for the Contribution at the 2012 WBCSD Seoul Council Meeting**

**Your Excellency :**

In my capacity as the Chairman of the Korea Business Council for Sustainable Development (KBCSD), I wish to express my profound gratitude to you for honoring the KBCSD with your distinguished presence and thought-provoking remarks at the '2012 WBCSD Seoul Council Meeting' which was successfully held from 29<sup>th</sup> October to 2<sup>nd</sup> November in Seoul, Korea.

The Council Meeting has set forth a number of recommendations and commitments on how business, government and international organizations can create the enabling environment within which business solutions can be scaled up for harnessing the sustainability and the green economy. Under your able leadership, I hope the United Nations will give credence to the business leaders' message from this meeting in carrying out global sustainability initiatives including the post-2015 development framework.

Your Excellency, we the member companies of the KBCSD have been at the heart of anchoring sustainability in all business practices as well as communities in which we operate. Your presence at the WBCSD Seoul Council Meeting confirmed that we have been heading in the right direction and that our hitherto efforts are recognized by like-minded partners such as the United Nations. You have also inspired us to engage more actively with the United Nations in pursuing our shared ideal of global sustainability.

To this end, KBCSD is fully committed to working closely with you in carrying out these mandates, and at the same time, respectfully solicits your continuing support for the Korean business sector's endeavor towards a sustainable path.

With my best wishes, please accept, Your Excellency, the assurances of my highest consideration and personal esteem.
