Miss N. Osborne, Chief Personnel Officer
F. Fabry, Legal Adviser
Francisco Henriques

1. For reasons of principles, we cannot admit any actions which would have the effect of seizing UN funds. Consequently, we cannot accept as valid any court decisions garnishing the salary of a staff member before it has been paid to him, or in any other way requesting the UN in freely disposing of its funds.
2. On the other hand, we cannot tolerate situations where staff members would use their UN immunities as an excuse for no fulfilment of their private obligations. It is a necessary corollary of our immunities to see to it that creditors who cannot obtain satisfaction by a recourse to court, will not be placed in an unduly default position in collecting moneys due to them from UN staff members.
3. In addition, it would be contrary to the UN interest if staff members abuse their privileges for their personal benefit. Attempts of staff members to escape their obligations reflect on their integrity and persistent failure to fulfil private obligations should, in my opinion, be a reasonable presumption that the staff member concerned is not suitable for further UN employment.
4. In the case under reference, it should be made clear to Mr. Francisco Henriques that he must fulfil his obligations or face actions for termination of his employment with the UN. Definite arrangements should be made to ensure that the staff members' obligations are being fulfilled, as for instance by obtaining from him an order to assign part of his salary to the creditor's account.
5. The measures taken to ensure that this staff member fulfils his obligations should then be notified to the creditor's representative.

Monsieur le Chef du Personnel Civil
des Nations Unies
Boite Postale No. 7248
LEOPOLDVILLE

Monsieur le Chef du Personnel Civil,

AFFAIRE: NOGUEIRA ET CIE c/ HENRIQUES FRANCISCO JUNIOR

J'ai l'honneur d'accuser réception de votre honorée du 12 courant me signalant que vous demandez à Monsieur Francisco HNERIQUES de se mettre en rapport avec moi au sujet de sa dette vis-à-vis de ma cliente la Société NOGUEIRA et CIE. A ce jour Monsieur HNERIQUES n'en a rien fait.

Je me permets de ne pas être d'accord avec le second paragraphe de votre lettre ou plutôt de l'interprétation que vous donnez à la convention sur les Privilèges et Immunités des Nations Unies. Ce privilège n'est nullement contesté et il découle d'une règle de droit International de l'immunité Diplomatique des Etats Souverains qui ne peuvent être justiciables des tribunaux d'un autre Etat.

Il en résulte que les Nations Unies ne pourraient sans leur accord être citées devant les tribunaux du Congo avec la conséquence que les fonds des Nations Unies ne sont pas saisissables.

Mais je me permets de vous faire observer que pratiquer une saisie-arrêt à charge d'un employé des Nations Unies sur les salaires qui lui sont payés ne constitue nullement une saisie de fonds des Nations Unies. C'est une saisie des fonds de l'employé.

La saisie-arrêt tend uniquement à demander aux Nations Unies de retenir sur la solde de l'employé 1/5ème de celle-ci pour payer le créancier qui a des droits incontestables.

Je me permets de vous signaler au sujet de l'immunité des Etats Souverains l'un vis-à-vis de l'autre que celle-ci n'a jamais été contestée, ce qui n'a jamais empêché de saisir les traitements dus par des Ambassades à leurs employés. Le litige se meut entre le créancier et l'employé et non entre le créancier et l'Ambas-

sade. La partie entre les mains de qui la saisie est pratiquée ne doit même pas comparaître devant le tribunal.

J'ose espérer, Monsieur le Chef du Personnel Civil, que ces considérations vous permettront de revenir sur votre façon de voir. Jr souhaiterais d'ailleurs vous en référer pour vous en entretenir de vive voix, car nous avons déjà à différentes reprises envisagé cette question entre les membres du Barreau, vu que nous avons tous des clients créanciers de membres du personnel des Nations Unies. Il n'est pas normal de voir des membres du personnel avoir des dettes, ne pas les payer, et voir votre Organisation refuser d'accepter de faire droit à une saisie-arrêt sur leur traitement.

Veuillez agréer, Monsieur le Chef du Personnel Civil, l'expression de ma très haute considération.

J'ai l'honneur d'accuser réception de votre lettre du 15 mai et de vous faire connaître que nous en avons transmis une copie à M. Francisco Henriques, en le priant de se mettre en rapport avec vous directement.

Par ailleurs, je me permets d'attirer votre attention sur le fait que, selon la Convention sur les Privilèges et Immunités des Nations Unies, les fonds de l'Organisation des Nations Unies ne sont pas saisissables.

Veuillez agréer, cher Maître, l'assurance de mes sentiments distingués.

Dear Mr. Ambassador,

Please refer to the Aide Memoire you left with me on 30 June, in which the Royal Greek Government expressed a hope that Mr. Gerassimos Liaroumatis might be entrusted with the reorganization of the police force in the Katanga Province of the Congo. At that time you were uncertain whether that post would be within the United Nations Operation or had been offered by the Province of Katanga. Your Mission has subsequently ascertained that a post within the United Nations Operation was in view.

We have heard from the Congo that the interest of Mr. Liaroumatis in the post of Adviser to the Katangese gendarmerie would be kept in mind and considered if the United Nations were to initiate a programme which would require such services. The measures to be taken for the reorganization of the Katangese gendarmerie are already being discussed through the United Nations Force Commander.

Please accept, Mr. Ambassador, the assurances of my highest consideration.

Mr. W. MICUTA

We discussed the sending of a letter to the Economic Mission for Europe concerning Mr. Micuta's services to ONUC. You may like to include the following observations from myself, as the Political Officer at HQ in charge of the UN Operations in the Provinces of the Congo throughout Mr. Micuta's term of service in Orientale Province:

Mr. Micuta served in Orientale Province during times of extreme danger for many segments of the population there. Throughout, he worked indefatigably and with great personal courage to protect all those in danger of life, assault or arbitrary arrest. His enthusiasm and tenacity overcame all obstacles and it is not going too far to say that the lives of many people, both Congolese and European, were saved during that critical period by his personal interventions on their behalf. ONUC was well served by his presence in Stanleyville.

My dear Dr. Tavares de Sa,

Thank you very much indeed for your kind letter of June 22nd. It was most inspiring to have an opportunity of going through all the problems with you in connexion with the Office of Public Information and I do feel confident that with this invaluable guidance from your side and with the new key men we now have on the spot, it will be possible to move ahead fairly fast in the right direction.

I have had long talks with Norman Ho and Oscar Faure, "à deux et à trois". It would seem that everything has been smoothened out and I trust there will be a close and friendly co-operation. It is now only a matter of a day or two until the OPI has completed their move into the Royal building. Ho and Faure will have their offices next to each other.

I am happy to note that you have no objection against my writing you a line directly whenever I feel that such an approach would be necessary and helpful.

Thanking you again for all the help you have given us and looking forward very much indeed to having the privilege of meeting you again, and with fond personal regards,

Yours sincerely,

My dear Dr. Linner,

I have been wanting to write to you ever since I left Leopoldville, but the pace has been too hectic. However, I have thought of you so many times with friendship and admiration. And I appreciate your having given me so much of your time when so many pressing issues were bearing down on you.

I had a long talk with Norman Ho and gave him what I hope were very clear directions for our whole information effort in the Congo, along the lines we discussed when I was in Leo and on which we found ourselves in such basic agreement.

Two points I made very clear to Norman Ho. First, that he was to follow faithfully your desires and suggestions, and to consult you on everything that was not purely routine or technical. Secondly, that he was the head of our whole information team and thus responsible for anything that went wrong. This of course means that he will have to handle Faure with tact and understanding, which I know he can do. I have had the best references on Norman Ho and I trust he will be truly helpful to you. If not, please let me know by a personal note.

It was truly a privilege to know you. I only hope our paths will cross often. Please convey to your wife my respects and my thanks.

From your friend,

Hernane Tavares de Sa

A Mr. Walter Hartzell wrote me, on May 27th, a letter (in Swedish), applying for a job with UNOC.

He has been abroad for some 25 years, of which 18 in Belgium and 7 in the ex-Belgian Congo. He is now secretary at the Tunisian Embassy in Stockholm.

In the Congo he worked as "agent provincial" in Leopoldville, Stanleyville and Matadi, travelling extensively in the northern and eastern provinces. He is a Swedish citizen, born in 1917, bachelor. Please note that I have not answered Mr. Hartzell's letter myself and I forward the above information for your consideration and decision.

Stockholm den 27 maj 1961.

Docent Sture Linnér *SL*

The United Nations Organization in the Congo

BP 7248

Leopoldville /République Fédérale du Congo/.

Jag har för avsikt att söka mig tillbaka till Kongo, för att ställa mina erfarenheter till FN:s tjänst.

Med anledning därav vill jag emellertid först framföra en vördsam förfrågan till Eder, huruvida jag har några möjligheter att vara till nytta för FN:s verksamhet i Kongo, detta med hänsyn till de erfarenheter jag hittills inhämtat och vilka framgår av följande korta beskrivning.

Jag har varit bosatt i utlandet under en tid av c:a 25 år, varav 18 i Belgien och sju i f.d. B.Kongo/förvärvsarbete f.o.m. 1952 t.o.m. 1959/. Jag innehar för närvarande en sekreterarebefattning vid tunisiska beskickningen i Stockholm. Franska språket behärskar jag flytande i tal och skrift.

I Kongo har jag varit verksam såsom "agent commercial". De första månaderna fick jag tjänstgöra såsom biträdande föreståndare inom livsmedelsbranschen i Leopoldville och sedermera såsom ansvarig föreståndare i Stanleyville och biträdande sekreterare hos direktionen i Matadi. Har företagit otaliga resor i Nord- och Östprovinserna. Har haft lätt att samarbeta med inföding-befolkningen i städer och i bushen. Ständiga kontakter med berörda centrala och lokala myndigheter.

I övrigt kan jag nämna, att jag är svensk medborgare /sedan födseln/; född 1917 och ogift. Har fört ett oklanderligt leverne och har goda referenser. Jag har avlagt abiturientexamen i Antwerpen omfattande även franska, engelska och flamländska språken. Efter att ha bevistat föreläsningar vid Stockholms Högskolas juridiska fakultet och vid Handelshögskolan har jag varit verksam inom handel och industri i olika underordnade befattningar.

Ovanstående beskrivning är givetvis kortfattad, då jag ej vet, huruvida detta brev skall nå fram till Eder eller ej men jag vill redan nu tacka Eder uppriktigt, för den upp-

märksamhet Docent Linnér hinner ägna denna min förfrågan.

Med utmärkt högaktning.

UNITED NATIONS ORGANIZATION
IN THE CONGO

INTER-OFFICE MEMORANDUM

25 March 1961

TO: All Registry Units

FROM: N.G. Robinson, Chief of Registry *N.G. Robinson*

SUBJECT: Staff Records

At a recent meeting held in the CAO's office it was decided that although a certain amount of duplication is unavoidable with the present decentralized system of registry, there are types of records, e.g. concerning the staff members which should be kept together at a central place.

All chiefs of sections present at that meeting were notified by the Chief Administrative Officer that they should not create individual staff members' case files in their offices and make arrangements to transfer all correspondence concerning the staff, both international and local, which might be in their custody to the registry in the office of Personnel.

It is requested that all registry units, other than the Personnel, should also re-examine their files and transfer all records pertaining to staff members to the registry unit in the Personnel.

Arrangements are being made whereby a staff member's file can be made available to all authorized persons. An instruction to this effect is being issued to all heads of sections asking them to send us the names of persons who will be authorized to withdraw the personnel files.

In this connection please note that it is not our intention at the present time to make the ONUC Staff Records Unit as elaborate as we have at Headquarters. Therefore the staff members' files will be restricted more or less to the "Official Status" type which include periodic reports, official letters of commendation or censure, application for employment, personnel actions (Form P.5), etc. If the need arises to set up a privileged or non-privileged confidential section on any particular person, this will be done on an ad-hoc basis after consultation with the chief of Personnel.

Mr. Veillet-Lavallee

..... With reference to our conversation
yesterday afternoon I enclose for your
information a copy of a memorandum I sent
to you on 12 March concerning Veillet-Lavallee.

12 March

1

Mr. S. Linner, Chief of Civilian Operations
S. Habib Ahmed, Chief Administrative Officer
Luluabourg

As you know Mr. Veillet-Levallee has asked to be released from ONUC for pressing family reasons. He will leave Luluabourg shortly and we have asked him to hand over charge to Mr. Gilpin. It is proposed in due course to transfer Mr. Kelly to Luluabourg and to bring Mr. Gilpin to Headquarters.

2. In view of the present workload in Luluabourg, Mr. Veillet-Levallee has advised that it would be most inadvisable to leave the office in charge of one substantive officer only and that pending the provision of a deputy Civilian Affairs Officer, we should expedite the appointment of the Social Affairs Officer requested in Mr. Veillet-Levallee's message 249-A addressed to you. You will no doubt give your consideration to this proposal, while we are following up with Headquarters the matter of strengthening of staff at the Field Offices.

Reference your 252, I would face serious difficulties in releasing Martin at present critical stage. Due to field requirements for political officers and necessity high degree selectivity, my immediate staff of political assistants is small and hard-pressed, and each member must have extensive background knowledge and good local contacts. Martin is a key figure in relations with national and provincial authorities in Leopoldville as well as with diplomatic representatives, and much of his work depends on carefully nurtured personal relationships. I sincerely hope you can arrange to continue his assignment here for at least another two to three months. I also trust that his career prospects and promotion possibilities will not be interfered with due his continuation since he is fully deserving.

Reference Field Service Cable 210, concerning possible assignment Mankiewicz of ICAO as Berthoud replacement.

I am most concerned about proper coverage in legal area, since apparently both Cox and Berthoud will depart in near future. The necessity for constant reliance in this very tricky situation on experienced and astute legal counsel causes me to question seriously whether Mankiewicz appropriate choice. We are not familiar his record but assume he does not have Unations field experience and familiarity with precedents other missions, which seem absolutely essential.

Fabry would be excellent choice, and perhaps Mankiewicz could replace him in Gaza. Failing this, I would urge you select another fully experienced Unations legal officer, preferably with some knowledge UNOC legal problems. In any arrangement, provision should be made for an overlap of ~~xxx~~ some weeks with Berthoud.

Reference your 180 we are making following moves in regard replacements for Olver and De Angelis.

Ahmed has been requested report Leopoldville no later than fifteenth, permitting Olver departure nineteenth. Short overlap period possible since Ahmed already familiar with many procedures and problems here and has already met most of top staff. *12 X 06 N X R*

Since Bloch wishes to maintain original plan to leave shortly and since we feel he should be permitted do so in view his arduous and excellent service at Kamina, we have dropped plans to use him further. Instead we are naming Dharman as Deputy Chief Administrative Officer in accordance with your suggestion and placing Marek in the post of Chief of General Services. *N 031 10 N* Marek's French is excellent and his capabilities and background fit needs of this post admirably. He will take with him functions of travel and freight administration, leaving only accommodations work in the former Travel and Accommodations Service. Georgecours has been supervising accommodations activities since departure Feiffer and Losky and is clearly capable of carrying on. These moves will permit De Angelis leave Leopoldville twentythird.

Above arrangements should give entire satisfaction and obviate necessity for you to assign additional administrative personnel here at this time.

Dear Mr. Naik,

This will acknowledge your letter of 3 October 1960 to Ambassador Dayal, which he has passed on to me for reply. Your offer of assistance is very much appreciated, and the Ambassador has asked me to express his personal thanks.

At the present time, we are unable to see clearly the permanent staffing requirements here, since much will depend upon the events of the next few weeks. To date, we have relied largely on our regular international staff for the key posts, supplementing them with technicians and specialists when particular skills are required. As of today, we have no vacancy for which your particular background would be especially useful, but we shall be glad to keep your letter on file for future reference. You are correct in your assumption that a working knowledge of French is a great asset here, and I must frankly state that we endeavour to recruit French-speaking personnel whenever possible.

Thank you again for your interest and your offer of help.

Sincerely yours,

John A. Oliver

Affaire Mr. Jean Médard Lukanda

Nous nous référons à votre memorandum du 11 février 1964 sur l'affaire sous rubrique, ainsi qu'à la lettre du Directeur administratif de l'ENDA y annexée.

L'utilisation sans autorisation des sceaux des Nations Unies et le faux commis en écritures sont des infractions réprimées par le code pénal.

Néanmoins, il résulte de la conversation que nous avons eue avec Mr. Yamin et de la lettre du Directeur administratif de l'ENDA, que la fabrication de l'écrit en question est tellement grossière que son usage ne peut ni tromper ni nuire et il s'agit donc d'une tentative impossible de la part de M. Lukanda.

En conséquence, nous sommes d'avis qu'aucune action des Nations Unies ne s'avère nécessaire dans les circonstances.
