

THE SECRETARY-GENERAL

21 September 2009

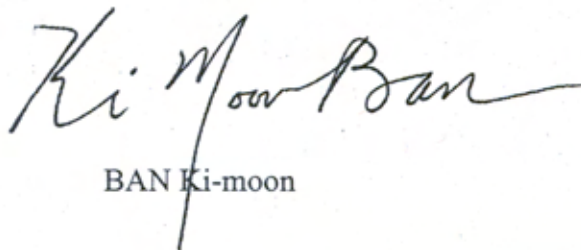

Dear Sir Richard,

I would like to thank you for your letter dated 15 September 2009 and its enclosure, a copy of the book by Dr. Victor Sidel, *War and Public Health*, which will be a valuable addition to my office's collection.

It was also a pleasure meeting you at the launch of your book, *UN Ideas that Changed the World*. I am heartened to know that I have your personal support as I continue to work towards finding sustainable solutions for the major global challenges facing the world.

I would also like to take this opportunity to extend my deep appreciation for your support and commitment to the work of the United Nations.

Yours sincerely,

  
BAN Ki-moon
