Léopoldville, le 28 août 1962

Excellence,

Permettez-moi d'apporter à votre bienveillante attention, le cas de deux jeunes garçons qui sont sans famille, sans toit et sans argent, mais qui méritent une assistance pour leur permettre de continuer leurs études secondaires.

Ces garçons sont : MUKENGESHAIE Grégoire, âgé de 15 ans et KALONJI Christophore, âgé de 14 ans. Le père de Grégoire était un agent de mines à Tshikapa - Christophore est un cousin de Grégoire, et son père étant décédé, le père de Grégoire a payé les frais pour l'éducation primaire des deux garçons comme pensionnaire à l'école missionnaire de Kikwit. Le père de Grégoire ainsi que toute la famille et le clan ont été massacrés pendant les luttes inter-tribales à Tshikapa en août/septembre 1960. Les garçons ont pu continuer leurs études jusqu'à la fin de 1961, lorsque tout les deux ont passé leurs examens préparatoires pour l'entrée de l'école secondaire. Ils ont été ensuite envoyés à Léopoldville, où ils ont été logés chez une tante, mais lors d'une enquête de la police, une arme à feu a été trouvée dans la maison, et le mari de leur tante a été emprisonné.

.../...

S.E. Monsieur Joseph NGALULA
Ministre de l'Éducation Nationale
et des Beaux Arts
du Gouvernement Central
Léopoldville

Grégoire a été blâmé d'avoir admis la police d'entrer à la maison pour faire la perquisition et les deux garçons ont été mis dehors du domicile.

A la recherche d'une aide, ils se sont présentés à mon bureau à l'ONUC, et sont maintenant logés chez un de mes secrétaires, Mr. NZADI Claude-Joseph, qui réside à l'avenue de Bolafa N°13 Nouvelle Cité Commune de Ngiri-Ngiri à Léopoldville-Est, et personnellement je paie pour leur appui.

Connaissant votre grand intérêt, que chacun des jeunes congolais qui ont la préparation suffisante, peuvent se permettre d'une éducation secondaire, je vous écris afin que vous interveniez en faveur de ces deux jeunes garçons pour qu'ils puissent entrer dans l'école secondaire pour la nouvelle année scolaire. Ils sont évidemment, sans foyer, sans parents et sans argent, mais j'ai toute confiance que si une place pouvait leur être procurée dans une des écoles secondaires, le moyen pourrait être trouvé pour payer pour leur éducation et pension.

Je vous recommande le cas de ces deux garçons, en vous assurant qu'il mérite la considération la plus sympathique.

Je vous prie d'agréer, Excellence, l'assurance de ma haute considération.

Dear Mr. Green,

By some inexplicable delay, your very kind letter of February 23, 1961 enclosing a cheque for \$100.00 as a gift to the Nigerian forces, has only now reached me. I hasten to acknowledge its safe, if very belated, receipt

The Nigerian forces in the Congo are now commanded by Brigadier-General Coulson, and I have today turned over to him your gift, which he tells me he will use for the welfare of the Nigerian troops.

Your generous thought is much appreciated, I assure you.

Sincerely yours,

Léopoldville, le 20 juillet 1961.

Monsieur le Commissaire Spécial,

J'ai l'honneur d'accuser réception de votre lettre du 7 juillet 1961 réf. N° 3/RAP/61, adressée au Chef des Opérations Civiles de l'ONUC.

Je prends note de votre demande concernant le rapatriement à Léopoldville des familles des MM., Mopipi François, Amili Gérard, et Kanga Ignace. En effet j'ai communiqué cette demande aux Représentants de l'ONUC à Bukavu et à Stanleyville en les priant de faire tout leur possible pour trouver les familles en question et de prendre les mesures nécessaires pour qu'elles soient rapatriées à Léopoldville.

Cependant il faudrait que je vous signale que les Représentants de l'ONUC à Bukavu et à Stanleyville devront émettre leurs propres jugements quant aux possibilités pratiques de trouver les personnes en question et de les transporter de l'endroit où elles pourront prendre un avion de l'ONUC jusqu'à Léopoldville.

Comme mentionné dans la lettre précédente au sujet de la famille de Monsieur Omari, l'intervention de l'ONUC en ce qui concerne le rapatriement de ces familles doit être considéré strictement comme une mesure d'urgence et donc un cas exceptionnel.

Je vous prie d'agréer, Monsieur le Commissaire Spécial, l'expression de mes sentiments distingués.

Léopoldville, le 19 juillet 1961.

Monsieur le Commissaire Spécial,

J'ai l'honneur d'accuser réception de votre lettre du 3 juillet 1961 réf. N° 2/RAP/61, adressée au Chef des Opérations Civiles de l'ONUC.

Nous ferons de notre mieux pour effectuer votre demande concernant le rapatriement à Léopoldville de la femme et des deux enfants de M. OMARI Antoine. En effet nous avons communiqué cette demande au Représentant de l'ONUC à Bukavu avec les instructions nécessaires à cet effet.

Pourtant je désirerais vous signaler que le Représentant de l'ONUC à Bukavu devra se servir de sa propre initiative quant aux possibilités pratiques de trouver les personnes en question et de les transporter de l'endroit où elles prendront un avion de l'ONUC jusqu'à Léopoldville.

Il faut aussi que je vous signale que l'intervention de l'ONUC en ce qui concerne l'évacuation des familles des hommes politiques et fonctionnaires d'état à Léopoldville doit être considérée comme une mesure exceptionnelle qui est prise en raison de la situation instable dans les régions en question. L'action de l'ONUC dans ce domaine ne doit pas constituer un précédent pour des demandes analogues éventuelles à moins qu'elles ne soient justifiées par des conditions d'une gravité aussi exceptionnelle comme par exemple le cas de proches parents.

.../...

En ce qui concerne les effets personnels de M. Omari à Elisabethville je regrette de vous annoncer que les Nations Unies ne pourront pas les faire envoyer à Léopoldville. Les membres de la famille de M. Omari auront le droit d'apporter avec eux la quantité normale de bagage personnels pour un voyage en avion soit 20 kg par personne.

Je vous prie d'agréer, Monsieur le Commissaire Spécial, l'expression de mes sentiments distingués.

Thank you very much for your note of 5 March 1961 and for the two enclosed copies of letters. You will, I feel sure, excuse me for delay in acknowledging these which is as usual due to the pressure of work.

May I take this opportunity to thank you most sincerely for your extremely generous gesture at putting your FAO salary at the disposal of the Congo Famine Relief Fund. L é o p o l d v i l l e

Monsieur,

Nous avons eu l'honneur d'informer le Secrétaire général des Nations Unies à New York de la décision du Gouvernement suisse de participer, par un envoi de 50 tonnes de lait en poudre et de médicaments, à l'action de secours que vous avez engagée en faveur des réfugiés baloubas au Sud-Kasai.

Nous sommes heureux de pouvoir mettre à votre disposition aujourd'hui, à l'aéroport de Léopoldville, par l'entremise de notre représentant spécial M. Ernest A n d r e s , une partie du don de la Confédération suisse, soit:

5,5 tonnes de lait entier en poudre (25 % de matière grasse),

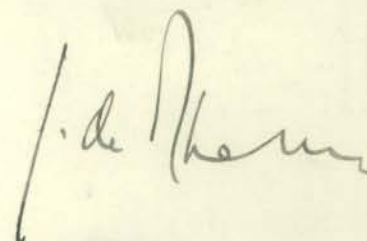

3,3 tonnes de médicaments (dont l'urgente nécessité nous a été indiquée par l'OMS), selon liste ci-jointe.

Une cargaison de 40 tonnes de lait écrémé en poudre, de 4,5 tonnes de lait entier en poudre et de 5 tonnes de médicaments sera expédiée par bateau, au cours

du mois de février, et arrivera au port de Matadi au début de mars.

Nous voulons espérer que le don du Gouvernement suisse, s'ajoutant aux envois d'autres pays, contribuera à remédier à la situation critique dans laquelle se trouvent les réfugiés baloubas.

Veillez agréer, Monsieur, l'assurance de notre considération très distinguée.

Dear Mrs. Levinson,

Many thanks for your letter of January 15 concerning the Kasai Relief operation.

We are of course most grateful for your splendid response, and when this letter reaches you you will already have received our cabled reply of 25 January. Kindly note that the cables addressed to the Stanley Hotel have not been delivered to me - our cable address is ~~ONUC, Leopoldville.~~ UNATIONS GENEVA FOR LINNER/ONUC

I also thank you for the clarification as to the present use of my name in connection with the fund-raising drive.

Perhaps I may on this occasion also thank Mrs. Lind for her letter of January 16 - I am happy that the matter has thus been satisfactorily settled.

It has been a great experience indeed to work in connection with this relief operation. I am just back after a couple of days visit in the famine area. Whilst things have certainly improved considerably since we started, it is of course still intolerably bad and we can use everything we can get. The response all over the world has been most generous. I am proud as a Swede that this is the case also in our country, especially so through the efforts of your very efficient drive.

With kindest regards,

Dear Miss Carter,

Your letter of 5 January addressed to Dr. Linner and enclosing a cheque for £5 out of your allowance has arrived safely in Leopoldville. Your gift has been credited to the United Nations Congo Famine Relief Fund. Your generous gesture is warmly appreciated.

You will be glad to know that we have been able to organize the delivery of enough food to the refugees in South Kasai to relieve the worst of the famine. Unhappily there is a danger of a serious sickness among them because of the insanitary conditions in which most of the refugees have been living.

A team of doctors and nurses from Austria has been rushed into the area, and gifts like yours will be used to provide some of the medical supplies and special foods required by the many hundreds who are seriously ill from hunger.

Dear Dr. Linner, *SL*

I am a British girl, aged sixteen, and I was horrified when I read the reports on the conditions under which many of the natives are living. I also realised how fortunate I am to have a happy home-life and no worries about where the next meal is coming from.

The money is part of my yearly allowance, but without it, I have enough, though I shall have to be more economical than usual: that won't do me any harm!

So please accept the enclosed as a token of my admiration for the wonderful work which you are doing.

Yours sincerely,

Jan Carter.
