H.E. Mr. Ban Ki-moon

Executive Office of the Secretary-General

New York, 27 April, 2011

Excellency,

I would like to take this opportunity to invite you to the closing session of the Steering Group of the Friends of Water on Rio+20 where the Group will introduce the findings and suggestions of its work on Water and Sanitation. The meeting will be held at the Permanent Mission of Hungary on the 11 May, 2012 between 1:15-2:45. The guest speaker of the working luncheon will be dr. Zoltán Illés, State Secretary of the Ministry of Foreign Affairs of Hungary.

The Steering Committee of Friends of Water was launched by the Permanent Missions of Finland, Hungary, Tajikistan and Thailand to discuss water and sanitation related issues in the context of sustainability and the upcoming Rio+20 Conference. The group has organized a series of thematic discussions during the spring of 2012 with the goal to bring added value to the sustainable development discussions through pragmatic and result-oriented approaches. We are proud to say that our meetings were regularly attended by about 70 UN Member States. We are converging on the idea of the necessity of a global goal on water and sanitation, and emphasize the importance of social involvement in reaching this goal.

The presence and intervention of your Excellency at the event would enhance the importance of both the topic, the event and the pragmatic, solution oriented thinking that we need so much for the success of the Rio+20 Conference.

It would be a privilege for the Steering Committee of Friends of Water and broader membership if you would be able to support our cause with your presence and intervention.

I would like to avail myself of this opportunity to renew to you and to the Protocol and Liaison Service of the United Nations the assurances of my highest consideration.

Yours sincerely,

Csaba Korösi
Permanent Representative
