OUR PATROL ACTIVITIES ARE GOING ON AS PER SCHEDULE, EXCEPT TWO (2) PATROLS WERE CANCELLED DUE TO VEHICLES PROBLEM. GENERALLY, WE CONCENTRATED OUR PATROL ACTIVITY TO LUBIRIZI-KASHEKYE, ON THE REPORTING PERIOD WE MANAGED TO COVER THIS AREA FROM 0800 TO 24 HRS. (3) MEDICAL SITUATION

THE ARRIVAL OF A VOLKSWAGEN AMBULANCE FOR THE MISSION IS GREATLY APPRECIATED BUT THE ONLY SNAG IS THAT IT IS NOT A 4X4, ARE WORRIED WHETHER IT WILL BE CAPABLE OF MOVING IN THE PREDOMINANTLY STEEP AND SLIPPERY PARTS OF OUR OP AREA PARTICULARLY DURING THE RAIN PERIOD. THE AMBULANCE

DOES NOT BEAR THE UN AND MEDICAL SIGNS YET, BUT THE TRANSPORT OFFICER IS LOOKING INTO THE ISSUE.

(C) RELATIONS WITH NRA

THE RELATIONS WITH THE NRA IS ACCEPTABLE BUT WE ARE STILL NOT IMPRESSED BY THEIR LACK OF OPERATIONAL REQUIREMENTS TO SUPPORT THE MISSION. CLO STILL IN KAMPALA TO MAKE APPOINTMENTS FOR THE FC. THE EVASIVENESS OF THE NRA (TOP BRASS) NOT VERY IMPRESSIVE, THE CANCELLATION OF THE FC'S APPOINTMENTS CAME AS A SURPRISE, HOPEFULLY FC WILL STRAIGHTEN UP THINGS ON ARRIVAL.

3. VIOLATIONS, INCIDENTS AND COMPLAINTS

SEE DAILY SITREP 20 JANUARY 1994 PT II B PARA 2.

4. POLITICAL

CA ELECTIONS ARE STILL GOING ON. FOR MORE DETAILS SEE OUR INFORMATION SUMMARY SENT TO YOUR HQ ON 22 JANUARY 1994.

RUMOURS HAVE ONCE AGAIN STARTED IN KABALE, BUT THIS TIME FOR A DIFFERENT REASONS ALTOGETHER. THE RUMOUR IS THAT THERE ARE SOME YOUTHS WHO HAVE BEEN TASKED TO PRICK CERTAIN PEOPLE WITH POISONOUS NEEDLESS. THE VICTIMS ONCE ADMINISTERED, DIE AFTER COUPLE HOURS. THE AFFECTED AREAS ARE SAID TO BE MBARARA AND KABALE BUT THE RUMOUR IS ALL OVER THE COUNTRY. FROM OTHER SOURCES, THIS RUMOUR SEEM TO HAVE SOME POLITICAL OVERTONES, AS THE RACE TOWARDS THE CA ELECTIONS DRAWS TOWARDS THE END. ONE PERSON

ALLEGED TO BE CONNECTED TO THE POISONOUS PRICKING GROUP IS SAID TO HAVE BEEN MURDERED BY AN ANGRY CROWD 5 KM FROM KABALE ALONG THE KABALE/KATUNA ROAD. INTERVIEWS CONDUCTED ON THE ISSUE TO THE LOCAL MEDICAL DOCTORS INDICATE THAT THE RUMOUR IS LIVE BUT CONFIRMATION OF THE SICK AND DEAD IS A PROBLEM. THE NATIONAL PAPERS CARRIED ARTICLES ON THE SUBJECT BUT NO CONCLUSIVE INFORMATION HAS COME TO LIGHT.

5. ADMINISTRATIVE AND LOGISTICAL SUPPORT

REPEATER STATION. EXTENSIVE GROUND RECCE IS BEING CARRIED OUT IN THE GENERAL AREA OF KAMWEZI AND LUBIRIZI TO INSTALL A SECOND REPEATER STATION. THIS HILLY AREA IS GIVING GREAT PROBLEMS TO COVER THE WHOLE AREA, AND ALSO THE DEAD GROUND.

REPROGRAMMING OF RADIO. REPROGRAMMING OF 4X4 RADIO IS GOING ON SO THAT COMMUNICATION CAN EASILY BE MADE BETWEEN 4X4 TO 4X4 AND 4X4 TO DIFFERENT HQS AND VICE VERSA.

CONSTRUCTION OF AREA WEST HQ AND LUBIRIZI CHECK POST IS GOING ON. IT IS PRESUMED THAT IT MAY TAKE MORE A MONTH TO BE READY.

A HELIPAD HAS BEEN IN CONSTRUCTED IN THE BATUMA COMPLEX NEAR TO MISSION HQ AND AREA EAST HQ.

OUR TRANSPORT SITUATION IS STILL FAR FROM IMPROVING. VEHICLE BREAKDOWNS ARE COMMON PLACE. TRANSPORT OFFICER DOING HIS BEST BUT FLEET

FROM ANGOLA TOO OLD AND SPARES A PROBLEM TO FIND IN KABALE LET ALONE IN UGANDA AS A WHOLE. STRONGLY REQUEST YOU TREAT THIS ISSUE AS URGENT.

6. LIAISON, CONTACTS AND MEDIA

THE A/CMO INTENDS CONDUCTING HIS NORMAL LIAISON MEETINGS WITH THE DIVISIONAL COMD (MBARARA) BRIG. COMD AND THE DA KABALE THIS WEEK.

A FRIENDLY SOCCER GAME HAS BEEN FIXED ON 26 JANUARY (LIBERATION DAY IN UGANDA) BETWEEN UNOMUR AND KABALE POLICE TEAM. THIS GAME IS INCLUDED IN THE OFFICIAL LOCAL PROGRAM.

7. OBSERVATIONS

THE INCREASED MOVEMENTS IN THE LUBIRIZI/KASHEKYE AREA IS BEING TREATED AS A PRIORITY AND PATROLS MONITORING THE AREA ON 24/7 BASIS ON SHIFT BASIS UNTIL ACCOMMODATION IS COMPLETE.

2. UNOMUR COMMUNICATION STATE

a. Walkie Talkies - We have a total of 18 Walkie Talkies. The distributions are as follows:

(1)	Area East	=	6
(2)	Area West	=	5
(3)	Mission HQ staff	=	6
(4)	Military liaison Officer in Kampala	=	1

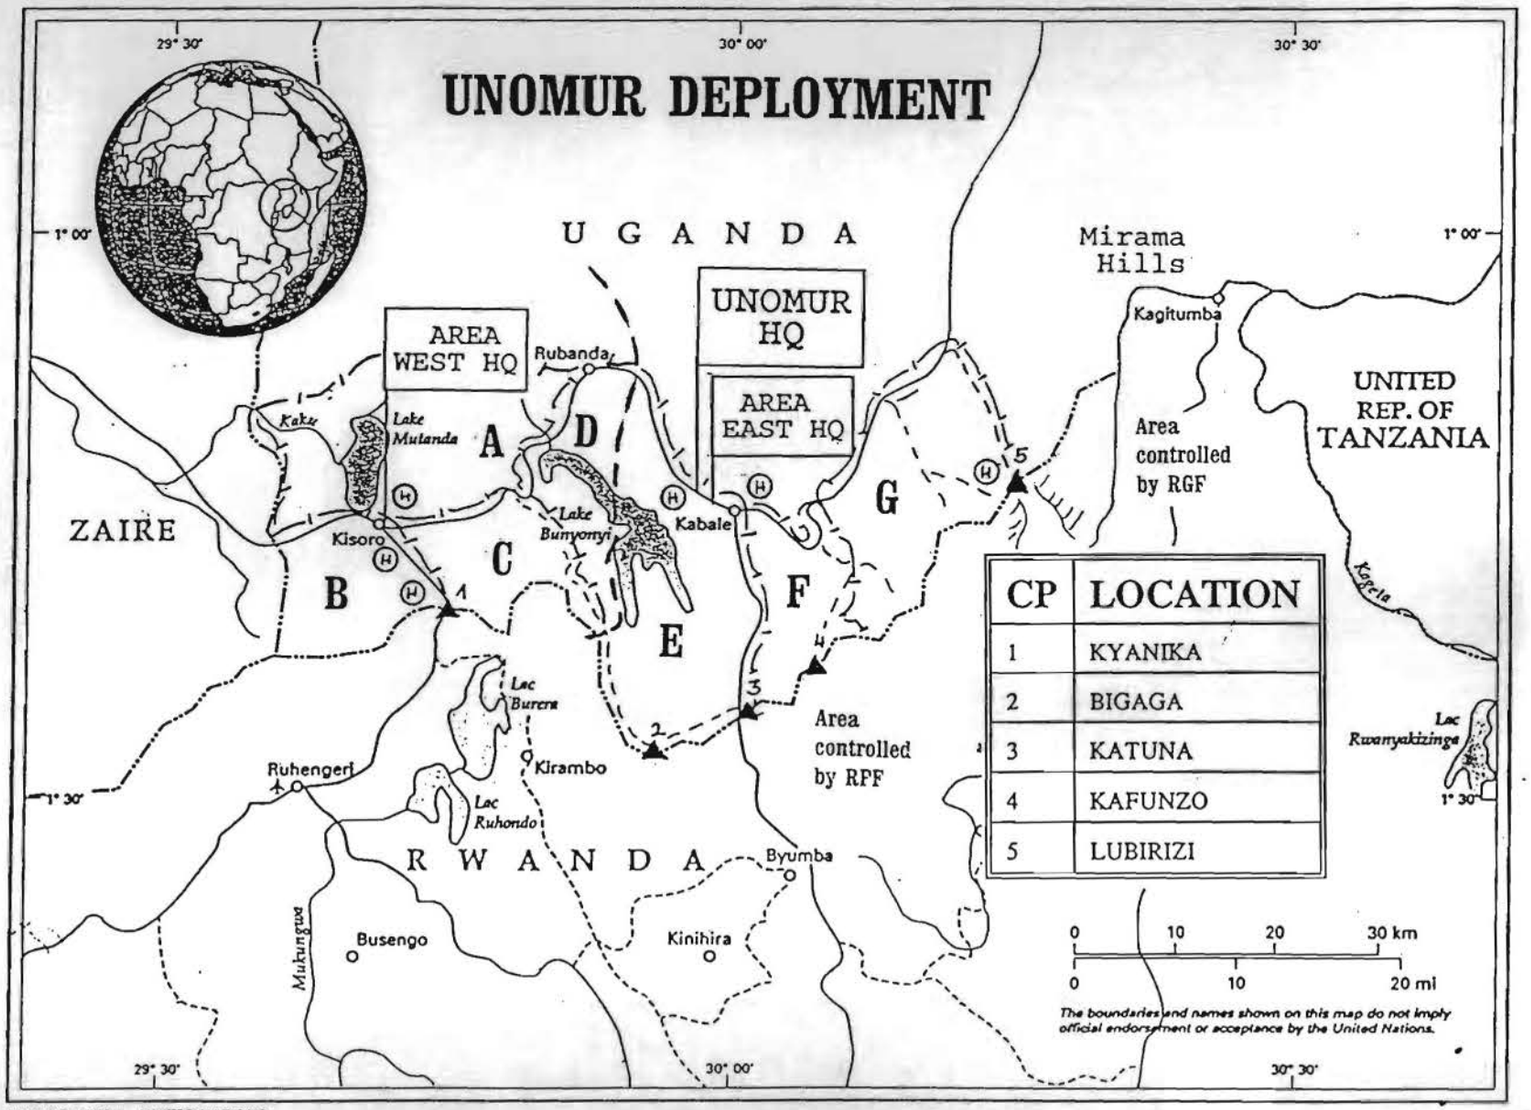
b. Repeater Station - A Repeater station was installed to improve communications, our previous comms problems with Cyanika are now over we need a base station in Area West HQ. A 2nd Repeater Station is going to be installed near the Lubirizi area to cover the whole of operational area.

c. Radio Set in 4/4 - All operational 4x4 vehicles are now fitted with Motorola radio sets.

Deployment

CP1 and 3 are manned on 24/7 basis, plans are at an advanced stage to up grade the operational manning of Lubirizi to 24/7 irrespective of whether the infrastructure is complete. The urgency to rapidly mann Lubirizi on a 24/7 is precipitated by the increased movement of people and vehicles of late. Temporarily the teams will leave in tents up to the time when their accommodation at Lubirizi is ready. A section of NRA soldiers plus one X Officer have been lined up for the task.

Four (4) Caravans, two at each CP (Bigaga and Kafunzo) are being arranged but still far out of sight, recommendations sent to NY.



MAP NO. 3778.1 UNITED NATIONS
APRIL 1993

DETAILED ORGANIZATION OF NRA SUPPORT

1. Personnel

To date, the NRA has provided a total of five (5) Liaison Officers (four (4) in kabale and one (1) in Kampala and 65 soldiers which are deployed as follows:

	Officers	Other Ranks
Kabale mission HQ	3	8
Area East	1	37
Area West	1	20

One Officer and a Section of Seven soldiers are deployed at Katuna and four (4) soldiers are at Cyanika on permanent basis. The remainder provide escort and guard duties.

2. Transport:

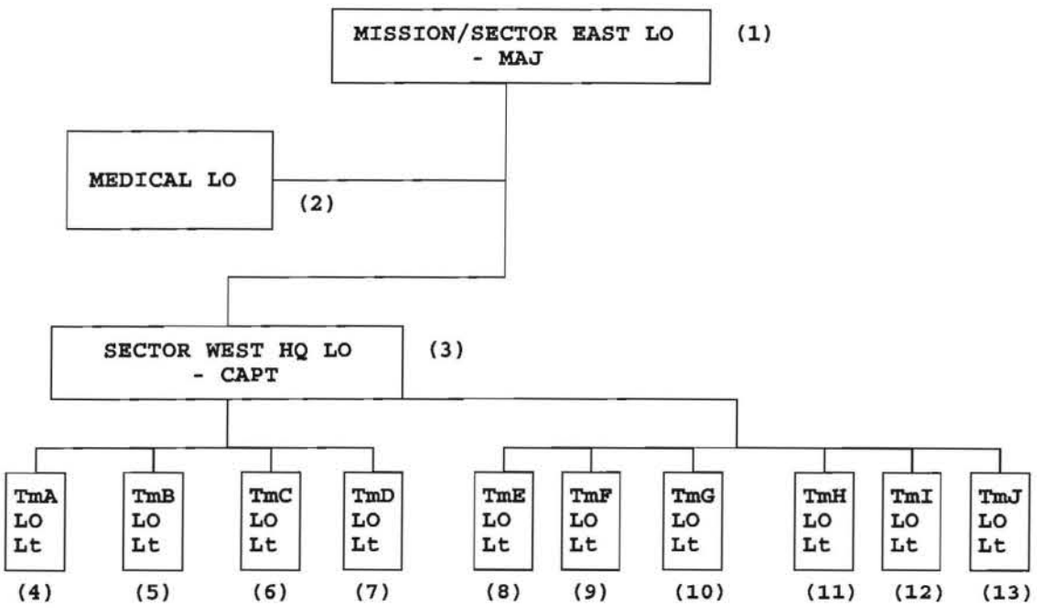
The NRA transport situation is very desperate up to now only two (2) 4x4 landrovers have been given to the NRA by their Army HQ. These vehicles are old and therefore, their serviceability is doubtful. At present, only used for purely admin. by the NRA Officers. Their monthly fuel allocation of 2000 litres is by far insufficient. By modest calculations a minimum of 7500 litres a month will be adequate.

One vehicle is allocated to their HQ in Kabale while one is in Kisoro.

3. Communication:

The NRA has no comms. They rely heavily on a single Walkie Talkie radio on loan from UNOMUR. Of recent, they also acquired a telephone in their Office. This is indeed very sad and our patrols are seriously affected as a result thereof.

NRA LIAISON ORGANIZATION



(a) NRA has so far provided
1 x Major
4 x Lts

(b) Outstanding 8 x Officers

Forty-eighth session
Agenda item 164

FINANCING OF THE UNITED NATIONS OBSERVER MISSION UGANDA-RWANDA

Report of the Fifth Committee

Rapporteur: Mr. Mahbub KABIR (Bangladesh)

I. INTRODUCTION

1. At its 22nd plenary meeting, on 8 October 1993, the General Assembly, on the recommendation of the General Committee, decided to include in the agenda of its forty-eighth session an item entitled "Financing of the United Nations Observer Mission Uganda-Rwanda" and to allocate it to the Fifth Committee.

2. At its 44th and 46th meetings, on 19 and 22 December 1993, the Fifth Committee considered the report of the Secretary-General on the financing of the United Nations Observer Mission Uganda-Rwanda (A/C.5/48/40) and the related report of the Advisory Committee on Administrative and Budgetary Questions (A/48/782). Statements and observations made in the course of the Committee's consideration of the item are reflected in the relevant summary records (A/C.5/48/SR.44 and 46).

II. CONSIDERATION OF DRAFT DECISION A/C.5/48/L.27

3. At its 46th meeting, on 22 December 1993, the representative of Japan introduced a draft decision entitled "Financing of the United Nations Observer Mission Uganda-Rwanda" (A/C.5/48/L.27).

4. At the same meeting, the Committee adopted draft decision A/C.5/48/L.27 without a vote (see para. 5).

75 3/3

III. RECOMMENDATION OF THE FIFTH COMMITTEE

5. The Fifth Committee recommends to the General Assembly the adoption of the following draft decision:

Financing of the United Nations Observer Mission Uganda-Rwanda

The General Assembly, in accordance with the framework set out in General Assembly resolution 48/227 of 23 December 1993, having considered the report of the Secretary-General on the financing of seventeen peace-keeping operations 1/ and the related reports of the Advisory Committee on Administrative and Budgetary Questions, 2/ and concurring with the observations of the Advisory Committee:

(a) Notes that the integration of the United Nations Observer Mission Uganda-Rwanda within the United Nations Assistance Mission for Rwanda is purely administrative in nature and that it will in no way affect the mandate of the United Nations Observer Mission Uganda-Rwanda as set out in Security Council resolution 846 (1993) of 22 June 1993;

(b) Decides that, in view of the commitment authorization provided by the Advisory Committee on Administrative and Budgetary Questions to the United Nations Observer Mission Uganda-Rwanda, in accordance with General Assembly resolution 46/187 of 20 December 1991, no action is required at this time pending consideration of the report of the Secretary-General on the financing of the United Nations Observer Mission Uganda-Rwanda.

1/ A/C.5/48/40.

2/ A/48/778 and A/48/782.

(2) CP/OP

KYANIKA AND KATUNA CONTINUE TO BE MANNED ON 24/7 BASE. THE LOGISTIC ON BOTH POSTS IS GETTING MORE AND MORE SATISFACTORY; ONLY SOME MINOR REPAIRS HAVE TO BE DONE. AT LUBIRIZI, CONSTRUCTIONS HAS EARNESTLY STARTED BUT AT A SLOW PACE. THE CONSTRUCTOR HAS HOWEVER, PROMISED THAT THE CONSTRUCTION WILL BE READY BY THE 10 FEBRUARY.

(3) PATROLS

OUR PATROLS ARE GOING ON AS SCHEDULED. THE BOAT PATROLS ARE NOT BEING CONDUCTED ANYMORE BECAUSE THE OWNER OF THE BOATS DISAPPEARED LAST WEEK. WHEN WE INVESTIGATED THE SITUATION THE WIFE OF THE BOAT OWNER SAID THAT HER HUSBAND HAD GONE TO KAMPALA FROM WHERE HE WOULD GO OUTSIDE UGANDA. FURTHERMORE, ONE OF OUR AREA EAST PATROLS FOUND A 5 TON LORRY AT KAMWEZI MARKET AT 10:30 HRS. THE LORRY WAS STUCK IN MUD DUE TO BAD ROAD CONDITIONS. THE PATROL ENQUIRED FROM THE DRIVER THE NATURE OF HIS CONSIGNMENT AND WHERE HE WAS GOING TO. THE DRIVER REPLIED THAT HE WAS CARRYING MAIZE AND HE WAS GOING TO RWANDA. WHEN THE PATROL ASKED HIM WHY HE WAS USING SUCH BAD ROADS, HE REPLIED THAT HE KNEW BETTER HOW AND WHERE TO GO. REALIZING THE SITUATION THE PATROL IMMEDIATELY WENT TO THE NRA BATTALION AND MET THE COMMANDING OFFICER MAJOR KAMORIRI. HE ORGANIZED SOME SOLDIERS AND TRIED TO GO NEAR TO THE 5 TONNER BUT BY THEN THE LORRY STARTED MOVING TOWARDS THE BORDER. THE

CO (MAJOR KAMORIR) STOPPED THE VEHICLE AND CHECKED IT LIGHTLY AND OPENING A PART OF THE OUTER COVER, HE THEN SAID TO US THE VEHICLE WAS CARRYING MAIZE. THE PATROL TRIED TO LET THE NRA CHECK THE VEHICLE AGAIN AT KASHEKYE POST. THEY DID NOT SUCCEED BECAUSE THE DRIVER TOLD THE NRA GUARD THAT IT WAS A RED CROSS VEHICLE CARRYING FOOD, SO THE GUARDS DID NOT CHECK IT. THE VEHICLE THEN CROSSED THE BORDER HURRIEDLY INTO RWANDA. THE DRIVER WAS FRENCH SPEAKING, THE TRUCK NUMBER WAS UPB 737 THE COLOR OF THE TRUCK IS ORANGE. SINCE THE TRUCK CROSSED THE BORDER HURRIEDLY AND THE NRA DID NOT CHECKED THE TRUCK FULLY, SO THERE IS A POSSIBILITY THAT THE TRUCK WAS CARRYING UNAUTHORIZED EQUIPMENT. OUR HELICOPTER PATROLS HAVE NOT TAKEN OFF THE GROUND, BUT ARE ENERGETICALLY PURSUING THE HELIPAD CONSTRUCTION.

(3) MEDICAL SITUATION

OUR TRANSPORT OFFICER BROUGHT THE AMBULANCE FROM KAMPALA ON 16 JANUARY 1994.

(C) RELATIONS WITH NRA

IN GENERAL OUR RELATIONSHIP WITH NRA IS GOOD. BUT AT THE AREA OF KAMWEZI AND LUBIRIZI/KASHEKYE THEY DO NOT SHOW A POSITIVE ATTITUDE TO OUR PATROLS MAY BE THEY HOLD BACK SOME INFORMATION OF VEHICLE MOVEMENT (SEE PT 3 PATROLS), THEREFORE THE ROLE OF THE NRA AT KAMWEZI AND THEIR RELATION WITH THE RPF MAY BE REASSESSED.

3. VIOLATIONS, INCIDENTS AND COMPLAINTS

SEE SITREP OF 14 JANUARY 1994 PARA III/B.

AT 171000C JANUARY 1994 RECEIVED A COMPLIANT FROM RWANDESE EMBASSY, KAMPALA BY TELEPHONE, THEY COMPLAINED ABOUT THE MOVEMENT OF RWANDESE PEOPLE (RPF) IN THE KAMWEZI GENERAL AREA. COMPLAINANT WAS INFORMED THAT NECESSARY ACTION HAD ALREADY BEEN TAKEN.

ON WEDNESDAY 15 JANUARY 1994 AT LUBIRIZI AREA THE RGF AND RPF EXCHANGED SOME MORTAR ROUNDS. THE NRA TROOPS IN THE AREA REMAINED CALM.

4. POLITICAL

CA ELECTIONS ARE IN PROGRESS. VICIOUS CAMPAIGNS ARE GOING ON WITHOUT ANY INCIDENTS. A NUMBER OF OBSERVERS FROM THE EMBASSIES ARE NOW IN THE AREA.

5. ADMINISTRATIVE AND LOGISTICAL SUPPORT

RECENTLY, A COMMUNICATION REPEATER STATION WAS INSTALLED, AT LAKE BUNYONYI. COMMUNICATION WITH AREA WEST HQ AND CYANIKA CHECK POST HAS IMPROVED NOW BUT IT IS NOT SUFFICIENTLY COVERING THE WHOLE AREA. PLANS ARE ON THE DRAWING BOARDS TO INSTALL A SECOND REPEATER STATION TO COVER THE KAMWEZI/LUBIRIZI AREA. OUR TECHNICIAN IS WORKING FLAT OUT TO ENHANCE OUR COMM'S AS IT IS AFFECTING OUR DEPLOYMENTS. ONCE 2ND REPEATER STATION IS INSTALLED YOUR HQ WILL BE INFORMED ACCORDINGLY.

COMMUNICATION BETWEEN THE PATROL PARTY I.E 4X4 TO 4X4 NOW IMPROVED, ALL 4X4S ARE FITTED WITH NEW MOTOROLA RADIO SET.

6. LIAISON, CONTACTS AND MEDIA

NTR.

7. OBSERVATIONS

THE NRA IS VERY UNCOMFORTABLE WITH THE LAUNCHING OF THE BOAT PATROLS, THE REASONS FOR THEIR CONCERNS IS UNCLEAR, THE RESPONDENT HAS HOWEVER BEEN INFORMED THAT THE PATROLS WILL CARRY ON. THE RC 5 WHO IS THE CONTRACTOR HAS SINCE DISAPPEARED, WILL KEEP YOU INFORMED OF ANY DEVELOPMENTS.

FAX NO: (07) 84266	FAX NO: 256 486-23816
SUBJECT: UNOMUR INFOSUM/04 PERIOD 10 JAN TO 16 JAN 94	

1. THE SITUATION INSIDE UNOMUR AREA IS CALM.
2. THE CAMPAIGN OF THE CA IS STILL GOING ON; THE GOVERNMENT SEEMS TO BE A LITTLE WORRIED ABOUT GETTING THE MAJORITY IN THE NORTH OF THE COUNTRY.
3. THE CONTINGENT OF 170 MEN FROM NRA WHICH WENT TO LIBERIA ARRIVED THERE WITHOUT PROBLEMS.
4. ON THE 13TH, OUR PATROL AT KASHEKYE AREA MET TWO RPF OFFICERS (ONE LtCol AND ONE Maj) WHO WERE COMING FROM UGANDA RIDING A HONDA MOTORBIKE. THEY WERE IN UNIFORMS AND BLAMED OUR MILOBS FOR PATROLLING CONSTANTLY THAT AREA AND CHECKING VEHICLES, AS IT WAS THEIR MAIN SUPPLY ROUTE. THEY ALSO KNEW A LOT OF NAMES FROM UNOMUR SENIOR STAFF OFFICERS. THE DIRECTION WHERE THEY CAME FROM AND THE ATTITUDE OF THE NRA PERSONNEL IN THAT AREA SUGGESTS THAT MAYBE THEY WERE AT THE KAMWEZI NRA BN TO PERFORM SOME KIND OF LIAISON WITH THE BN OFFICERS, BUT THIS IS NOT CONFIRMED.

5. ATTACHED TO THIS SUMMARY THERE IS A TABLE WITH THE ANALYSIS OF KATUNA (CP/OP 2) CROSSINGS UP TO 31 DEC 93. IN THE DAYS PRECEDING THE RPF CEREMONY AT MULINDI (27 DEC), A HUGE NUMBER OF PASSENGERS CARS CROSSED THE BORDER TO RWANDA, COMING BACK IN THE FOLLOWING TWO DAYS. NINETY PERCENT (90%) OF THESE CARS CROSSED THE BORDER AT KATUNA FOR THE FIRST TIME. AS XMAS DAY HAD ALREADY GONE, ONE POSSIBILITY IS THAT THEY WERE GOING TO ATTEND THE RPF CEREMONY. WE ARE ALSO EAGERLY TRYING TO FIND OUT INSIDE OUR OPS AREA, THE CARS WHICH ARE MOVING IN/OUT WITHOUT PASSING THROUGH THE CHECK-POINT.

6. ON THE 14TH, SEVEN (07) VEHICLES FROM THE RED CROSS AND TWENTY-SIX (26) FROM THE WFP CROSSED TO RWANDA.

7. ON THE 14TH, AROUND 0830LC, KATUNA CP/OP OBSERVED A VERY BIG NUMBER OF RPF SOLDIERS {BDE(-) STRENGTH}, MOVING TOWARDS SOUTH IN THE MAIN ROAD TO KIGALI. THE SOLDIERS WERE SINGING AND CARRYING THEIR ARMY BAGS AND INDIVIDUAL WEAPONS.

8. ALSO ON THE 14TH, 1150LC, ONE OF OUR PATROLS (EP/6) REPORTED THAT THERE WAS A FIRE EXCHANGE BETWEEN RPF AND RGF FORCES AT LUBIRIZI AREA. AROUND SEVEN (07) MORTAR ROUNDS WERE FIRED. INTENTION AND COURSE NOT IMMEDIATELY KNOWN BUT UGANDA'S NRA REMAIN CALM.

9. <u>KEY FOR THE CROSSING TABLE</u>:

   A. THE LETTER BEFORE THE LICENSE - 'P'= PICK UP; 'T'=TRUCK; 'J'=JEEP; 'C'=CAR; 'B'=BUS AND ?=TYPE UNKNOWN.

   B. ENTRIES OR EXITS WITHOUT THE RESPECTIVE MOVEMENT BACK - THE FIRST FIGURE INDICATES THE NUMBER OF EVENTS AND THE FOLLOWING FIGURES THE LAST DATES THAT IT HAPPENED.

   C. REMARKS - ANY SPECIAL DETAIL SUCH AS VEHICLES THAT CHANGED TYPE/COLOR WITH THE SAME PLATE.

   D. SUPPLY TIME - IN HOURS.

SUBJECT: **Request for Re-assignment to UNAMIR**

Reference our verbal conversation of 3rd January 1994, during which I informed you of my interest to be re-assigned to UNAMIR-KIGALI, I wish to hereby confirm this request in writing and would be very grateful if the Administration could consider my re-assignment to the above mentioned Mission.

Although originally selected for UNAMIR-RWANDA I have immensely enjoyed working with UNOMUR, which has given me a first hand experience of "Field Service". It is my wish to stay in the mission area, for both professional and personal reasons. Professionally, I feel, better suited to a larger mission, as I have been previously in New York, and as such UNAMIR is one. Personally, I feel, that my languages will be of more use in the UNAMIR mission, as I speak French and Swahili which are widely used in Rwanda.

I trust that you will support this application.

RPF

Colonel Alex Kanyarengwe (left), President of RPF Party, pulled in massive local support, while Colonel Isoa D. Ticoca (right) representative of UN military observer team, over looks the exercise of sending 600 soldiers to Kigali

ond major offensive in November and December 1990 in which nearly 10,000 Rwanda soldiers were deployed to fight rebel remnants at Ulusumo and Gatuna.

By now the RPF had moved to mobile guerilla warfare in which they moved behind enemy lines planting mines and ambushing moving vehicles. The change in war tactics enabled the RPF to master the terrain and also enabled them to inflict heavy losses on the roaming Rwanda soldiers. By December 1990, the RPA had managed to kill nearly 3,000 Rwanda soldiers and had also captured a lot of arms from them. By now a good number of RPA units had moved into the Byumba Mountains. Again, the government sent in another offensive of nearly 4,000 men in the ensuing battles which lasted up to January 1991, in which RPA killed nearly 1,000 Rwanda soldiers. Then Rwanda decided to slow down.

By now Colonel Dodo Tuhairwe and the late Capt. Didas Kaitare were working on something that would jolt Habyarimana's senses to the marrow. Both officers led a small hardened group into a two-week concealment near Ruhengeri Maximum Prison, and finally stormed the prison on January 23, 1991, and releasing 2,500 detainees, among them Major **T. Lizinde** former Head of Security who had been in prison for nearly 10 years, Commander **Biseruka** now promoted to a full colonel and Captain **Donald Muvunanyambo**.

"That attack," Major-General Kagame said, "marked a turning point. It showed the people that we had overcome the initial problems and it created confidence among our fighters. The support which had dwindled was rekindled and we took advantage of the infusion of money and other forms of support to train more people. From then on, the struggle was consolidated."

Luckily enough for the RPF, the released officers come from northern Rwanda, Habyarimana's homeplace. The RPA quickly placed them on its High Command and as a result of this new unity, the released officers shopped around for support for the RPF from the local population with much success.

In March 1991 the Rwanda government launched another offensive which involved nearly 8,000 men, basically to eliminate "rebel remnants" in Mutara, Ruhengeri and Byumba. The offensive also uprooted over 100,000 inhabitants of the contested areas, to deny the RPA their support. In addition, Government troops cut down all the banana plantations in order to deny RPF cover.

The offensive also aimed at removing one snag; the RPA had established its headquarters at Akagera Guest House, which used to be a tourist spot before the war. And it was probably the wish of Colonel **Deogratias Nsabimana**, then overall Rwanda Army Operations Commander, to dislodge the RPA from the Guest House.

But things could not move like clockwork, especially when the Akagera was under the command of the militarily adroit Col. **Dodo Tuhirwa**. Indeed in April 1991, Dodo's men ambushed and killed Colonel Deogratias Nsabimana at Kaborogota and in the following week, Dodo's men ambushed and killed Major **Habimana** (who had replaced Nsabimana) and Major Baruhanya. All in all, Dodo's men killed 54 soldiers in one ambush. After the death of these army leaders, there followed unrest in many government military units such as in **Kigali**, **Kanombe**, **Ruhengeri** and **Mutara**.

By now the **RPA** had become a real charging buffalo. Two buses full of Rwanda Army soldiers were set ablaze. The renewed strength of the RPA had forced the Rwanda army to change from launching offensives to mere shelling. What is more, the Rwanda army had become so fearful of the RPA that when the government sent in nearly 8,000 soldiers in July, 1991 to close in on RPA Camps in Butaro, Kitege and Nyamacucu, the battle lasted for a few days, and although the RPA killed only about 1,000 Rwanda soldiers, the rest, nearly 7,000 in number, took to their heels.

The first sign that the Rwanda army was slowly but surely surrendering was the fact that although the Rwanda government knew the exact positions of the RPA, on October 1, 1991, Government sent in only 400 soldiers to RPA-held areas of Kikoba, Kaborogota, Gishuru and Tabagwe who were beaten off quite easily and left behind 48 dead.

"You see," Major-General Kagame emphasised, "Habyarimana had gone to **Paris** and he had left behind strict instructions that the army should eliminate us within 10 days." "But after only four days they had received so much beating that on the fifth day the Rwanda

RPF: Victory at last

On December 27,1993, at Mulindi, the RPA Headquarters, Major-General **Paul Kagame** granted a two-and-a-half-hour interview to **Teddy Sseezi-Cheeye**, Editor of ***Uganda Confidential***, about the past three years of armed struggle, the present preparations to join the transitional government and the future plans of the RPF.

The influx of people from all over the world who had come to attend the function of seeing off **600 RPA** soldiers of the protection batallion, which is going to provide security for RPF officials in the forthcoming unitary government in **Kigali**,started off in high gear. On the hill of Mulindi, inside the big hall of the tea factory where tea sorting used to be done, more than 200 visitors and **RPA/F** officials met there on the night of December 26 to celebrate the end of the three-year armed struggle.

As usual, there was a lot of cultural entertainment. The following morning, on a field, the size of a football pitch where the tea authorities used to address workers, there were 600 soldiers lined up and ready to leave for Kigali. A military parade and a pavilion full of dignitaries: Col. **Tikoca**, deputy leader of the United Nations Monitoring team, accompanied by a dozen of his senior officers, OAU officials, two cabinet ministers in Habyarimana's government and a vice president of an opposition party.

In his keynote address, the president of the RPF party, Colonel **Alex Kanyarengwe**, commissioned **Paul Kagame**, Chairman of the RPA High Command to the rank of Major-General, and in return, Major-General Kagame read out the names of newly promoted army officers: 13 full colonels, 19 lt. colonels and 40 majors. After commissioning the army officers, Major General Paul Kagame read out five ministers, five deputy ministers and eleven parliamentarians who will join the transitional government in Kigali.

Throughout the parade, I tried to see, without success, some of the former NRA combatants whom we journalists used to see and talk to when the war had just started. All I could see were younger boys. The ones I had known were now the colonels, lt. cols and the majors on the pavillion.

In the afternoon, after the morning parade show, when I eventually met Major-General Paul Kagame, I pointed out that the soldiers I saw at the parade appear to me as new people and not the original soldiers who had deserted from the NRA, yet when one talks about the RPF, what comes to mind are the former NRA soldiers now in different uniforms, fighting against the Kigali authorities. "We used the NRA experience to train new people," said Major-General Paul Kagame. In order to appreciate how the NRA experience bailed the RPF out, one needs to look briefly in the rear.

The reason for the RPA's high morale after overcoming initial organisational problems, particularly after the death of their senior leaders, happened during their first year in the bush. RPA repulsed nearly 10 major offensives involving about 8,000 Rwanda soldiers at any one time mainly in earlier attacks between October 1990 up to February 1991, followed by smaller successive offensives of up to 400 soldiers between May and September 1991.

Following the RPA invasion and their brief occupation of Akagera National Park, in October 1990, the Rwanda government sent in nearly **5,000** soldiers with the aim of eliminating every member of the RPA and forcing them into the rough Muvumba border river.

The RPA tactically survived the October offensive popularly known as the **Ryabeho Offensive**, by basically thrusting deep into Rwanda instead of trying to defend their Akagera stronghold. Although at that time the RPA still had a lot of organisational problems such as large numbers of untrained civilians and poor methods of distributing the necessary logistics, their greatest problem was a lack of effective leadership due to the loss of their three commanders. Major-General **Fred Rwigyema**, Major **Peter Baingana**, and Major **Chris Bunyenyezi**.

Despite all these problems, Major-General Kagame organised the RPA at first into two groups, one led by Col. **Sam Kaka**, which headed for Ulusumo Rwanda's main outlet at the Tanzania border, while the remaining group led by Col. **Steven Ndugute** held out for a while in the park.

"Our aim at that time was to divert the attention of the enemy forces from our forces in **Byumba**," said Major-General Paul Kagame. He added," I instructed our soldiers in Ulusumo to hunt down the enemy."

At the same time, Colonel **Dodo Tuhairwe** and the late Captain **Didas Kaitare** trailed nearly 100 miles across mountains and established the RPA camp in **Gatuna** bordering Uganda in the North. By this time, although the Rwanda government had realised that the RPA had not crossed back to Uganda and had merely melted into the population, it went ahead and celebrated October 30 as **Victory Day**.

But on the ground, the Rwanda soldiers had now to spread out in an attempt to eliminate the rebels, and in fact launched the sec-

Army Commander started complaining that his soldiers were getting finished. We swept six batallions."

But in the final analysis, Habyarimana's undoing was in his own political strategies. For many years he had shaped his army as a mere secondary support wing to foreigners, notably Zaire, France and Belgium whom he had always believed would fight for him. He infested the army with soldiers from his own home region which looted the country's treasury beyond recognition. But most important, Habyarimana had always exploited imaginary differences between his people.

Indeed, during the first days of the struggle, the RPA faced a crew of foreigners fighting on behalf of Habyarimana. I asked Major-General Paul Kagame what happened to Habyarimana's mercenaries. "The Zaireans did not take long," Major-General Kagame said, adding that they had their own problems at home and they quit the show. When the French realised that they were dealing with a determined people, they gradually left."

In the meantime, in Rwanda the population which had been sat on for 17 years, slowly felt encouraged by the RPF rebellion and they too rose up against the system. Indeed nearly 20 publications have been launched while about 10 political parties have been established, all set to stab Habyarimana's iron-hearted leadership.

As the RPA gained more ground, the Rwanda government started to see the negotiations as a means of saving their own skin and playing for time. Thus they began to take the Arusha peace talks more seriously. The RPF took advantage of this military breakthrough and made it a condition that before serious talks could commence the French had to leave. Not an easy demand but the French eventually left anyway.

The peace talks held in Arusha, Tanzania, were long and tortured. The political negotiations commenced soon after the implementation of a ceasefire agreement, which was effective as of August 1, 1992. But this did not mean however, that the guns in northern Rwanda had been completely silent. The Neutral Monitoring Observer Group, confirmed at the time that there had been 71 violations, but they added that only a few could be regarded as serious incidents.

In the first round of post-truce talks, the adversaries engaged in the relatively academic exercise of drawing up an agreed protocol on national unity, the rule of law and human rights. Although combatants and observers alike commented that the concepts under discussion were universally accepted principles of democracy, it still took 10 days of bitter wrangling to reach an agreement.

Then came the next round of talks which were to address the crucial issue of power sharing between Rwanda's existing coalition government and the Rwandese Patriotic Front (RPF) during an interim period leading to multiparty elections. This debate was always difficult, not least because it involved the key question of the reduction of presidential powers. And indeed the difficulties involved were reflected in the very slow rate of progress.

It took the adversaries a whole week to come up with a joint working negotiating document. After the first full day of talks on that document they had only completed discussions on Article 1 of the 15 articles on the agenda. And that was after they had agreed to save time by not debating the preamble!

The difficulties seemed insurmountable. Although they wouldn't admit it, the government delegation was obviously having problems trying to please the entire spectrum of Rwanda's coalition government. Not surprising, when one considers that it now encompasses views ranging from those of the Liberal Party which has always been enthusiastic about negotiations with the RPF, to the views of President Habyarimana's MRND party, whose attitudes towards reconciliation have been characterised by varying degrees of reluctance.

The original position of the RPF was an extremist one. They asked for an entirely new supreme legislative body to be called the Committee for National Reconciliation (CNR). The RPF proposed that they should contribute half the members and that the other half should be contributed by all the political parties in the existing coalition government except the MRND.

This attempt to exclude the President's own party from the proposed new focus of power led many to condemn the RPF as unreasonable and intransigent. Not surprisingly, that round of talks ended in an impasse and it was very difficult to find any voice of optimism. But still the RPF managed to squeeze out the formation of three checks of possible political abuse: Human Rights Commission, Constitutional Commission and the Commission for the repatriation of refugees. Against the odds, the ceasefire continued to hold reasonably well and the parties returned to Arusha in early October 1992 to resume

discussions on how they would share power in the run-up period to elections. However, something was bound to happen.

Towards the end of 1992, Habyarimana again resorted to behaving ambiguously. He wanted to negotiate with only the RPA and a few RPF officials and wanted to exclude refugees. This pushed the RPA to a breaking point and in February 1993, in only 10 days, RPA overrun most of Northern Rwanda, doubled the area under their control threefold, captured more arms and sent the minds of the politicians in Kigali racing.

Suddenly an agreement was reached on the very point which all observers had feared would be the sticking point of the whole peace process.

A consensus was reached on the reduction of presidential powers. Under the agreement all executive powers are to be transferred from the President to the cabinet, on which the RPF will be represented. The President will still enjoy certain prerogatives but even those will be linked to a cabinet decision. One example given was the prerogative of declaring war. Declaring war will still be a matter for the President to decide on, but he will be able to make such a declaration following a relevant cabinet decision and the endorsement of Parliament. But why this sudden progress?

Agreement was also reached on the return of nearly 10,000 refugees, which Habyarimana had always refused to accept, preferring a proposed cosmetic measure of offering passports to Rwandese in exile so they can exercise their rights as nationals while in exile.

At the same time an attempt was made to impress upon the Rwanda government that the RPF held a sincere fear that President Habyarimana was trying to lead them into a trap. Indeed the RPF felt that he might be trying to trap the returning refugees.

The agreement reached appears to satisfy both sides. For the RPF it represents a working mechanism by which the President's powers have been curbed. For the government it represents a formula which satisfies the RPF but which at the same time does not involve a complete humiliation for their Head of State. The former Rwandan Foreign Minister, **Boniface Ngulinzira** also pointed out at the time, that in his opinion, the powers of the President in practice had already been considerably reduced with the formation of the existing coalition government.

By October 1993, the two sides agreed on the allocation of portfolios in the cabinet, the completion of a new transitional assembly which will replace Rwanda's existing parliament and the duration of the interim period of two years forwarded by RPF was approved as opposed to only three months suggested by the Rwanda government. But optimism remains at the talks that these issues will be resolved, facilitating a full protocol agreement on power sharing.

President Habyarimana: End of political philibyhical reasoning of " if the glass is full, where do you put more water."

Of course, ultimately the question of who commands the loyalty of the army will be crucial to the enforcement of any peace process in Rwanda. For some time the army has been seen as harbouring a disproportionate number of recruits from the President's home area.

But it should be remembered that since the war started, the complexion of the army has drastically altered, increasing in size from around **8,000** to around **40,000** men and it is difficult to assess whether this expanded force has any coherent political loyalty.

Officially the Rwandese government argues that the army is neutral and accountable. Many doubt this and will continue to doubt it unless the composition of the Rwandese army can be shown to be politically and regionally balanced. This question along with the modalities of the repatriation of refugees were the outstanding issues.

The RPF demanded that their forces be integrated into the government army and indeed that half of the new army be drawn from their ranks. The government agreed to the integration in principle but found the RPF's demand that they form 50% of the new force completely unpalatable. And that was before the donor community decided that no conclusion on any Rwanda issue should be reached without the participation of the RPF. Rwanda quickly read the signs and agreed that the RPF should contribute 40% of the 19,000 reduced armed forces. Furthermore the Rwanda government agreed to a 50% share of the army leadership, for the RPF.

With all those military gains and hefty political achievement, RPF has certainly won the struggle to return home. Even the UN will write a historical chapter of refugees who grew up, took up arms and fought their way home.

The Habyarimana government has no way out but to accept to live with them. I asked Major-General Kagame if the Burundi experience had undermined the RPF. "Yes, it did to some extent," said Kagame, "Fortunately, it happened long after we had proved that we are above ethnical questions, so over time people have overcome the Burundi experience." Going by the manner in which the government of Rwanda has positively responded to the peaceful change, there is no doubt that the people of Rwanda have a chance to avoid committing the mistakes committed in Burundi, Somalia and Liberia. The signs of a bright future hung everywhere in Mulindi, on December 28, 1993, as the government of Rwanda sent a helicopter and fleet of ministerial Mercedes Benz cars for the RPF ministers, parliamentary representatives and buses for the 600 soldiers.

Perhaps one main factor that has facilitated the greedy peaceful solution to the Rwanda crisis is the fact that for the first time the international community, particularly the USA and the UN forces, took trouble to study the concrete realities of Rwanda and helped the two parties to solve their problem instead of imposing their views on them. Indeed the international army, first the OAU forces, and then the UN forces tried and successfully learnt the root cause of the problem.

Not suprisingly, the Rwanda government soon developed cold feelings towards these forces simply because it has always preferred to just gloss over the issues and dislikes anybody who really bothers to study the root cause of the troubles of that nation.

Indeed two days before the RPF officials arrived in Kigali, the UN forces made a surprise inspection of the ministries which had been allocated to the RPF, ordered everybody out and locked the offices in order to pre-empt any act of subversion.

Finally I asked Major General Kagame what would happen if Habyarimana backtracked on the agreement and attacked the 600 RPA soldiers in Kagali. "It would be a mistake on his part because we have the capacity to rescue them," said Major-General Kagame. ◆

La Mission d'observation des Nations Unies Ouganda/Rwanda

UNOMUR/HQ, KABALE, January 10th, 1994

TO: The Minister of Defense of the Republic of Uganda.

Excellency,

According to the information letter of the Permanent Representative of the Republic of Uganda in the UN, Prof Perezi K. Kamunanwire, which was sent to the Secretary General and dated 16 Aug 1993, your government had completely adhered to the SC resolution 846 of 22 June, 1993 which implemented UNOMUR inside Uganda. It was required in the agreement that freedom of movement for the MilObs inside the mission area was a condition "sine qua non" to perform their duties in a proper way. This agreement is still valid when the UNOMUR mandate was extended, corresponding to the SC resolution 891 of 20 December, 1993.

However, in several times we had our movement restricted by NRA officers, without any reasonable explanation. In the last one, dated 04 Jan of this year, at 2330 hours, one of our patrols was delayed by the NRA post at KASHEKYE, while following a suspected truck moving to the border at night. This attitude is a clear violation of the agreement between UN and the Government of Uganda, and I kindly request your action to avoid that facts of this nature happen again in the future, reinforcing that freedom of movement is a vital condition for the MilObs of UNOMUR carry on with their tasks and thereby show to the international community that the your country is not involved in supporting the RPF.
Please accept Excellency the assurance of my highest consideration.

Subject: Border Crossing at Katuna

In reference to our conversation this past weekend about my monthly meeting in Kigali which takes place every first Friday of the month. As the scheduled Uganda Airlines flight for Thursday 6 January between Entebbe and Kigali has been cancelled, it would be appreciated if you would allow me to cross the border between Uganda and Rwanda at Katuna on Thursday 6 January 1994 at noon in order to attend the meeting on Friday 7 January at 09:00, and to return through Katuna on Saturday 8 January 1994 at noon local time. If approval for the return cannot be secured at this point, I will make arrangements to return by air through Entebbe the following Sunday.

Your usual cooperation in this matter would be greatly appreciated.

Subject: Weekly Diplomatic United Nations Pouch/Transport Between Kabale and Kigali

UNOMUR and UNAMIR headquarters are planning to start a weekly diplomatic mail run on Wednesdays for administrative matters between their areas of operation, Kabale and Kigali. If approved, the Wednesday transport, driven by a UNAMIR international civilian staff member, will cross the border at Katuna at 12:00hrs LT and proceed directly to UNOMUR headquarters in Kabale. It is planned that the vehicle will return to Kigali, crossing the border at Katuna at 14:00hrs LT on the same day.

The mail run will only carry official administrative matters and from time to time may carry UN property as well as technical civilian international personnel; at which point we will inform you in advance of such transport.

The UNOMUR hereby requests your approval of this weekly diplomatic mail run where your usual cooperation will be greatly appreciated.

Subject: Border Crossing at Katuna

As the UNOMUR has failed to move to Rwanda all personal effects of its civilian international staff members who have been assigned to UNAMIR, we hereby request your approval to have about twenty boxes of personal effects transported over the border at Katuna.

The UNOMUR intends to send these boxes with the UNOMUR truck plate No: UNOMUR-40 driven by a UNOMUR staff member to the Katuna border where the truck will be handed over to a UNAMIR staff member to drive to Kigali. The truck will return the next day where the vehicle will be, once again, handed over at the border to a UNOMUR staff member.

Your usual cooperation in this matter will be appreciated.
