Dear Mr. Secretary-General,

It was with great pleasure that I received your memorandum informing me of the latest developments in your global campaign “UNITE to End Violence against Women”.

The International Organization for Migration (IOM) is committed to ensuring that the needs of all migrant women are identified and taken into consideration and is thus particularly involved in initiatives aimed at increasing women migrants’ protection from sexual and gender-based violence.

It is therefore a pleasure to inform you that the Deputy Director General, Mrs. Ndioro Ndiaye, will act as our focal point for the implementation of the “Framework for Action”. Her keen interest in and experience with issues linked to the advancement of women, both at the national and the international level, make her an ideal champion for the campaign.

It is my hope that this global initiative will enhance the impact of existing programmes and increase the policy coherence and coordination of all actors involved to end violence against women.

Sincerely,

William Lacy Swing
