Excellency,

With reference to the continuing international efforts to establish a zone free of nuclear weapons and other weapons of mass destruction in the Middle East, especially the Middle East resolution adopted by the Review and Extension Conference of the NPT in 1995, as well as the Plan of Action of the 2010 NPT Review Conference on the implementation of the 1995 Middle East Resolution; which are the reference documents providing the basis of the initiative put forward by the Arab Republic of Egypt before the United Nations General Assembly on 28 September 2013, renewing the call for a Middle East free of weapons of mass destruction, I have the honor to officially inform you of the endorsement of the Union of the Comoros to declaring the Middle East a Zone free of nuclear weapons and other weapons of mass destruction.

I request that this letter be deposited as an official document in this regard.

Please accept, Excellency, the assurances of my highest consideration.
