Your Excellency,

It is with great pleasure that I write to you in my capacity as Chair of the World Bank/IMF Joint Ministerial Development Committee.

This year's topic for discussion at the Development Committee plenary session will be Finance for Development. As you well know, the UN, the World Bank Group, the IMF and the Regional Development Banks, have had an excellent collaboration on this agenda and their synergies have strengthened our global partnership. The Development Committee is an opportune time to bring together the heads of these institutions in advance of the United Nations Summit to adopt the post-2015 development agenda in September.

Your presence at this important gathering would be an honor and it is a privilege for me to invite you to attend and participate in this spring's Development Committee meeting, to be held in Washington, DC, on April 18 at 3:00 pm at the World Bank Headquarters. The 25 members of the Development Committee (Ministers of Economy/Finance or Development) will also be present together with the President of the World Bank Group, the Managing Director of the IMF and observer invitees including the WTO, OECD-DAC and the EC, among others.

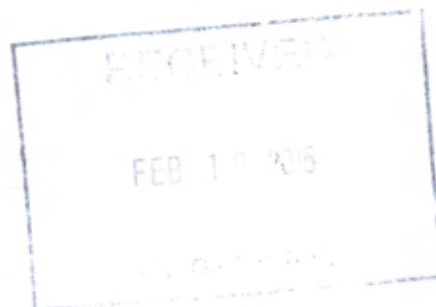

I would appreciate your earliest confirmation to attend this high-level meeting. Please confirm participation by writing to Ms. Jean Jacobson, Special Assistant, Development Committee Secretariat, at jjacobson@worldbank.org.

We would also highly appreciate it if you could provide us with a corresponding email address where we can send the agenda, documentation, and logistic information as it becomes available. Please note that this invitation is non transferrable and cannot be delegated.

Sincerely,

Marek Belka
