Secretary General
United Nations

Excellency,

Thank you very much for taking the time out of your schedule for our meeting in Lima on the 10th of December, 2014.

Through our short but fruitful meeting, United Nations and Japan confirmed that we both understand the significance of the post-2020 agreement in Paris on a fair and effective framework applicable to all nations. A lot of productive discussion in Lima will lead to the success in Paris. I look forward to working with you and make an effort for our better future.

Thank you for your partnership and wish you every success in your endeavors.

Sincerely,

Yoshio Mochizuki
