SUBJECT: END OF MISSION REPORT

1. As the term of your mission as Special Coordinator for the Middle East Peace Process and Personal Representative of the Secretary-General to the Palestine Liberation Organization and the Palestine Authority is approaching, I wanted to express my appreciation for your dedication to the service of the Organisation, the search for peace and security, and your work on the Middle East peace process during the past two years.

2. I am eager to ensure the DPA benefits from lessons learnt and best practices, notably when senior envoys complete their assignment. For this reason, and given your considerable experience as a United Nations mediator, I believe it would be extremely valuable if you would provide us with a report covering your time at UNSCO before the end of your term.

3. Specifically, I would be grateful if your report would provide an assessment of the implementation of UNSCO's mandate, particularly your experiences in carrying out the responsibilities of the Special Coordinator. You are encouraged to be candid, highlighting what worked well, and why, as well as problems encountered.

4. A template, provided to SRSGs in DPKO missions, is being forwarded to your office by email, please feel free to use this format as you see fit.

Best regards.

*Thanks David
Warm regards.
