Dear Mayor Bloomberg,

On behalf of the United Nations, I would like to express my sincere gratitude for your important contribution to the United Nations Global Compact Leaders Summit 2010.

The United Nations is committed to translating the momentum emerging from the United Nations Global Compact Leaders Summit into tangible actions by business, civil society and Governments that help advance sustainability and development globally. Your support of this agenda is invaluable.

I look forward to further building the special relationship between the United Nations and the City of New York.
