Your Excellency,

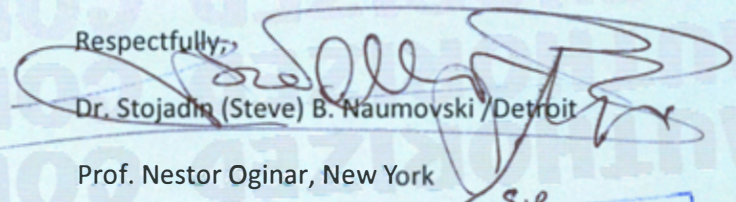

Please accept our sincere congratulations on the occasion of your re-nomination as the Secretary General of the United Nations.

In these politically, economically, socially, environmentally and morally uncertain times, when the whole of humanity is facing many daunting challenges, your commitment to **continue this noble calling** gives us hope that you will lead our world on the path of the universal and eternal ideals of peace, democracy, justice and freedom for all mankind.

It is, also, our most ardent hope that the beginning of your renewed mandate will be marked by your creative contribution for the resolution of the Macedonian – Greek dispute and that we shall all soon see Macedonia finally admitted in the United Nations under her rightful national and constitutional name **Republic of Macedonia** in the spirit of the UN Charter of the Universal Human Rights.

May your mandate be filled with noble deeds and dignity.

Respectfully,

Dr. Stojadin (Steve) B. Naumovski /Detroit

Prof. Nestor Oginar, New York
