ADMINISTRATION/WEEKLY SITUATION REPORT 47/93

COMMUNICATION SECTION

(5/11-93)

Magne Albrigtsen left for Kigali on (date) for 5 days to assist with the following:-

- a) Install one medium size photocopy machine (UNOMUR property).
- b) Install Fax machine in FC's office.
- c) Install VHF Base Station + 5 Handie Talkies in OPS.
(UNOMUR Property).
- d) Make arrangements to have a number of phonelines connected to Headquarters.

Upon return from Kigali he brought with him 5 Computers, complete with 14" SVGA Monitor, UPS and 4 Deskjet Portable Printers plus 2 Laptop Computers. This has ensured that UNOMUR now has about 70% of required EDP equipment.

Magne Albrigtsen has completed the electrical/generator and radio installation including solar panels at Katuna borderpost this week.

Cyanika borderpost was completed last week. Electrical rewiring of HQ is continuing. Daily repair of mobile radio installation is required. On the personnel side for the communications section there is STILL NO CHANGE. Magne Albrigtsen is required to attend to everything including the smooth running of radio room. It would be appreciated if we could see the following personnel on board asap:-

1 Radio Technician

1 Radio Operator

1 Generator Mechanic

1 Electrician (Assignment on loan for approximately 2 months only)
