Your excellence Mr. Ban Ki-moon,

First of all, please accept my sincere respect.

Aiming at creating the win-win situation between China and the countries all over the world as well as promoting the healthy development of China overseas investment and cooperation, the first China Overseas Investment Fair will convene in China World Trade Center, Beijing on November 3rd-4th. It is an international investment promotion activity sponsored by Chinese Central Government in the filed of foreign direct investment.

"Create win-win situation and promote China overseas investment cooperation" is the subject of this fair. "Introduce Investment to the Least developed countries: complementary and win-win Accomplishment" is one of the main topics. We have invited the 50 least developed countries with strong financial support. On the fair, we will provide the exhibition booth to help those countries promote their own abundant natural resources, favorable investment environment and projects. We hope it can accelerate their own sustainable economic development and add new impetus to achieve the Millennium Development Goals.

China Overseas Investment Fair would be significant to achieve the UN Millennium Development Goals and improve life conditions of the billions of poor people. We hereby sincerely invite you to attend the fair and deliver the keynote speech to show long-term support for the least developed countries with the countries' leaders all over the world in the morning of November 3rd, 2009.

We look forward to your reply.

China Overseas Investment Fair

Inquiry Letter

United Nations

Secretary-General

Your Excellency Mr. Ban Ki-moon,

First of all, please accept my sincere respect to you.

This is Fan Chunyong from China Industrial Overseas Development and Planning Association. We have sent you an invitation regarding the attendance of the first China Overseas Investment Fair.

The first China Overseas Investment Fair has been attached great importance by Chinese central government and investment agencies all over the world. We sincerely look forward to your arrival.

Meanwhile, we understand you might be too busy to attend our fair this November 3rd, but I wonder whether it is convenient for you to deliver a video speech in 10 minutes to show your greetings to the fair and long-term support for the development of the least developed countries as well as the developing countries. Or whether it is possible for you to write a greeting letter and assign a representative for UN to attend the fair.

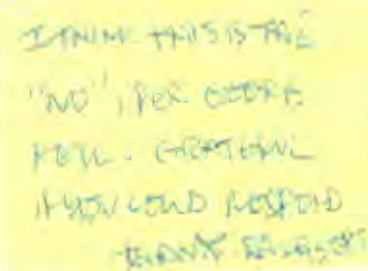

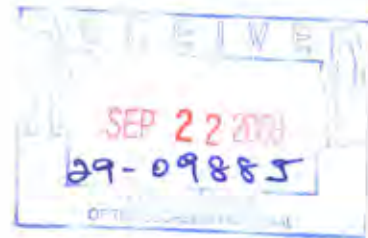

We look forward to hearing from you.

Best Regards,

Fan Chunyong
