

THE PRIME MINISTER

Central

Oslo, 20 December 2016

Dear Secretary-General

Now that you are approaching the end of your tenure as Secretary-General of the United Nations, which was described by the first Secretary-General, Trygve Lie, as the most impossible job on earth, I would like to congratulate you on all that you have achieved. Agenda 2030 with its ambitious Sustainable Development Goals and the Paris climate agreement are both outstanding achievements, and will form an important part of your legacy.

I would also like to thank you personally for having entrusted me with co-chairing the MDG and SDG Advocacy Groups. I will continue working for the realisation of these important global goals.

Yours sincerely

Erna Solberg

HE Mr Ban Ki-moon
