Dear Ms. Migiro,

It is my pleasure to invite you to a High-Level Event in commemoration of the International Day for the Elimination of Violence against Women on

✓ **25 November 2008**  
✓ **1.00 – 2.30 pm**  
✓ **ECOSOC Chamber**

The programme, "United Voices Say NO to Violence against Women", will feature UNIFEM Goodwill Ambassador Nicole Kidman and other distinguished leaders and advocates to showcase and discuss effective action on this pervasive human rights violation. The occasion will mark the presentation to United Nations Secretary-General Ban Ki-moon of all signatures gathered through UNIFEM's online campaign Say NO to Violence against Women.

UNIFEM designed its Say NO initiative to feed into the Secretary-General's multi-year, system-wide campaign on the same issue. Since its launch in November 2007, hundreds of thousands of people have added their names to this call to make ending violence against women a top priority worldwide. The campaign has also served as an effective platform for Governments to publicly express their commitment to the cause and announce national action; we will also present the list of those countries to the Secretary-General. In case you have not yet added your name, I would like to invite you to do so at [www.saynotoviolence.org](http://www.saynotoviolence.org).

I very much hope that it will be possible for you to be with us on this occasion.

Yours sincerely,

Inés Alberdi
