which may be required.

I thank you for your kind assistance in this matter.

Yours sincerely,

Ms. Susana Malcorra
