13 January 1960

Dear Brzak,

We have received a cable from Brigadier Ward in which he asks for an administrative officer senior to Schmid. I wish to remind you therefore that, in assigning you to Albertville, it was our intention that you would be responsible for the administrative side of the work as well as the comparatively small amount of work of a political nature in Albertville, which is not a provincial capital.

You are responsible for the overall administrative supervision of the office and for carrying out the more complex administrative functions in the personnel, procurement and accommodations field, particularly where a knowledge of United Nations rules and procedures is required. For this work your many years as a staff member fully qualify you.

Olver is sending Lakshminarayanan, grade FS-3, as your administrative assistant and is also taking steps to strengthen the finance staff in Albertville. I am sure you will find Lakshminarayanan a capable assistant who will be able to relieve you of much of the routine, day-to-day work but he will be working under your supervision and I rely on you to ensure that the administrative function is satisfactory carried out.

I have discussed this letter fully with Brackenbury who is visiting Albertville to find out, at first hand, the administrative problems which require action by Headquarters.

Yours sincerely,

*F. Nwokedi*

The Cartel Balubakat desires to bring to your high personality's attention the sources of the various wars in the Katanga. We ~~do not~~ are not in accord with the Government, in reality Belgian, in the Katanga called the Katanga Government. Federal Government. We are now independent. We <sup>will</sup> no longer accept Belgian hands in the government of our country. Formerly Belgian, Tshombe's soldiers armed come on several occasions to harass us? Is without arms. The 8/8/60 Paracommandos shot a man at Bac Kabwe. The 27/8/60 Paracommandos shot a man at Tuba. Motive - The Paracommandos did not receive information that pleased them. The 5/9/60 Veritable war at Vumbi - Several men died. Interventions of Eithiopian ONU troops expelled them. Revolutionnaires announce at every opportunity that they will defend us against assailants. We want a United Congo. Above all direction of the country to truly in Congolese hands. Lumumba's work in Congo handicapped by Belgians. Katangese Administration and entirely Belgian army. Belgians in power still numerous at Eville,

II  
Jadotville, Kolwezi etc. Kill us continually.  
The Belgians kill us and ~~we~~ oblige us  
to obey their government supposedly  
Tshombiste. Be merciful towards us, we  
have no guns ~~with which~~ to defend ourselves. The Belgians  
want to regain the Congo. If Tshombe  
was master in the Katanga the Belgians  
would no longer attack us. Only  
Tshombe fights with us. Bring this  
question of competence before the Security  
Council.

Balubakat people are peaceful not rebels  
as the diabolical, Belgo-Katangese colonialists  
under the mask of Tshombe claim. Balubakats  
totally respect the U.N.'s Neutral zone in  
North Katanga. In fact the <sup>Katangese</sup> gendarmerie  
~~Katangese~~ penetrates the Neutral zone in  
defiance of the U.N. conventions. Katangese  
army attacks and violently massacres the  
Balubakat people. Balubakats demand
