*Re: get the
Misc Org "A"*

Dear Dr. Migiro,

Since our inception in 1981, African Services Committee (ASC) has expanded its staff, programming and mission to meet the changing needs of New York City's African Diaspora immigrant communities. To accommodate this growth, in 2004 we launched "Deepening our Roots," a capital campaign to raise the needed funds for the renovation and fit-out of an additional floor of space. While we are still working towards our fundraising target, we have forged ahead with the expansion and broke ground last month.

To properly mark this exciting next phase of our growth, African Services Committee will host a special reception on **Thursday, May 31 at 6:30 pm** in our new (unfinished) space at 429 West 127th Street. Please join us for this festive celebration of our "progress in progress." There is no cost to attend, but we would welcome your contribution to our work. Together, we can deepen ASC's roots here in West Harlem, ensuring continued support for African Diaspora newcomers in their pursuit of healthy, stable and productive lives.

Kindly refer to the enclosed invitation for event and RSVP details. Additionally, please take a moment to read our 2005 Annual Report, which highlights our many recent achievements.

We look forward to sharing this special evening with you.

Best wishes,

Asfaha Hadera
