Your Excellency,

I would like to invite you to be my honoured guest at a special event at Jazz at Lincoln Center in New York on May 16th, 2013.

The event is being held to raise awareness of Educate A Child (EAC) and to garner support towards reaching the MDG2 target.

As you are aware, EAC is supporting and contributing to global efforts to improve access to quality primary education for out of school children, including your leadership efforts through the "Global Education First Initiative".

Your presence at this event will greatly help to reinforce the importance of the work we are jointly undertaking to accelerate progress towards achieving MDG 2 by the end of 2015 and beyond.

The event will commence at 6pm with a dinner reception, where the approach, objectives and selected projects of EAC will be showcased.

The reception will be followed by a jazz concert featuring a performance by Wynton Marsalis with special guest Chick Corea.

Dr. Tidu Maini, Special Envoy to Educate A Child (tmaini@qf.org.qa) can provide any additional information you or your staff may require about this event.

I do hope that we will see you in New York in May.

Sincerely,
