Excellency,

It is my pleasure to write this letter on behalf of the President of the Republic of the Union of Myanmar to express my sincere appreciation for your congratulatory message conveyed to the President on the occasion of Myanmar's Independence Day on 4th January 2016.

As Myanmar is actively cooperating with the United Nations, Myanmar fully supports the organization in its every effort towards a more sustainable, healthy and peaceful world. Along with the global community, Myanmar stands ready to work hand in hand with the United Nations in realizing the Sustainable Development Goals as well as on the targets that set to tackle climate change.

As you rightly pointed out, Myanmar belongs to a proud history with early civilization and the society sets high values of human rights and moral standards. The President set clear vision based on the desire of people in order to move towards a peaceful and prosperous country. Today, the world has seen Myanmar as an exemplary country from various aspects including its unique cooperation with the United Nations.

Finally, let me reassure Your Excellency that Myanmar is committed to further strengthen the existing relationships with the United Nations and continue working closely towards our common goal of a peaceful and prosperous world.
